

Mandarin Immersion Magnet School Student Pick-Up on Early Dismissal Days

October 18, 2018

Dear Parents,

I just learned from the principal of School at St. George Place that our dismissal time on Early Dismissal Days are only 10 minutes apart. Their dismissal is at 12:20 and we dismiss our students at 12:30, which bring in heavy traffic flow in our area between 12:00 and 1:00.

In order to minimize the congestion in the area, staff at School at St. George Place are going to redirect the traffic flow on McCulloch Cir. so that the north bound traffic on McCulloch Cir. only makes right turn to go into their parking lot. The traffic that exits from their parking lot only makes left turn onto McCulloch Cir. and goes south bound.

I understand that some of our parents travel through McCulloch Cir. or park alongside McCulloch Cir. during dismissal. Please take Westheimer/W Alabama tomorrow and on remaining of Early Dismissal Days this school year (1/18/19, 2/15/19, 4/19/19).

I apologize for the late notice and the inconvenience from the change of traffic flow. We appreciate your cooperation.

Sincerely,

ChaoLin Chang
Principal
