

# THE ROSE REPORT

The official publication of **YWCPA**,  
where our scholars are  
*PowHERful Beyond Measure!*

## Excellence in Action!

Check out our future Biotechnologists  
conducting an experiment in  
Dr. English's lab!

## SHE CAN... SHE WILL SUCCEED @YWCPA!

Congratulations to our Teacher of the Month, Ms. Medina! Ms. Medina is a caring and conscientious educator who develops thoughtful lessons and activities that engage her students in Science curriculum at a high level of rigor. Her scholars engage in weekly lab activities to ensure they're able to apply what they've learned. She has exceptional parent communication and is always willing to share instructional tools & best practices as a stellar member of the Science Department. Keep up the great work, Ms. Medina!

MORE INFO ON PG 2-7

Welcome to our fabulous new School Counselor, Ms. Peters! Ms. Peters joined us the week before Thanksgiving and hit the ground running. The ROSES are already fond of her and she is enjoying collaborating with the YWCPA Staff!

**ACHIEVE**

*Great Things!*

Ms. Peters joins us with over 20 years of experience in education. She has a background in school counseling and group counseling. She is a first-generation college graduate from St. Louis, MO. She has earned both a Master of Arts in Teaching and a Master of Education in Counseling. Ms. Peters is a former High School and Middle School English teacher, and a graduate of the counseling program at the University of St. Thomas in Houston, TX. She has a daughter completing her 3rd year at North Carolina A&T State University and a 9-year-old son. Ms. Peters greatly enjoys reading biographies and realistic fiction as well as traveling. Her favorite book is *The Alchemist*, and her most recent trip was to Bali, Indonesia. She enthusiastically looks forward to serving the young ladies at YWCPA as well as the staff and community.
