 Date

- Please be advised that this form is for students to express their preferences regarding electives. However, there is **no guarantee** that a student will be placed in their chosen elective classes due to **space availability** or **skill level required** or **student's academic needs**.
- Please be advised that the above **listed electives may change** as per campus needs.
- There **may be fees** related to some electives, which will be communicated by the respective sponsor.
- **All students must remain in a Subject Enrichment class, if assigned**. A student may exit an Enrichment class in the Spring if they have an 80 or above AND teacher approval (must complete the LAST check box below).
