Congratulations to our NACME Contest winners! Jada, Remy, Mackenzie, and Adrianna won 2nd Place and received \$400 each. Crystal and Cydney won 3rd Place and received \$300 each. Way to go, Ladies! These prizes were awarded just in time for Christmas, too!

Kudos to Mrs. Burrell, our Advisory Council for coordinating a wonderful 2024 YWCPA Alumnae Symposium at the United Way Center!

SHE CAN... SHE WILL SUCCEED @YWCPA!

Congratulations to our new Teacher of the Month, Dr. Carlana English! Dr. English is an incredible Biotechnology Teacher with over 25 years' experience, including both classroom instruction and laboratory service. She plans weekly lessons with a great deal of intentionality to ensure her students have fun and engaging experiences that bring Biotech content to life, but also helps her scholars to retain what they've learned. Dr. English is always willing to help colleagues and she's a great source of positive energy as well as scholar advocacy.
