2024-2025 RESOURCE DIRECTORY FOR HARRIS COUNTY

Designed for Agencies Serving Youth & Families

This directory includes only the most commonly used nonprofit, United Way, church, and government resources available to the general public and is not intended to be complete. Private, for-profit services are sometimes included if there is a lack of nonprofits for that service, or they offer some free or specialized program to the community. It is intended to be an organized informational guide for professionals working with youth. Inclusion does not denote endorsement or recommendation.

Directory information rapidly becomes outdated, and a new directory is published annually. If you find errors or have information on new resources, please feel free to contact us so that we can stay as up to date as possible. For current information regarding state agencies, we recommend you contact the agency.

Community Youth Services (CYS)**Administration: 6300 Chimney Rock Rd.****832-927-6300**

Community Youth Services, a program of Harris County Resources for Children and Adults, is a school-based crisis intervention, counseling, and case management service that provides practical assistance to families of children and youth who are experiencing problems. In partnership with local schools/other governmental entities, the services of CYC are available to students in 13 Harris County school districts, as well as the Pasadena Police Department, and the Educational Services Division of the Harris County Juvenile Probation Department. All services of CYC are voluntary and provided at no cost to the family. In counseling youth and their families, CYC also searches among the many agencies throughout Harris County to locate and help clients obtain needed social services to resolve family problems. Truancy, runaway, pregnancy, drugs, school, economic and family problems are appropriate referrals. When providing services, CYC can visit the family in their home or at the CYC offices on the school campus in the client's community. CYC can also serve as a liaison with other youth serving agencies of the county such as Juvenile Probation, Children's Protective Services and The Harris Center for Mental Health and IDD when youth and family have multi-agency involvement. To get help, simply telephone the Youth Service Specialist (YSS) for your school district or their supervisor during school hours.

The mission of CYC is to improve the lives of youth and their families through advocacy, education, and personal empowerment.

Youth 10-17 years old who are currently homeless; currently on runaway status and/or living in a voluntary placement away from one's legal guardian(s); or who are at risk for running away or are contemplating running away in the future, are eligible to receive Project services. Any youth/young adult who contacts the Project, but who is deemed ineligible for Project services, will be provided with more referrals/services that are appropriate.
