PROJECT SUPPLIES

****If parents can donate supplies for projects ahead of time.** That would be greatly appreciated! :) Feel free to pick and choose which items to donate.

Such as: Ziploc bags(gallon), Origami paper(6 by 6 inches), straws, duct tape, thick cardboard boxes(flatten already), construction paper, scissors, graph paper, plastic plates and cups, popsicle sticks(different sizes), liquid glue, cotton balls, Aluminum foil roll, and paper towel/toilet paper rolls. **Thank you in advance!**

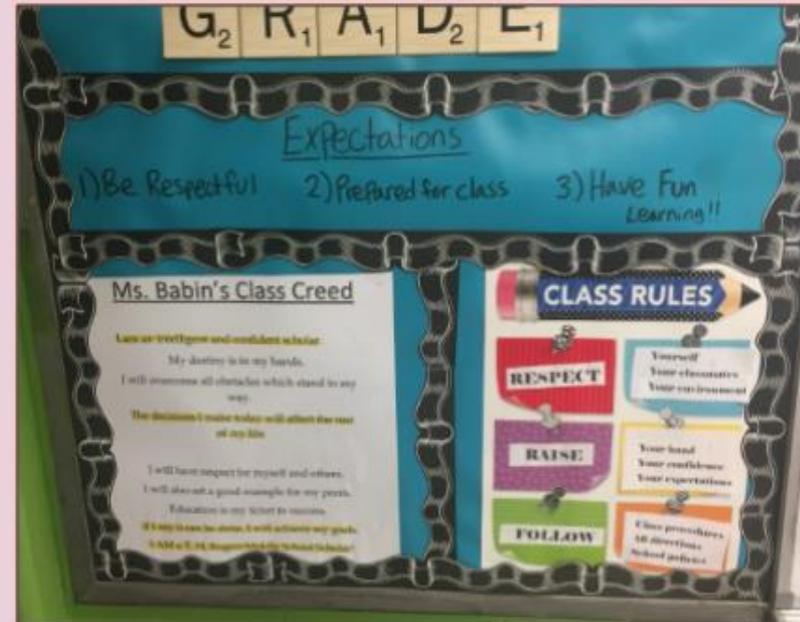

GT Course Content

The **project-based learning** teacher for 6th grade Thinking Skills will design lessons, units, projects, and classroom activities in **alignment with our science standards and the 21st century learning objectives** to include **critical thinking, collaboration, creativity, reflective learning, and cross-disciplinary thinking**. The teacher will work to capture our students' attention through engaging and meaningful project-based, **experiential, and Texas Performance Standards Project learning (TPSP) activities**.

Class Routine

- Take a seat (flexible seating)
- Get out your planner (copy homework)
- Get out journal (look at the Smartboard for the warm up)

Example of a Do Now (Warm up) They Do Once They Enter My Class

Write a paragraph that makes sense in which each word begins with a letter of the alphabet, in order backwards, from **Z to A**. *(The first word will begin with Z, the second with Y, the next with X, etc.)*

You may use the articles *a, an, and, the* wherever you wish.

Project Based Learning we have done so far:

- SIX Thinking Hats (group work mindset)
 - Yellow-Optimistic, White-rational, Red-emotional
 - Black-Logical, Green-Creative, Blue-Manager
- Water Tower Challenge
- Egg Drop Challenge
- Popsicle Bridge Challenge (Current Project)

GT students will demonstrate skills in:

- Self-directed learning
- Critical thinking
- In Depth Research
- Communication
