Great Race Team

Please pick your team members carefully because each person can only join one team. You can look for team members through CIASP or PTO Facebook page. Please note that every team member is required to perform the task at each stop. Therefore, if you have a team member absent during the competition, your team can still participate, but will not be able to win the competition on December 8, 2018. If you would like to participate, but do not have a team, please submit the incomplete registration form. We will try to form a team for you when the teams are checking in.

The orientation will start at 9:45 before the race begins at 10:00. Based on our past experience, the race should be done by 12:00; however, the number of teams participating in the race will affect the length of the race.
