Subject: AHERA Notification

In compliance with the US Environmental Protection Agency, (EPA), Asbestos Hazard Emergency Response Act (AHERA), Houston Independent School District (HISD) performed school building inspections for asbestos-containing building materials and have developed an Asbestos Management Plan that includes surveillances of asbestos-containing material every six (6) months and a re-inspection every three years. This facility's findings and asbestos management plan are on file in the school administrative office, for public review, Monday through Friday during regular business hours.

It is important to note that if the school's asbestos management plan indicates that asbestos-containing building materials were used in the construction that these materials are in a form and condition that do not pose an imminent health threat to students, staff and visitors.

For additional information about AHERA or any specific questions regarding asbestos containing building materials, contact Facilities Services Code Compliance Manager, Lucie Garcia at 713-670-3901.

BOY SCOUTS OF AMERICA SAM HOUSTON AREA COUNCIL

Cub Scouting is for boys in grades 1-5. Boys have fun with a purpose, learning skills like knot tying, setting up a tent, playing sports, and shooting a bow and arrow. Cub Scouts earn awards and advance in ranks every time they complete a new skill. Cub Scouts join a Pack, and are grouped with boys of the same age into Dens. The Cub Scout Pack is chartered to a church, a school, or some other group of people in your community or neighborhood. The Pack is led by trained leaders, who have been approved by the chartering organization.

Cub scouting es para los niños de primer a quinto grado. Los niños se divierten con un propósito de aprendizaje, aprenden habilidades como atar nudos, establecer casa de campaña, practican deportes y aprenden a disparar un arco y flecha. Los Cub Scouts ganan premios y avanzan en categorías cuya vez que completan una nueva habilidad. Unete a un grupo de cub scouts ya sea de una iglesia, escuela o cualquier otra organizacion en tu comunidad o vecindario. El grupo de Cub Scouts es conducido por líderes entrenados, que han sido aprobados por la organización.
