

LOBOS LEAD THE WAY

The latest news and updates from Chávez High School

FROM PRINCIPAL LANDA

Greetings Lobos,
Thank you for very much for your hard work and commitment. Each of you contribute to our success and are much appreciated. Let us continue to be UNITED in all we do and overcome all our challenges one step at a time. There are so many wonderful things going on at Chavez at any given time. I would like to acknowledge a few. Please give the following individuals a SHOUT OUT and thank them for their SERVICE:

- Thank you **Dr. Afroz** and **Ms. Coleman** for putting together the inaugural IB TOK Exhibition!! Our students did a fabulous job with their presentations!!
- Thank you to **All Our Staff Members** who helped out with our recent Students Within Reach Walk. We did 91 home visits, made 54 contacts, and found about a dozen students in other schools. **Mr. Lucas'** team even brought in a student one credit away from graduation to enroll.
- Thank you **Ms. Crump**, **Mr. Bensch**, **Ms. Borden**, and **Ms. Torres** for supporting all our tech needs!! We appreciate you everyday. **Happy National IT Recognition Day.**

As we close out the six weeks, let us keep a few things in mind:

- Please make sure students are receiving two grades per week and that both parents and students are aware of any academic concerns.
- Please also continue to follow up with calling home for student absences and let your administrator know if you see students out frequently.

Have a wonderful week.
Luis R. Landa, Ed.D.

IN THE SPOTLIGHT

Teacher and Staff Members of the Month!!

Please join me in congratulating our Teacher of the Month, **Ms. Alexis Gage!!**

"Ms. Gage is a 2nd year teacher and has taken on being the Biology lead. She assists in coaching softball. She is ensuring that STAAR bio interventions are underway and is an overall go getter."

- Vi Tran (9th Grade Assistant Principal)

Alexis Gage

Please join me in congratulating our Staff Member of the Month, **Ms. Sonia Cuaia!!**

"Originally she was supposed to be the ESL coordinator full-time, but returned to the classroom because we needed support. From day one she's been working to ensure we complete our testing for our current English learners. She's been working diligently despite the challenges and is always supportive, flexible and a team player."

-Claudia Castillo (Dean of Instruction)

Sonia Cutaia
