### MIMS DRESS CODE POLICY

The goal of our dress code is to ensure that students remain focused on learning and to create a positive and safe environment. We appreciate parent and student support in upholding our dress code. HISD allows each individual campus to establish its own dress code. Violations of the dress code policy will result in disciplinary action, per the HISD Student Code of Conduct. Besides the categories listed below, accessories, including jewelry, that distract from the educational process, are not allowed. Teachers will actively monitor and enforce the student dress code daily and parents will be notified about non-compliance. Students who do not comply with the dress code will be sent to the office to call parents to bring a change of clothes. School administrators have the final authority for decisions regarding the dress code.

Items below pertain to both elementary and middle school students unless indicated. The MIMS PTO may sell a variety of clothing options with the school logo during the school year.
