SDMC Minutes

May 24, 2024

Members present: Myrna Bazan, Elizabeth Espinoza, Matilde Mendez, Cynthia Castillo, Mirta Arzola, Diana Quezada, Yenit Estrada, Leslie Wolfe, Joseph Eckert, Sarah Duncan

Ms. Bazan started the meeting by going over end of year status for students and summer school information.

- Summer school will be held at Kennedy Elementary.
- Students not meeting grade requirements and or attendance requirements.
- Parent notifications have been sent out and lead team will follow up with parents.

End of Year activities:

- Due to the storm and Janowski being closed 3 instructional days, end of year programs will be adjusted.
- Field day will take place the last week of school as per previously discussed.

NWEA testing:

- NWEA testing will take place on May 28 – May 31st.
- Teacher will begin classroom preparations before they leave for the 3-day weekend.

End of year surveys

- Parent family engagement policy was discussed.
- Compact annual evaluation was discussed.
- Possip survey results.
- End of year teacher survey.

Defined Autonomy:

- Ms. Bazan discussed Defined Autonomy with all teachers and power point presentation will be forthcoming.
