You may apply for a 2021–2022 seat in an HISD PK program by going online (<u>HISDChoice.com</u>) or by completing this paper application. We strongly recommend completing the application process online as you will be able to track the status and results of all applications. An application takes about 5 to 10 minutes to complete.

For more information about Magnet and Program Choice programs and other school choice options in HISD, visit the website at <a href="http://choosehisd.com">http://choosehisd.com</a>. **Deadline for:** 

Phase 1 (first round) Magnet and Program Choice applications and to make changes to Phase 1 rankings. All *qualified* Phase 1 applications from HISD residents and HISD employees (whether or not they are HISD residents) will be entered in lotteries or auditions. Proof of HISD employment is required if the parents resides Out of District and is applying in Phase 1 or 2. Per District Policy, employees must currently contribute to the Texas Teacher Retirement System (TRS) to qualify as an in-district applicant. To make changes to Phase 1 rankings, either make changes online or complete a newapplication.

## **Notification Date:**

On May 20, 2021, before midnight, the official Phase 1 notification of a students' lottery outcome will be viewable within the online application system's parent dashboard and an email notification of the Phase 1 lottery outcome will be sent to the parent's email address. In addition, one PK application status letter is sent via U.S. Mail to the parents of all Phase 1 applicants that submitted a paper application. Phase 1 applicants that are offered a seat on May 20, 2021, will need to respond to the offer and make arrangements within two weeks of the notification date to provide documents to the school that has offered

the seat: such as recent proof of residency, signed Magnet entrance agreement (provided at the school for Magnet programs), and schedule a language proficiency exam if qualifying for PK due to the language criteria. Additionally, please be aware that inclusion in a Pre-K program is contingent upon completion of the campus's enrollment process, within the timelines established by the campus. Moreover, the PreK enrollment transfer type requires principal approval and that this decision is made at the campus level. Students will remain on the waitlist of all programs which parents ranked higher than the highest program to which a seat is offered.

## Additional Information on Applications for the 2021-2022 School Year

- 2. You are required to rank your choices of programs to streamline the application process for all students.
- 3. If you wish to change the order of your rankings after you have submitted your initial application, you must submit an additional updated application to the Office of School Choice. The deadline for changing Pre-K rankings is April 30, 2021.
- 4. Any programs ranked below the highest program at which you are offered a seat are automatically dropped after the lottery is ran.
- 5. Applications for students who live outside the HISD boundaries may be submitted any time after **September 19, 2020** but they will not be considered until Phase 3. They will be considered at that point based on the order they were submitted.
