- Academic Programs
 - Purchase K12 Summit for TELPAS and 5th Grade Science. Teacher feedback shows that students were engaged into the program and the programs were aligned to the assessment. Question for next year would be if the program is going to reflect the changes in state assessments such as constructed responses.
 - Empowering Writer's program was in limited use this school year. Feedback includes that perhaps a student workbook would be more efficient.
 - Stemsscopes was also utilized and will be purchased for next school year.
 - Two fully functioning, updated computer labs on campus.
 - Online assessments and student work beginning at the start of next year to prepare for online standardized testing.
 - Summer school will be housed at Eliot Elementary. Student invitation letters have gone home for students who are currently identified as required to attend.
