Fifth Grade

Hello and Welcome to Fifth Grade!

Welcome to a wonderful and fun filled Learning School Year in my class. I am proud to say that I am a graduate of Austin High School.

I graduated from the University of Houston UC in 1993. I have taught at Franklin Elementary and Davila Elementary.

I love to teach reading, in small groups and use of differentiation. I am looking forward to us working together as a team and having a very successful school year.
