

We want YOU!

[Apply for the Holland MS Student Tech Team!](#)

Student Commitment

The Student Tech Team members are the front line of tech support for both the students and teachers of Holland Middle School. They are committed for one semester or the entire school year and will reapply each semester/year.

General Responsibilities

- Basic technical assistance for staff and students
- Log-on and email issues
- Troubleshooting apps
- New software testing
- Help distributing “Day User” and “Loaner” Chromebooks
- Promote “See something? Say something!”
- Actively promote a no-cyberbullying environment
- Basic Hardware Maintenance (fix keyboards, Chromebook cleaning/disinfection, etc.)

Criteria for Candidate Selection

- Student answers to the application questions
- Grades, Conduct and Attendance
- Teacher nomination or recommendations (7th/8th grade students)

Selection Process

Once you apply, the Student Tech Team selection will:

1. Collect and review all **student applications**
2. Review all **criteria for candidates**
3. Schedule/conduct interviews (*optional*)
4. Approve or deny applicants
5. Send acceptance letters
