

# RENAISSANCE®

## HISD Parents and Students ask: How do I log-in for Renaissance assessments?

**1. Before Testing Check your Device: Log-in to your device and access Microsoft Teams with teacher.**

- For a district device** (IPad, Chromebook, or Laptop) ensure you can **log-in** to the device. For help, call the HISD service desk at (713) 892-7378 prior to attending a test session. Some district devices have the MS Teams App pre-installed. Student with Chromebooks access MS Teams through the student's office 365 account.
- For a personal device**, download and install [Microsoft Teams App](#) or log-in through the student's office 365 account. Ensure you can [login to MS Teams](#) before attending a test session.

**2. Your teacher will send you an invitation with the day and time of when you will test. [Click here](#) for help with joining a team.**

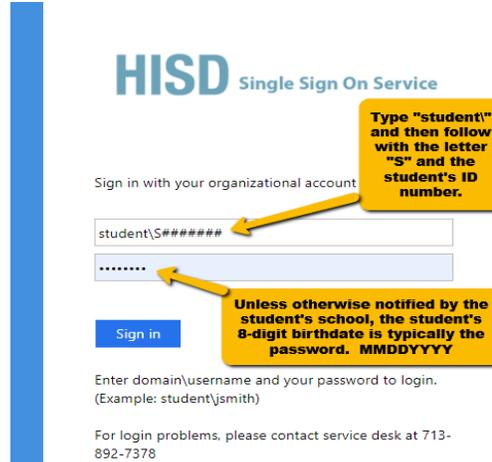

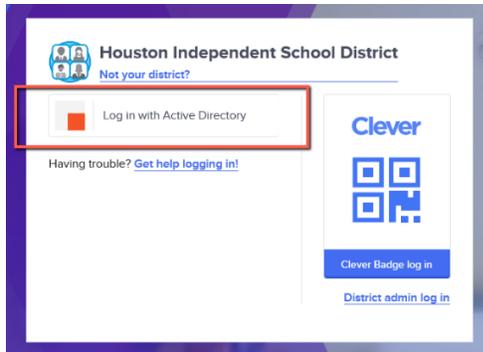

**3. Use your teacher's invitation to open your Microsoft Teams link and join your teacher's meeting at the assigned testing time.**

**4. When the teacher tells you, go to the Renaissance assessment at [www.houstonisd.org/screener](http://www.houstonisd.org/screener).**

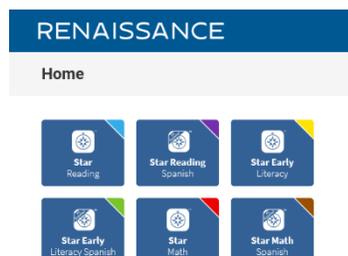

- HISD recommends using the Chrome browser.
- Other browsers may also be used, including: Firefox, MS Edge, or Safari for apple products.

**5. Choose "Log in with Active Directory" and use the HISD Single Sign On Service to log in. For help logging in, contact the service desk at (713) 892-7378.**

**6. When you enter the Renaissance "Home" screen, stop and wait for directions from your teacher.**

**7. For additional troubleshooting contact the teacher at your school.**
