SDMC Minutes October 7, 2024

Members present: Michael Balderas, Diana Quezada, Jackline Beltran, Cinthya CareagaChavez, Rebecca Salas, Enrique Cerventas, Simon Elsa, Moore.

Instruction: Make sure you are saying "I am monitoring as you work", be very specific while you are monitoring the students this is our aggressive monitoring and purposeful instruction.

Budget: already hit projected enrollment. If you need any additional supplies ask admin for supplies, send an email to Dominguez, Mendez, or Guerra for the supplies.

Campus & Safety Concerns: never prop doors open

Upcoming Events: math and science night will be 10/25, get activities for the families to do at home as well, we can dress up, admin has candies for us. It is from 4-6. Literacy night will be beginning of December. Field trips- start planning and ask how much is in your account, most we can ask for is \$, we will have fall and spring field trips.
