HISD CONNECT FOR PARENTS

WHAT IS HISD CONNECT?

The district's Student Information System (SIS), HISD Connect by PowerSchool, includes student contact, enrollment, and demographic information, as well as grades and online resources.

Parents are given a unique code, or access ID, for each of their students and are able to use those codes to set up an account to access their students' profiles through the parent portal. Parents who haven't received their student's access ID should contact their school.

Instructions, including a videos and other resources can be found at https://www.houstonisd.org/PSC (or scan the QR code with your phone's camera).

See Ms. Whiting in room 120 or email her at Mwhiting@houstonisd.org to get the following:

Parent Access Code: _____   Password: _____
