

# Plug Into Your Imagination!

Plug into your imagination! Without leaving home, our imagination will connect us to other countries, allowing us to learn about new cultures. We will explore various art materials and techniques such as collage, watercolor, painting, and sculpture. We will be inspired by masters and contemporary artists. Art stems from all types of inspiration. We will blend nature and art with animal sculptures and animal habitats. We will create fruity, patterned mixed-media masterpieces. A little of this, a little of that—put it all together, and we've got Abrakadoodle fun in all sorts of ways!
