Comprehensive Needs Assessment

Demographics

Demographics Summary

John E. Codwell is a Fine Arts and Physical Development Magnet School. The school opened in 1978 drawing students from the Frost and Rhoads Elementary neighborhoods. In addition to core courses such as reading, math science and social studies, Codwell provides instruction in violin, band, dance, theater arts and physical education. The faculty consists of a principal, 2 teacher specialists, magnet coordinator, counselor, reading interventionist, 20 core instructors, 1 resource instructor, 2 SLC instructors, 4 core enrichment instructors and 4 teacher assistants. PreK – 1st classes are self-contained while 2nd – 5th grade classes are departmentalized by content areas with one self-contained class on each grade level. Serving 334 students, enrollment by ethnicity includes 87% African-American; 10 % Hispanic/Latino; 2% White and multiracial. Current program enrollment is 4% LEP, 11% Special Education, 88% Economically Disadvantaged and 2% Gifted and Talented. In 2022, 43% of students scored in Approaches, 19% in Meets, and 7% in Masters in Reading; 31 % in Approaches, 7% in Meets, and 1% in Masters in Math; 42% in Approaches, 19% in Meets, and 0% in Masters in Science on the STAAR Assessment.

Asian	2	0%
Multi Race	2	1%
Other	0	1%

Demographics Strengths

We have a tradition of families that have attended Codwell for generations and played an active role in the community. We have a wide variety of teachers and support staff that are alumni from Codwell. This is a great legacy for us as faculty and support staff return to Codwell and serve the community. We have a dedicated and loving group of educators that go above and beyond of our scholars.

Problems of Practice Identifying Demographics Needs

Problem of Practice 1 (Prioritized): For building the whole child, parents must be an integral part of their student's education by becoming aware of how they can assist their children at home. Building strong parental involvement is key at Codwell Elementary and providing a wide array of opportunities for parents to be part of the school community.

Root Cause: Parents at Codwell Elementary do not know how they can be true partners in their child's education.

Student Learning

Student Learning Summary

Student Learning Summary In the TEA report card 2021-2022: Codwell Elementary earned a B rating

It is the school's expectation that every student is provided the opportunity to maximize their potential in order to successfully participate and compete as a member of our global society. The instructional staff is committed to delivering rigorous teaching that will in turn impact improved student learning and achievement.

In Domain 1 student Achievement shows 59%. Based on data from Domain 1 it continues to be a campus focus as we have shown consistent growth of students over the past two years. We have closed gaps in order to achieve Domain 1. If we meet our goals in Domain 1 we will meet our Domain 3 indicators as well as Domain 2 part A & B.

In reference to Domain 2a. Codwell achieved a scaled score of 93% where we made great growth gains. Codwell achieved a school progress scaled score of 89. This means we grew a large number of our students. While we grow students we also increased our Domain 3 scores by subpops and achieved closing gaps more for these groups receiving a distinction is domain 3 Comparative Academic Growth. As we grow students in Domain 2 we also increase our scores in all performance levels of Domain 1.

READING

The results of the 2020-2021 STAAR Reading test indicates that:

3rd grade: 40 students tested with 60% approaches 30% meets 12% Master

4th grade: 53 students tested with 62% approaches 40% meets 25% Masters

5th grade: 56 students tested with 64% approaches 36% meets 12% Masters

The root causes of the results are a direct result of virtual instruction limitations due to the Covid 19 pandemic. Teachers also struggled to provide both virtual and face to face instruction, and necessary instructional interventions during the school day were inconsistent.

Math:

The results of the 2021-2022 STAAR Math test indicates that:

3rd grade: 40 students tested with 40% approaches 15% meets 0% Master

4th grade: 53 students tested with 60% approaches 23% meets 0% Masters

5th grade: 56 students tested with 70% approaches 25% meets 7% Masters

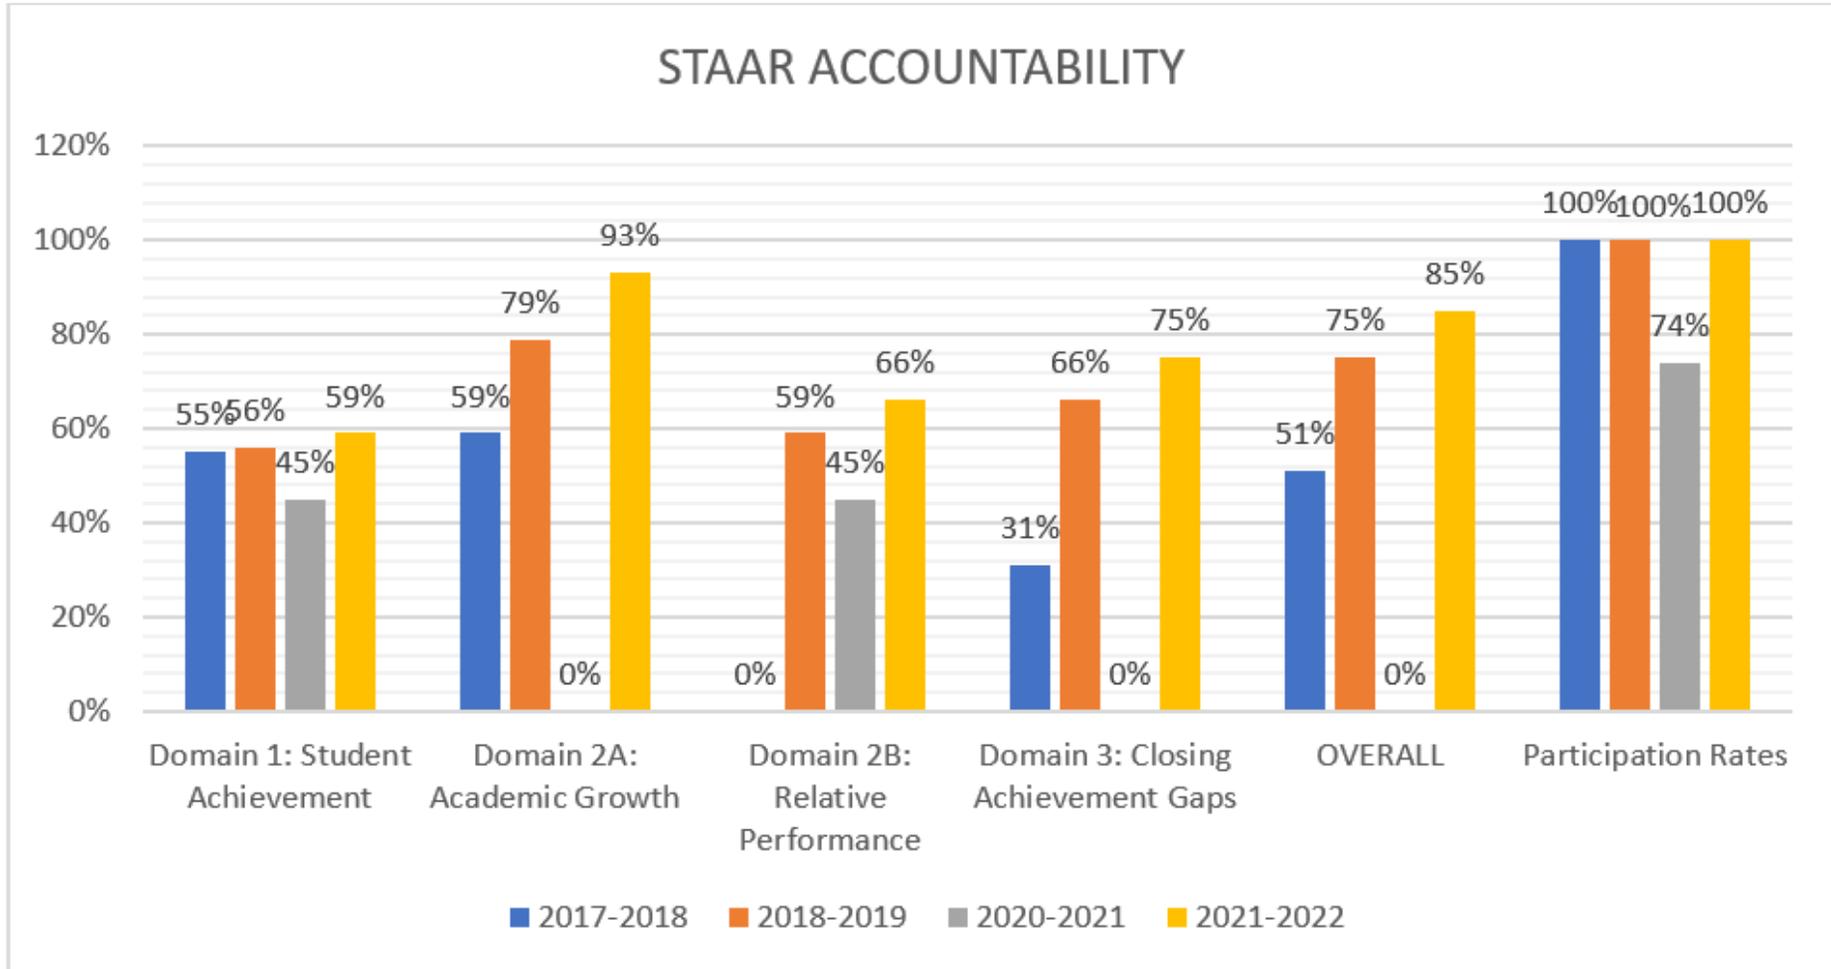

SCIENCE:

5th grade:

56 students tested with 55% approaches 23%meets 4%Masters

The campus leadership team will define and assign the specific roles that are necessary for grade-levels to increase teacher capacity, that will lead to the delivery of optimal instruction, which will in turn increase student performance. In addition, data reflects a high participation rate of students were tested during STAAR, however a significant amount of students did not pass in each test reading, math, writing and sciences. Based on the data Codwell Elementary must focus attention on tier 1 instruction and small group interventions in order to close the learning gaps for our students.

Problems of Practice Identifying Student Learning Needs

Problem of Practice 1: Servicing special populations (ELL Sped, staffing) **Root Cause:** Further training is needed in how to implement shelter instruction in the classroom.

School Processes & Programs

School Processes & Programs Summary

School Processes & Programs Summary School Processes & Programs Summary:

Codwell Elementary consists of grade levels PK-5th grade. Our campus programming includes Gifted and talented, ESL, SLC, and SLC TREK programming. Codwell will adhere to district curriculum and best practices such as literacy by 3, 5E model, guided math, and sheltered instruction.

In addition we are a title 1 campus which is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and state academic assessments.

Our Codwell Big 3 instructional focus areas are Critical Thinking, Productive Struggle and Differentiated supports aim to developed a well-rounded scholar that is ready to embrace the 21 st century challenges as a caring, critical thinker.

We set high academic and behavior expectations throughout our programs. Codwell Elementary prides ourselves in our Fine Arts and Physical Development magnet programs where we offer Violin, Athletics, Dance and Band.

Leader In Me-is a school based social and emotional learning program that fosters communication, connection, and community both in and outside the classroom by intergrating the 7 Habits of Highly Effective People into every aspect of our school culture.

How are students at risk given the opportunity to meet challenging state academic standards with a well rounded program? Students at risk are identified at the beginning of the year using data from the previous year and boy assessments.

The academic and behavior data help us to pin point those scholars that need Tier 2 and Tier 3 interventions in the instructional/ behavior fronts. Scholars are then monitored during the year and get an opportunity to review their academic and behavior goals for the year with teachers, teacher specialist, and Principal.

Codwell has embedded a school-wide 45 minutes morning intervin block to support students by receiving pull outs and small group instruction based on student deficits to close their learning gaps. Scholars are also referred to the counseling team when needed. At Codwell, we believe that by building meaningful relationships with our scholars we can help them to heal from any previous traumatic experience that may get in the way of instruction.

How Codwell supports instructional leaders? -PLC's are going to provide an opportunity for faculty to lead PD and share good practices with the rest of the team. -District professional development and campus professional development -Region 4, out of district training, internal PD, One Source. Encouraging Career pathways in house -District personnel supporting Instructional development.

Campus-based mentors and CIC program.

Codwell Leaders responsibilities are clear and openly discussed with School principal, teacher specialist, and magnet coordiantor during one to one meetings at the beginning of the year and during different points in the year. New teachers to the campus are provided a mentor/buddy. The mentors support teachers throughout the year to help teachers become acclimated with the campus and expectations.

Our Vision: John E. Codwell scholars will exit our doors above grade level to be academically successful in middle school and beyond.

Our Mission: Within a college bound culture, John E. Codwell School of Fine Arts and Physical Development inspires, requires and delivers academic success to all students.

Our Values: High Academic Expectations, High Behavioral Expectations

School staff are powerful users of technology. Technology expands available resources by providing unique learning opportunities for creative, relevant, and powerful learning. Our Goal: is to improve student learning through the use of technology by providing: 1. access to information for all Codwell students, staff and families 2. provide personalized learning opportunities 3. timely feedback on assessments to monitor and summarize learning

Priority Areas & Impact on Student Learning: 1. Student Computing Devices 1. Increase access to devices to meet learning needs. 2. Create opportunities to access information through web-based resources. 3. Provide opportunities to create and collaborate on assignments and presentations.

School Processes & Programs Strengths

What processes and programs continue to shine, in spite of the COVID disruption?

Process and programs that continue to shine in spite of the COVID disruption are:

- 1) School Communication via Class Dojo and the Codwell Chronicle
- 2) Magnet Program (Black history Program, Winter Program, End of Year Celebration)
- 3) Faculty Communication via the Codwell Caller

Problems of Practice Identifying School Processes & Programs Needs

Problem of Practice 1: Low participation and the Lack of parent and teacher organizations PTO/PTA **Root Cause:** Lack of parental involvement and participation

Perceptions

Perceptions Summary

Here at Codwell Elementary the SDMC is responsible for reviewing and analyzing campus data, evaluating current strategies and updating the School Improvement plan (SIP) as necessary. The committee consists of parents, teachers, non-instructional staff, and community partners. Improvement efforts will focus on increased parental involvement (depending on Covid rates and standards as stated by the district). Safety first is Codwell's priority, with this said if virtual parental involvement is necessary, efforts will be made to document participation and survey participants to assist with improvement of programming.

Our SDMC meetings, creates a engaging space for our business partners, philanthropic organizations and individuals to have a saying in the school decisions. They happen four times a year. Level of support from our community to Codwell: The Codwell SDMC includes parents, teachers, and community members as outlined by TEA. The SDMC operates throughout the year in an advisory capacity in addition to the work during the comprehensive needs assessment process. The ongoing work includes discussion of culture and climate issues regarding expectations and values as well as safe and disciplined environment that is conducive to teaching and learning.

Data was gathered from parents, staff, parents who have had children previously attend Codwell elementary, and FACE parent survey 2020-2021 school year to determine strengths and needs in the overall climate and family/community involvement of Codwell Elementary. Families indicated one strength is Codwell is a family friendly school who believes in focusing on whole child.

How is conflict resolved? We practice Leader In Me and utilize Leader In Me kits for our SEL at Codwell. Scholars participate every week in discussions with themes that matter to them.

When a conflict occurs a mediation and a circle takes place between the scholars and the counseling team. We strongly believe in the Leader In Me practices vs punitive practices. We also practice circles among faculty and staff when issues arise. We strongly believe in creating a safe space for everyone to be vulnerable and come together to find a win win solution.

Staff turnover and how it compares with previous year? Codwell Elementary has experienced a higher turnover of staff and faculty in comparison from last year.

Staff mentoring: All new teachers at Codwell Elementary are assigned a mentor that meets with the new teachers on a weekly basis. In addition, there is a mentor-ship and coaching between appraisers and staff.

Parent/ Guardian/ Community participation rates: During all our meeting with parents, parents are invited to fill in an attendance form to keep track of participation and involvement.

How is conflict resolved? We practice Leader In Me discipline system at Codwell Elementary. In addition scholars participate every week in discussions to discuss affairs and themes that matter to them. When a conflict occurs a mediation and a circle takes place between the scholars and the Principal or between the scholar and the counseling team. We strongly believe in Leader In Me practices vs punitive practices. We also practice mission minded conversations among faculty and staff when issues arise. We strongly believe in creating a safe space for everyone to be vulnerable and come together to find a win win solution.

School culture and climate: School perceptions have been positive overall and parents and community seems to be happy with the culture and climate developed at Codwell Elementary. Barriers that prevent participation by parents/ guardians: During the previous school year, parents/ guardians were not allowed to be in the building due to CDC and district guidelines. In addition, parents work different schedules and that becomes a barrier to come and attend school meetings of belonging. Many of our teachers are veterans and have been teaching in the Codwell community for many years and have roots in the South Side community. Teachers work together and this new school year will focus on closing

student gaps.

Perceptions Strengths

Codwell Elementary has a sense of belonging and have roots in the South Side community. Teachers work together and this new school year with the implementation of:

- Book Fairs
- Fall Festival
- Coffee with the Principal
- Codwell Elementary programs (Hispanic Heritage, Winter, Black History)
- Codwell Elementary GT Expos
- Codwell Elementary Monthly(theme writings)
- Community Partnerships (Fresh Veggies)
- After school tutorials & Clubs
- Direct instruction for students
- Small group instruction
- Formative and Summative Assessments (Snapshots, DLA, Circle, ELD, STAAR, TELPAS)

Problems of Practice Identifying Perceptions Needs

Problem of Practice 1: For building the whole child, parents must be an integral part of their student's education by becoming aware of how they can assist their children at home. Building strong parental involvement is key at Codwell Elementary and providing a wide array of opportunities for parents to be part of the school community. **Root Cause:** Parents at Codwell Elementary do not know how they can be true partners in their child's education.

Priority Problems of Practice

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- HB3 Reading and math goals for PreK-3

Accountability Data

- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain

Student Data: Assessments

- STAAR current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Running Records results

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Special education/non-special education population including discipline, progress and participation data
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Discipline records
- Enrollment trends

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- Campus leadership data

Parent/Community Data

- Parent surveys and/or other feedback

- Parent engagement rate

Support Systems and Other Data

- Budgets/entitlements and expenditures data

Board Goals

Board Goal 1: The percentage of 3rd-grade students performing at or above grade level in reading as measured by the Meets Grade Level Standard on STAAR will increase.

Goal 1: By June 2023, 70% of all students in grades 3-5 will accomplish "approaches" academic standard on the STAAR reading and writing assessments; 25% will accomplish "meets", and 20 % will accomplish "masters" academic standard on the STAAR reading assessments.

Strategic Priorities:

Expanding Educational Opportunities

Measurable Objective 1: through implementation of the Amplify RLA curriculum we will develop a literacy routines and protocols that increases the instructional capacity of reading teachers. As a result, 80% of all students will perform at or above reading grade-level expectations.

Evaluation Data Sources: : Imagine Reading, I-Ready, Dibbels, Amplify RLA Assessments Renaissance 360, Lead4Ward field guides, side by sides, planning guides, scope & sequence, frequency distribution

Strategy 1 Details	Reviews			
<p>Strategy 1: Create and execute effective PLCs, learning labs, and PD with RLA admin, Career Pathway Instructional Specialist, (focused on literacy best practices developed by on-campus cohort and external experts).</p> <p>Strategy's Expected Result/Impact: 70% of students will perform at or above reading grade-level objectives</p> <p>Staff Responsible for Monitoring: Admin Team, Reading Interventionist, RLA Teachers, Ancillary Support, DDIS, Career Pathways-Literacy Specialist</p> <p>Action Steps: *Define and assign leadership roles, *Identify literacy resources and framework, aligned with objectives to meet the stated goal * Interpret data and plan At-Bats to target struggling standards * Coach & model best practices in the moment and/or during PLCs"</p>	Formative			Summative
	Nov	Jan	Mar	June
				
<p style="text-align: center;">  No Progress  Accomplished  Continue/Modify  Discontinue </p>				

Measurable Objective 2: Student data is routinely monitored and tracked to inform instruction. Teachers can articulate data trends and students can identify and share goals and progress on overall objectives. Student data trackers, data wall, and teacher data electronic or data binder are available and evident

Evaluation Data Sources: Monitoring data binders, action plans, and student portfolios and formative assessment results.

Strategy 1 Details	Reviews			
<p>Strategy 1: Develop and utilize data trackers to inform instruction on literacy trends by standards progress TEKS</p> <p>Strategy's Expected Result/Impact: Teachers can articulate data trends and students can identify and share goals and progress on overall objectives.</p> <p>Staff Responsible for Monitoring: Admin Team, RLA Teachers, Reading Interventionist, Ancillary Support, DDIS, Career Pathways-Literacy Specialist</p> <p>Action Steps: *Facilitate monthly PLC meets focused on data-informed instruction *Train teachers on the usefulness and implementation of using student data trackers. *Monitor the overall input and progress shown in data trackers</p>	Formative			Summative
	Nov	Jan	Mar	June
				
<div style="display: flex; justify-content: space-around; align-items: center;">  No Progress  Accomplished  Continue/Modify  Discontinue </div>				

Measurable Objective 3: Effective implementation of RLA interventions and enrichment's targeted to meet students' needs. As a result, 100% of students will move up by one tier (based on Renaissance 360 data) or one reading level based on benchmark running record data by the end of the school year.

Evaluation Data Sources: Imagine Reading, Dibbels, Amplify RLA, I-ready , Reading Mastery, Corrective Reading, Renaissance 360, Small Group pullouts, Lead4Ward field guides, side-by sides, planning guides, scope & sequence, frequency distribution, progress monitoring, and benchmark running records.

Board Goal 5: N/A - Additional Campus Goals

Goal 1: ATTENDANCE: By the end of the 2022-2023 school year, the daily attendance rate will increase from 94.64% to 98%

Strategic Priorities:

Ensuring Student Health, Safety and Well-Being

Measurable Objective 1: Increase daily attendance rate by 2%.

Evaluation Data Sources: Campus and district data reports

Strategy 1 Details	Reviews			
<p>Strategy 1: Promote and reward excellent attendance, Create awareness about attendance, Encourage students to arrive to school prior to 9:30 ADA time, Post (100%) Attendance sign on the door</p> <p>Staff Responsible for Monitoring: Principal, PEIMS, Clerk, Attendance Committee, Wrap Around Specialists, Teachers, School Counselor</p> <p>Action Steps: Attendance will be taken daily by 9:30 AM daily by the classroom teacher. Teacher will then make phone calls to students who were marked absent during teacher planning period and document on the attendance tracker located in TEAMS. Teachers will also keep a phone log in their data binder documenting those calls. Teachers will then bring their attendance concerns to PD weekly.</p> <p>The attendance Task Force will then follow up with parents who could not be reached by the classroom teacher. The Attendance Task Force, administrators, and lea leadership team will monitor the attendance tracker located in Teams.</p> <p>Codwell ES will participate in a school wide attendance incentive program rewarding scholars for perfect attendance every 9 weeks.</p> <p>Morning announcements is a time to remind everyone of the importance of attendance.</p>	Formative			Summative

 No Progress  Accomplished  Continue/Modify  Discontinue				

Board Goal 5: N/A - Additional Campus Goals

Goal 9: OTHER UNMET SMART Goal: 70% of students in Grade 5th Grade will meet grade level expectations in Science as indicated on the HISD EOY Science Assessment and STAAR.

Strategic Priorities:

Expanding Educational Opportunities

Measurable Objective 1: 100% of science teachers in grade PK-5 will implement tightly aligned lesson using the 5E model

Evaluation Data Sources: Classroom observations, lesson plan review, district benchmark assessments, student work products

Strategy 1 Details	Reviews			
<p>Strategy 1: Classroom observations, lesson plan review, district benchmark assessments, student work products</p> <p>Strategy's Expected Result/Impact: Classroom observations, lesson plan review, district benchmark assessments, student work products</p> <p>Staff Responsible for Monitoring: Administration Team, Teachers, TDS, Special Education Teachers and Chair</p> <p>Action Steps: PLCS will utilize the At Bats Protocol as well as demo lessons from Mr. Tee to ensure 5E model and alignment of labs to standards for all science classes. Data will be reviewed post assessments to form work stations/reteach opportunities for students not mastering TEKS.</p>	Formative			Summative
	Nov	Jan	Mar	June
				
 No Progress  Accomplished  Continue/Modify  Discontinue				

Measurable Objective 2: 80% of 5th grade students will reach grade level expectations as measured by STAAR

Evaluation Data Sources: Classroom observations, lesson plan review, district benchmark assessments, student work products

Strategy 1 Details	Reviews			
<p>Strategy 1: Weekly PLC meeting featuring instructional tools and At Bats, monthly Learning Labs led by the 5th grade science teacher to vertically plan lessons, Science Night, Science Fair, and planning sessions with TDS/Admin, virtual field lesson and experiences to increase science background knowledge/vocabulary</p> <p>Strategy's Expected Result/Impact: Weekly PLC meeting featuring instructional tools and At Bats, monthly Learning Labs led by the 5th grade science teacher to vertically plan lessons, Science Night, Science Fair, and planning sessions with TDS/Admin, virtual field lesson and experiences to increase science background knowledge/vocabulary</p> <p>Staff Responsible for Monitoring: Administration Team, Teachers, TDS, Special Education Teachers and Chair</p> <p>Action Steps: : All 3rd-5th graders will be assessed and data will be used to craft action plans to ensure mastery of grade level TEKS. Demo labs, Science Fair, STEM Night and monthly science projects will allow multiple opportunities for students to show mastery through authentic work products aligning to unit concepts. EOY assessments will be used to gauge effectiveness of instructional program and guide PD opportunities.</p>	Formative			Summative

State Compensatory

Budget for 123 Codwell Elementary School

Total SCE Funds: \$34,500.00

Total FTEs Funded by SCE: 1

Brief Description of SCE Services and/or Programs

We are leveraging State Compensatory Funds to provide after school tutorials and interventions for Tier II and Tier III scholars. We also plan to use the fund to hire interventions/tutors to aid with closing achievement gaps.

Personnel for 123 Codwell Elementary School

<u>Name</u>	<u>Position</u>	<u>FTE</u>
Nelson, Mary C	Tchr, Third Grade	1

Title I

1. Comprehensive Needs Assessment (CNA)

1.1: Comprehensive Needs Assessment

All schools develop comprehensive needs assessments as part of the planning and decision-making process. Title I schools have additional responsibilities to ensure that the plans and decisions regarding the use of federal dollars align with program requirements and the needs of students. The comprehensive needs assessment (CNA) at this campus was developed by wrap around specialists, administration, teacher, SDMC, and other staff.

Literacy-Research indicates providing a solid foundation in early literacy skills is vital for success in future learning. Therefore, during the 2022-2023 school year, teachers will focus on implementing effective daily instructional strategies in implementing the Amplify RLA Curriculum in Grades K-5 which focus on phonemic awareness, word study, tiered guided reading instruction, small group instruction.

Math- During 2022-2023 school year, teachers will continue to focus on guided math strategies, such as developing number fluency, number operations, and more. 100% of teachers will be trained on vontoure strategies to share best practices to close math gaps.

Codwell has Partnered with Head Start Gulf Coast and is a part of HISD PK-Expansion.

2. Campus Improvement Plan

2.1: Campus Improvement Plan developed with appropriate stakeholders

The SIP is developed with the involvement of parents and other members of the community to be served and individuals who will carry out the plan, including teachers, principals, other school leaders, paraprofessionals present in the school, and other stakeholders. Stakeholders were involved with the development of this plan in the following ways: reviewing data, review teaching strategies, and reviewing Codwell budget.

Schoolwide reform strategies that will provide opportunities for all students who are at risk of not meeting the challenging state academic standards to meet the advanced and proficient levels of student achievement. Strategies are based on evidence based reasearch to increase achievement for each sub group on state tests.

1. Structure and monitor weekly plc's to ensure effective planning of rigorous lessons, data analysis, and action planning.
2. Implementation of lesson plan feedback by leadership team.
3. Implementation of district and campus based assessments to monitor and track student performance and progress.
4. Implement effectively Rocket power hour for effective intervention program during the school day that closes student academic achievement gaps
5. Support teachers through weekly coaching development and weekly modeling with best practices outline by district planning guides.

2.2: Regular monitoring and revision

Regular monitoring of the strategies funded through Title I occur in addition to the formative reviews required by this improvement plan. At our campus, regular monitoring of the implementation of strategies and students' progress includes:

- Leadership Team weekly calibration walks
- PLC Meetings
- Data presentations after each assessment
- Regular PLC's to monitor and review data
- Campus progress monitoring
- Regular and classroom walkthrough and observations to monitor whole and small group instruction.
- Regular and consistent walkthrough and observations to monitor workstation implementation
- Regular and consistent participation in AT Bats to model and demonstrate best practices in instruction.

2.3: Available to parents and community in an understandable format and language

The SIP is available to parents in the following locations:
Codwell Elementary website

The SIP was made available to parents by:
website
SDMC meeting

We provide the SIP to parents in the following languages:
English
Spanish

2.4: Opportunities for all children to meet State standards

Opportunities for all students to meet the TEKS include these schoolwide reform strategies:
First Tier Instruction whole group lesson
facilitating instruction in a gradual release format
Administration of assessments (BOY, MOY, EOY)
Differentiated instruction through workstations for student independent practice.
Students utilizing technology in all classrooms
Hold all students to high expectations
Rocket intervention power hour
After school tutorials

Saturday tutorials
District Learning Camps

2.5: Increased learning time and well-rounded education

Ways that we increase learning time and a well-rounded education for our students include:
Codwell Intervention Hour
Strong first tier instruction

2.6: Address needs of all students, particularly at-risk

An important campus focus is on schoolwide reform strategies that provide opportunities for all students, particularly those students who are at risk of not meeting the challenging State academic standards at advanced and proficient levels of student achievement. The strategies provided are based on evidence-based research to increase achievement for each student group on state tests and other assessments. Examples include the following:

- Building teacher capacity in their content areas and instructional areas:
- Proficient Tier 1 explicit instruction taking place in all content areas:
- Bi-weekly AT BATs:
- Small Group Instruction based on student data needs:

- The following individuals, including roles (parents, teachers, admin, etc.) assisted with the development of the Parent and Family Engagement Policy:
 - Parent
 - Teachers
 - Wrap Around Specialists
 - Non-Instructional Staff
- - The PFE was distributed
 - campus website
 - Hard copy distributed to individual families
 - Title one Bin
 - copy in conference
- - The languages in which the PFE was distributed include
 - English
 - Spanish

3. Annual Evaluation

3.1: Annually evaluate the schoolwide plan

The campus provided four Title I Parent Meetings and each meeting had an alternate time/date to accommodate parents' schedules. The meeting dates are listed below:

- Meeting #1 - 9/1/2022 Parent Meeting
- Meeting #1 Alternate -
- Meeting #2 - 10/22/22
- Meeting #2 Alternate -

- Meeting #3 - 12/10/22
- Meeting #3 Alternate -
- Meeting #4 - 2/12/22
- Meeting #4 Alternate -

4. Parent and Family Engagement (PFE)

4.1: Develop and distribute Parent and Family Engagement Policy

The Engagement opportunities for parents are available to parents in the following locations:
Codwell Elementary website

HISD VIPS

PTO

The SIP was made available to parents by:
website
SDMC meeting

We provide the SIP to parents in the following languages:
English
Spanish

4.2: Offer flexible number of parent involvement meetings

The campus provided four Title I Parent Meetings and each meeting had an alternate time/date to accommodate parents' schedules. The meeting dates are listed below:

- Meeting #1 - 9/1/2022 Parent Meeting
- Meeting #1 Alternate -
- Meeting #2 - 10/22/22
- Meeting #2 Alternate -
- Meeting #3 - 12/10/22
- Meeting #3 Alternate -
- Meeting #4 - 2/12/22
- Meeting #4 Alternate -

5. Targeted Assistance Schools Only

Title I Personnel

<u>Name</u>	<u>Position</u>	<u>Program</u>	<u>FTE</u>
Bre'anna Winzer	Kindergarten Teacher	Title 1	100%
Ebony Franklin	Magnet Coordinator	Title	100%
