Dear Fifth Grade Parents,

I know there have been some concerns regarding the limited seats for Fifth Grade Awards on May 31, 2018, at 6:30pm in the Parker Auditorium. Our students and teachers are very excited to be going through this ceremony in our own auditorium, but we have a maximum capacity of 500 seats. We have 132 Fifth Grade students to be recognized so each student will be limited to a total of 4 guests/tickets for this award program, this will include children. To assist parents Parker will be hosting free child care during this event in the gym for children ages 2-10 from 6:15-7:30pm. You may sign up for child care in the main office beginning May 21, 2018.

Please list below up to the 4 guests that will be in attendance and bring this form with you on May 31, 2018. We will begin issuing tickets for entry at 4:30pm on May 31st in front of the school. Failure to bring this form will delay your group from receiving tickets and seating options in the auditorium. Doors will open at 6pm and seating will be open for all guests with tickets.

We want to ensure that all students have family in attendance for this event so thank you in advance for your understanding and cooperation.

Thank you,
