Herod has 13 new staff members this school year. Seven of the new staff members are in positions that are new for this school year. Herod has three first-year teachers this school year, 20% of the staff falls in the 1-5 years of teaching experience, 18% of the staff has 6-10 years of experience, 34% of the staff has 11-20 years experience, and 14% of the staff has 21-30 years of experience. The campus principal started at Herod in February of 2022, one assistant principal has four years of experience, and the other assistant principal is starting her first year as an administrator.

Demographics Strengths

Herod as a campus is incredibly diverse. Students on campus come from an extensive range of backgrounds and experiences. With students coming from such diverse backgrounds, students on campus are able to be exposed to different cultures and life experiences.

Problems of Practice Identifying Demographics Needs

Problem of Practice 1: Herod has a mobility rate of almost 10%. Many students who leave will return to campus within 2-3 months. **Root Cause:** One of the apartment complexes zoned to Herod used to fall under a government housing assistance program. In March of 2022, the apartment complex was bought by a new owner and is no longer accepting government housing assistance. With this change, Herod is seeing an increase in student mobility.

Board Goal 5: N/A - Additional Campus Goals

Goal 9: OTHER UNMET (If applicable)

Title I

1. Comprehensive Needs Assessment (CNA)

1.1: Comprehensive Needs Assessment

All schools develop a comprehensive needs assessment as part of the planning and decision-making process. Title I schools have responsibilities to ensure that the plans and decisions regarding the use of federal dollars align with program requirements and the needs of students. The comprehensive needs assessment (CNA) at this campus was developed by the administration, social worker, wrap around specialists, teachers, Shared Decision Making Committee SDMC, and other staff.

Literacy-Research indicates providing a solid foundation in early literacy skills is vital for success in future learning. Therefore, during 2022-2023 school year, teachers focus on implementing effective daily instructional strategies in developing Literacy by 3 which focuses on phonemic awareness, word study, tiered guided reading instruction, small group instruction, and Daily 5 work stations.

Math- During the 2022-2023 school year, teachers will continue to focus on Guided Math strategies, such as developing number fluency, and number operations.

2. Campus Improvement Plan

2.1: Campus Improvement Plan developed with appropriate stakeholders

The SIP is developed with the involvement of parents and other members of the community to be served and individuals who will carry out the plan, including teachers, principals, other school leaders, paraprofessionals present in the school, and other stakeholders, Stakeholders were involved with the development of this plan in the following ways: reviewing data, review teaching strategies, and reviewing Herod's budget.

Schoolwide reform strategies that will provide opportunities for all students who are at risk of not meeting the challenging state academic standards to meet the advanced and proficient levels of student achievement. Strategies are based on evidence based research to increase achievement for each sub group on state tests.

1. Structure and monitor weekly Collaborative Learning Meetings (CLMs) to ensure effective planning of rigorous lessons, data analysis, and action planning.
2. Implementation of lesson plan feedback by leadership team.
3. Implementation of district and campus based assessments to monitor and track student performance and progress.
4. Implement effectively the W.I.N. (What I Need) Intervention time for targeted small group instruction during the school day that closes student achievement gaps.
5. Support teachers through coaching and feedback meetings, and modeling best practices outlined by the district planning guides.

2.2: Regular monitoring and revision

Regular monitoring of the strategies funded through Title I occur in addition to the formative reviews required by this improvement plan. At our campus, regular monitoring of the implementation of strategies and students' progress includes:

- Appraiser calibration walks
- Collaborative Planning Meeting (CPMs) where teachers review student work, and discuss best teaching strategies.
- Data analysis after assessments
- Monitoring of assessment data
- Progress monitoring
- Classroom walkthroughs and observations
- Coaching and feedback meetings

2.3: Available to parents and community in an understandable format and language

The SIP is available to parents in the following locations:

- Herod Elementary website

The SIP was made available to parents by:

- school website
- SDMC meeting

We provide the SIP to parents in the following languages

- English
- Spanish

2.4: Opportunities for all children to meet State standards

Opportunities for all students to meet the TEKS include these schoolwide reform strategies:

- Tier I Instruction
- facilitating instruction in a gradual release format
- formative and summative assessments (etc. BOY, MOY, EOY)
- Differentiated instruction through workstations for student independent practice
- students utilizing technology in all classrooms
- WIN intervention time
- Afterschool and Saturday tutorials

2.5: Increased learning time and well-rounded education

Ways that we increase learning time and a well-rounded education for our students include:

- W.I.N Intervention time
- Effective Tier I instruction
- Afterschool and Saturday tutorials.

2.6: Address needs of all students, particularly at-risk

An important campus focus is on schoolwide reform strategies that provide opportunities for all students, particularly those students who are at risk of not meeting the challenging state academic standards at advanced and proficient levels of student achievement. The strategies provided are based on evidence-based research to increase achievement for each student group on state tests and other assessments. Examples include the following:

- Building teacher capacity in their content areas and instructional areas:
- Proficient Tier I explicit instruction taking place in all content areas:

3. Annual Evaluation

3.1: Annually evaluate the schoolwide plan

The Annual Evaluation requests will be sent by the following:

- Links provided in the News You Can Use weekly newsletter
- Emailed individually to families
- Links posted to school and teacher Class Dojo communication pages

4. Parent and Family Engagement (PFE)

4.1: Develop and distribute Parent and Family Engagement Policy

The following individuals, including roles (parents, teachers, admin, etc.) assisted with the development of the Parent and Family Engagement Policy:

- Parent
- Teachers
- Wrap Around Specialists
- Non-Instructional Staff

The PFE was distributed

- campus website
- Hard copy distributed to individual families
- Title I electronic bin

4.2: Offer flexible number of parent involvement meetings

The campus will provide four annual Title I Parent Meetings, and eight PFE meetings and each meeting had an alternate time/date to accommodate parents' schedules. The meeting dates are listed below:

- Meeting #1- 9/7 & 9/8
- Meeting #2-

5. Targeted Assistance Schools Only
