Want to Volunteer Some Time During the School Year? You should do this now!

All volunteers with a **CLEARED to Volunteer** status for the last school year will be placed under **INACTIVE** until your photo identification is presented again to the front office for annual criminal background resubmission for this school year. If you are inactive, you do not need to register again, only present your photo ID.

Volunteers must go through a criminal background check yearly.

Any volunteer who is registered from last year and does not show proof of ID will be deleted from the volunteer base. This means you will need to reregister for this school year.

We love our volunteers! If you are interested in volunteering in any capacity including field trips and parties, please stop by our front desk to reactivate your status now.
