

Wisdom Weekly Newsletter

WEEK ONE OVERVIEW

Wisdom Generals, thank you for a wonderful first week of school. We hope this will be our best year yet. As we enter week two, please ensure your students arrive on campus early and in their Wisdom High School uniform, ready for the day. Our campus doors and cafeteria open at 6:30 AM every morning.

TECHNOLOGY

Every student should have received an HISD laptop this past week. Please charge your computer overnight and bring it to school every day. Teachers will post assignments to online platforms like Canvas. You can pick one up during all lunches if you were not assigned a laptop. We are committed to providing the resources you need to succeed.

SCHEDULING

Our counselors will level classes this week, so please check PowerSchool for your updated schedule. If you have specific concerns about your schedule, please contact your counselors during every lunch this week. Counselors are assigned by student last names.

A-C: Tonya Anderson

D-G: Haley Brown

H-K: Frank Bryant

L-N: Nicole Campbell

O-R: Isabella Ontiveros

S-U: Kimberly Williams

V-Z: Chandra Jones

UNIFORM

Thank you, parents and students, for supporting the Wisdom High School uniform policy. There are several options to obtain student uniforms. Generals can purchase branded uniforms through the Wisdom High School website. Generals can purchase solid gray or white polos at any clothing store. If you or your family needs district support in obtaining school uniforms, please complete a Houston ISD Student Assistance Form. Students can wear khaki pants or blue jeans with their polos as a reminder. While the weather is still hot, jackets might not be an issue, but if your student wants to wear a jacket, please make sure it is not a hoodie. Jackets should be able to unzip or unbutton fully.

SPORTS

This fall, Wisdom High School offers the following extracurricular activities: girls' volleyball, boys' football, girls' and boys' cross country, cheerleading, dance team, and band. If you are interested in trying out and competing in any of these sports, contact Athletic Director Bridgette Davis. Each activity requires each student-athlete to complete a physical before participation.

WISDOM HIGH SCHOOL SPOTLIGHT

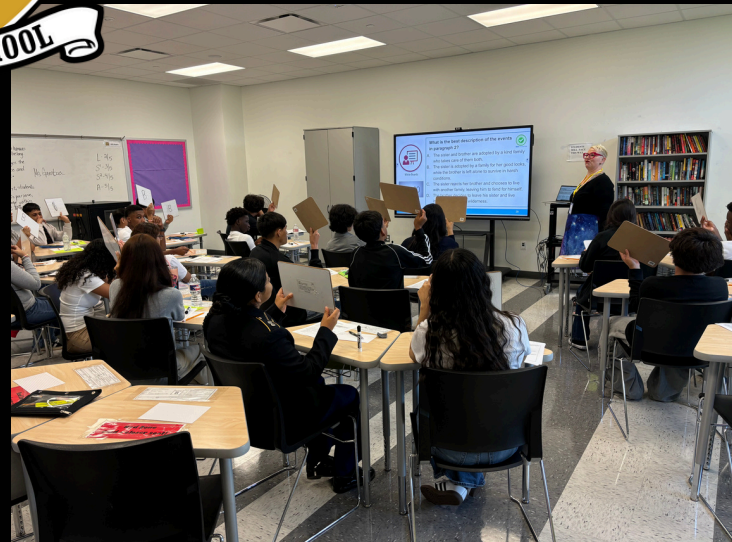

Ms. Johnson and her Teams Center students receive key instruction to support a higher understanding of the lesson.

Student IT Support Team members make sure all students have an updated laptop.

Ms. Fullerton and her English II students review key elements of dystopian literature.

Ms. Gamboa and her AP Seminar students participate in a whiteboard activity.
