DO RE MI: Art and Music!

Get into the rhythm and allow music to conduct your artwork!
Listen to music from around the world like pop, jazz, symphonies and more!
Learn about the rich musical cultures of East Africa and the Gond Tribe in India.
Make art inspired by the classics. Learn about French master Edgar Degas and explore movement and balance. Improvise like jazz-inspired African-American artist Romare Bearden. Make your own musical instruments and get ready to create harmonious Art and Music!

Musical melodies and rhythms inspire artwork while:

- ★ Creating musical diptychs, sculptures, and drawings
- ★ Exploring 3D paper-folding, texture, design, and printmaking
- ★ Applying musical concepts to visual art
- ★ Learning about world cultures and musical traditions

Did you know?
The term piano is actually a nickname! Italian musician, Bartolomeo Cristofori, originally named his instrument the Pianoforte.

Feel the beat as we create artwork inspired by melodies, musicians, musical instruments and more!

Classes begin Monday, January 22nd!

Class Time: 4:00 pm – 5:00 pm

Classes Offered: Mondays

**Class Fee: \$104 for 7-week session
