

# 2018 LMS SUMMER READING RECOMMENDATIONS

Our goal is for every student to spend quality time reading over the summer. So, all incoming Lanier Pups will be expected to read at least 3 books over the summer break. Check out the following list for book recommendations from our teachers and current pups. Our students will be asked to recommend at least one additional book to their peers at the start of the 2018-2019 school year, so keep track of titles and authors you love! We hope you enjoy your summer reading!
