 = **Whole Group**- Students should be logged into a virtual platform with their teacher in Microsoft Teams.
 *If another virtual platform (ex. Peardeck) is needed, teachers will place the directions in Microsoft Teams on the class page/chat.

 = **Small Group/Intervention**- Students will meet with their teachers in small groups via Microsoft Teams channels. If they are not in a small group, they should be doing independent learning.

 = **Independent Learning**- Students should be logged into a virtual platform completing their assignments. Teachers are available via chat or phone to assist.
