Program Description:

Put on your goggles and lab coat...it is time to have some FUN! Join us this semester as we learn science through hands-on experiments and interactive demonstrations. Our Mad Scientists make science easy to understand and spark imaginative learning. Enroll today and science will become your favorite subject!

Weekly Topics:

❖All About Animals❖Energy Burst❖Get Connected❖Life in the sea❖Mix it up❖Moving Motion❖Radical Robots❖Super Power Sources❖Atmosphere&Beyond and many more...!

Mad Science of Houston has been teaching children to learn to love science since 1995! Visit our website and check out all the different types of programming we can offer you!
