March 6, 2018

Dear Parker Parents,

The time has finally come to move into our new building! This is an exciting time but brings with it many changes. I hope you have been reviewing the bulletins I have been sending home with all the specifics. Friday, March 9, 2018, will be the last day in our current Parker building, please ensure your child(ren) bring home any and all personal items as they will not be moved. We will have limited internet and phone service beginning Friday, March 9th at noon due to the move, I ask for your patience as we make this transition.

When we return from Spring Break on March 19, 2018, please drop your child(ren) off at the new Parker. Parking will be very limited beginning March 19th, because the staff is losing their parking lot and so we are asking parents to use the carpool drop-off & pick-up beginning March 19th, rather than taking up the limited street parking. Campus will be closed to parents the first week in the new building so that we may focus on assisting the students in learning the new routines and procedures in the new building. Staff will be there to escort all children to designated areas until their teacher escort them to class. All Prek-1st Grade students will report to the Cafeteria, all 2nd-3rd Grade will report to the Gym, and all 4th-5th Grade will report to the Auditorium.

There will be no private lessons March 19-23, and we are asking only Advanced Band students bring instruments on March 19th. All other students should leave their instruments at home until March 20th. We will be hosting grade level assemblies and tours the first day in the new building and want students to become comfortable in the new building before asking them to find their way alone to drop off instruments.

We invite all parents to not only attend our PTO meeting Thursday, March 22, but to come early for one of two building tours. Building tours will be held Thursday, March 22nd at 4:30 & 5:30pm, with the PTO meeting to follow at 6:30pm. Not only will we be celebrating our new building at the PTO meeting but we also have important budget updates to share with Parker Parents regarding the district wide budget cuts impacting the 2018-2019 school year. There has been a lot of information in the media about these cuts and we want you to know the impact on Parker and what you can do to help support keeping Parker the outstanding Music School we are.

Finally, there has been some traffic complaints made to authorities and this is why we have had so many officers around at dismissal time recently. Moving into our new building is going to make traffic easier, but please make note of the new procedures below:

NEW Drop-off & Pick-up Locations Effective March 19th :

- Entrance Locations –
 - Front of the school (which will now be located on Stillbrook)
 - Willowbend Gate (which will be located west of its current location).
- 3:15 Dismissal Locations –
 - Pre-K through 2nd Grade – Stillbrook **(one location only in front of school, one carpool lane along the curb)**
 - 3rd-5th Grade – Willowbend
- **Magnet Dismissal 3:50 Location –**
 - **STILLBROOK ONLY**

With your help and patience during our transition into the new building I am confident our students will have an easier time adjusting to all changes. Please contact us with any questions or concerns you have about this move. We at Parker are here to help you and your child(ren) make this move as smooth as possible. This is a great and exciting time for Parker and we look forward to showing you all the amazing new building!

Sincerely yours,

Lori Frodine
Principal
Parker Elementary

Parker After School Care Enrichment Classes Registration Form Spring 2018 Session II

Student's Name: _____ DOB: _____
 Grade: _____ Teacher: _____ Magnet Area: _____
 Mother's Name: _____ Phone #: _____
 Mother's Email: _____

Parker Elementary

Mad Science Extracurricular Programs will amaze your child and show them just how cool science can be!

Program	Grades	Day & Time	Dates	Fee
<i>Spring II</i>	K - Gr 5	Fri 04:00 PM - 05:00 PM	Apr 6 - May 11 6 weeks	Contact School

Program Description:

Through the course of System 3, children will play engineer, chemist—and stunt pilot! Children will investigate physics fundamentals and bring their scientific minds to basic magic tricks. Your Mad Scientists will be shocked by what they learn about electricity, blown away by their experiments with air pressure, and swept away by the excitement of working with waves!

Weekly Topics for Spring II

Be Tobacco Free (WS) • The Dirt on Garbage • Ecosystem Explorations • Invention-ation • Mineral Mania • Photosynthesis

REGISTER WITH THE SCHOOL'S AFTER SCHOOL PROGRAM!

Mad Science of Houston has been teaching children to learn to love science since 1995! Visit our website and check out all the different types of programming we can offer you!
