

Meet The Teacher

Welcome

I am excited to have an amazing 2023-2024 school year with you all!

About Me

I have been working in the Education field since my junior and senior years of high school. I have my Child Development Associate (CDA) in Preschool. I currently attend San Jacinto College to obtain my Associates of Arts in Teaching (EC-6). During my free time I enjoy spending time with my family and love to watch baseball.
