

# River Oaks Elementary School Roadrunner's Nest Enrichment Classes for Fall 2024

Registration for Fall 2024 begins Monday, September 9 at 6:00 PM and ends on Wednesday, September 25 at 6:00 PM. After 6:00 PM on September 25 registration will not reopen. Registration and payments will be processed directly via each Vendor. Note all Vendors are HISD Approved Vendors. If you have any questions about their classes, you will need to communicate directly to each Vendor via their contact info posted on their websites. When purchasing for a class, be sure of your decision. **There will be no refunds provided by the Vendor at any time unless a class does not form. In the event a class does not form, the Vendor will reach out to you.**

Classes will begin the week of October 7 and the last day is Thursday, December 19. It is your responsibility to notify your child's classroom teacher of the class(es) you have signed up for, so they know to send your child to the cafeteria at the time of dismissal. Your child will report to the cafeteria to their instructors at the school's dismissal time. Attendance, snacks, restroom break will be provided and at 3:15 classes will begin in their assigned classrooms. Classes will end at 4:15 (60 minute classes). NOTE: Spring 2025 information will be posted on the RN's Webpage located on the school website in January for classes to begin in February.

Students registered solely in Enrichment Classes are to be picked up at the Avalon Gate. Adults are to be prepared to present a valid form of ID and will be asked to sign out their child. All adults picking up children must be authorized to pick up your child. (This information is required of you when you register for your classes via the registration on the vendor websites.) There will be no exceptions. Thank you.

**Note below the website for each Vendor where you will find their webpages to register, submit your payment for the class(es) of your choice as well as additional information such as class attire, student expectations, etc. Be sure to read all of their info. In addition, you will find their contact info on their websites. Please feel free to reach out to them for any questions you may have about their classes.**
