### HISD Roadmap to Success for Every Student Strategic Priorities for 2020-2021 and Beyond

## **Expanding Educational Opportunities**

Providing students with quality education requires offering innovative curriculum that challenges students' knowledge and cultivates their creativity. The commitment to administering dynamic learning opportunities is paramount to HISD.

### **Ensuring Student Health, Safety and Well-being**

While academics are at the heart and soul of our district, the importance of a student's health, safety, and well-being cannot be understated. Ensuring students have access to safe spaces, transportation, mental health support, and nutritious food must continue to be a priority of our district.

### **Transforming Academic Outreach**

As we transform the academic performance of our students, it is critical to do what is necessary to support their academic efforts. From special education to literacy, we must provide the essential support needed for success.

### **Increasing Organizational Efficiency**

The departments that support HISD play an integral part in ensuring we serve every student. Creating an efficient structure, streamlining efforts, and operating in a transparent manner will be a key to overall success.

## **Cultivating Team HISD Talent**

Human capital is one of our district's greatest assets. As we move toward increased academic achievement, we must attract dynamic teachers and cultivate the leaders among us.

### **Houston Independent School District Goals and Constraints**

### Current as of August 8, 2020 with New Goal 4

**Goal 1:** The percentage of students reading and writing at or above grade level as measured by the percent of students at the Meets Grade Level standard on STAAR for grade 3 through English II shall increase by three percentage points annually from 37% to 46% between spring 2017 and spring 2020.

### **Goal Progress Measure 1.1**

End of year reading data collected on the District-wide screener shall annually show a three-percentage point improvement in the percentage of students reading on grade level from 38% to 44% between spring 2018 and spring 2020. Results on the District-wide screener will be presented to the board after the beginning of the year, middle of the year, and end of the year testing windows.

### **Goal Progress Measure 1.2**

Grades 4 and 7 students shall be assessed in writing in the Fall and Spring; the percent of students meeting the grade-level standard shall increase at least three percentage points annually from 22% in spring 2018 to 28% in spring 2020. Results will be presented to the board after the fall and spring testing windows.

**Goal 2:** The percentage of graduates meeting the Global Graduate standards as measured by the College, and Career, Readiness component of the Texas accountability system shall increase three percentage points annually per year from the 2017 graduates' baseline of 52 percent up to 67 percent by 2022.

### **Goal Progress Measure 2.1**

The percentage of students completing (earning a 70 or better) a career and technical education (CTE) course shall be reported each semester. It shall show improvement of 2 percentage points annually from 63.0 percent in Spring 2017 to 69.0 percent in Spring 2020.

## **Goal Progress Measure 2.2**

The percentage of students completing (earning a 70 or better) an Advanced Placement (AP) or International Baccalaureate (IB) course shall be reported for each semester. It shall show an improvement of 1 percentage point annually from 39.1 percent in Spring 2017 to 42.1 percent in Spring 2020.

## **Goal Progress Measure 2.3**

The percentage of students completing (earning a 70 or better) a dual credit or dual enrollment course shall be reported for each semester and shall show a nimprovement of 1 percentage point annually from 10 percent in spring 2017 to 13 percent in spring 2020.

**Goal 3:** Among students who exhibit below satisfactory performance on state assessments, the percentage who demonstrate at least one year of academic growth, as measured by the STAAR Progress Measure, shall increase three percentage points annually in reading and math from 57 percent in spring 2017 to 66 percent in spring 2020.

### **Goal Progress Measure 3.1**

The percentage of students identified as needing intervention in reading on the district's screener who demonstrates growth from the beginning to end of year benchmarks shall increase three percentage points annually from 48% in spring 2018 to 57% in spring 2021. Results will be reported after each testing window.

### **Goal Progress Measure 3.2**

The percentage of students identified as needing intervention in math on the district's screener who demonstrates growth from the beginning to end of year benchmarks shall increase three percentage points annually from 58% in spring 2018 to 67% in spring 2021. Results will be reported after each testing window.

Goal 4: The reading and math performance gap between historically underserved and non-historically underserved student groups, as measured by the average of the percentage-point gaps between economically and non-economically disadvantaged student groups at the Meets Grade Level Standard on STAAR between 1) economically and non-economically disadvantaged student groups, 2) African-American and White student groups, 3) Hispanic and White student groups, 4) English Learners (ELs) and non-English Learners (non-Els), and 5) students receiving special education services and students not receiving special education services, shall annually show a one-percentage-point decrease from an average of 30.3 percentage points in spring 2018 to an average of 27.3 percentage points in spring 2021. Monitoring of student performance for all groups listed above, along with the specified gaps, will be provided to the board. All student groups should make progress; therefore, if this average gap decreases, the percentage of students at the Meets Grade Level Standard on STAAR for any of the student groups listed in this goal declines. This goal shall be considered not met.

### **Goal Progress Measure 4.1**

End of year data collected on the District-wide screener shall annually show a one-percentage-point decrease in the gap between economically and non-economically disadvantaged students performing at or above the benchmark (40th percentile) from 24% to 21% between spring 2018 and spring 2021. Results on the District-wide screener will be presented to the board after the beginning of the year, middle of the year, and end of the year testing windows.

## **Goal Progress Measure 4.2**

End of year data collected on the District-wide screener shall annually show a one-percentage-point decrease in the gap between English Learners (ELs) and Non-English Learners (Non-ELs) performing at or above the benchmark (40th percentile) from 11% to 8% between spring 2018 and spring 2021. Results on the District-wide screener will be presented to the board after the beginning of the year, middle of the year, and end of the year testing windows.

# **Goal Progress Measure 4.3**

End of year data collected on the District-wide screener shall annually show a one-percentage-point decrease in the gap between students receiving special education services and students not receiving special education services performing at or above the benchmark (40th percentile) from 37% to 34% between spring 2018 and spring 2021. Results on the District-wide screener will be presented to the board after the beginning of the year, middle of the year, and end of the year testing windows.

Constraint 1: The Superintendent shall not permit the District to operate without a community school and feeder pattern framework, including a definition, processes, and goals.

### Constraint Progress Measure 1.1

The District shall launch cohort one of Every Community, Every School with a minimum of 15 schools (5 percent) by the end of the 2017–18 school year and shall increase annually until all schools (100 percent) are served in 2022.

### Constraint Progress Measure 1.2

The District shall develop tools for campuses to conduct a needs assessment, to access to a provider database, a data tracker, and professional development in 2017–18 and shall increase usage annually from 0 percent in Fall 2017 to 100 percent of campuses access the tools and training by 2022.

Constraint 2: The Superintendent shall not require teachers to administer more than two District-created assessments per semester.

#### Constraint Progress Measure 2.1

The number of District-required, District-created assessments shall not increase from one per semester in fall 2017 to more than two per semester in spring 2020.

### Constraint 3: The Superintendent shall not allow struggling schools to operate without highly qualified leaders and teachers in core subjects. \*

\*Struggling schools include Improvement Required (IR) schools, formerly IR schools, and schools receiving an overall accountability scale score of 65 or less. Teacher qualifications should consider certification and experience.

## Constraint Progress Measure 3.1

The percentage of campus administrators at struggling schools rated as effective or above shall increase by two percentage points annually from 65 percent in 2017 to 73 percent by 2020.

## Constraint Progress Measure 3.2

The percentage of first-year teachers at struggling schools shall decrease by two percentage points annually from 10 percent in 2017 to four percent by 2020.

## Constraint Progress Measure 3.3

The percentage of teaching positions at struggling schools held by teachers certified in their assigned subject areas and grade levels shall increase each semester from 99 percent in 2017 until 100 percent is reached.

### **District Overview**

The Houston Independent School District, with more than 195,941 students and encompassing 333 square miles within greater Houston, is the seventh-largest public-school system in the nation and the largest in Texas. There are 280 campuses in the district. Six area superintendents oversee HISD elementary, middle, high, and alternative schools (respectively). Approximately 28 school-support officers and 26 lead principals report to the six area superintendents. These individuals provide leadership to principals, align resources and support for teachers, and ensure that the district provides equitable and quality educational opportunities to students. HISD's organization is designed to emphasize teaching and learning, align school goals and programs for sustained improvement, eliminate duplicated services, and provide greater oversight of data and compliance with state laws and regulations.

### **State Accountability Data Needs Assessment**

### Texas Education Agency Preliminary Accountability Ratings Report 2019

The 2019 accountability system uses a performance framework that consists of three domains.

#### Domain 1 – Student Achievement

Evaluates performance across all subjects for all students, on both general and alternate assessments, College, Career, and Military Readiness (CCMR) indicators, and graduation rates.

### Domain 2 – School Progress

Measures district and campus outcomes in two areas: the number of students that grew at least one year academically (or are on track) as measured by STAAR results and the achievement of all students relative to districts or campuses with similar economically disadvantaged percentages.

## Domain 3 – Closing the Gaps

Uses disaggregated data to demonstrate differentials among racial/ethnic groups, socioeconomic backgrounds, and other factors. The indicators included in this domain, as well as the domain construction, align the state accountability system with the federal Every Student Succeeds Act (ESSA).

Raw scores in each domain are converted to a consistent scale and weighted to give campuses and districts an overall rating. To receive a rating at or above a *D*, districts and campuses must have an overall rating calculation of at least 60 with 70% of the overall calculation coming from the better outcome of the Student Achievement and School Progress domains and 30% of the calculation coming from the Closing the Gaps domain. In addition, if a campus or district receives less than a scaled score of 60 in three of the four areas (Domain 1, 2A, 2B, or 3), then the highest overall scaled score possible is 59. The domain and overall 2018–2019 ratings are based on the scaled score targets presented below.

2019 Scaled Score Targets								
Overall Score 90 – 100 80 – 89	Overall Rating A B							
70 – 79 60 – 69	C D							
0 – 59	F							

Campuses received an A–F letter grade for the first time in the 2018–2019 school year. In prior school years, campuses were either labeled *Met* Standard or *Improvement Required*.

Houston ISD received a grade of B based on an overall score of 88 for the 2018–2019 school year. The district received the scaled scores and corresponding letter grade for the three domains as follows:

Domain 1 Score: 79 Rating: C
 Domain 2 Score: 89 Rating: B
 Domain 3 Score: 84 Rating: B

• Overall Score: 88 Rating: B

### **Key findings include:**

- Houston ISD received a grade of B based on an overall score of 88 for 2018–2019.
- 250 out of the 271 campuses that were rated (92%) were assigned a grade of D or higher, while 21 campuses (8%) received an F.
- 3 out of the 6 campuses (50%) rated Improvement Required last year were assigned a grade of D or higher. Two campuses rated Improvement Required last year were closed, and one received a grade of F.
- 6 out of the 10 campuses (60%) labeled Not Rated: Harvey Provision last year and were rated Met Standard for the 2016–2017 school year were assigned a grade of D or higher.
- 6 out of the 7 campuses (86%) that received a Not Rated: Harvey Provision label last year and were rated Improvement Required for the 2016–2017 school year were assigned a grade of D or higher.
- 6 campuses had a calculated scale score at or above 60 but received an overall rating of F due to receiving an F in three out of the four areas (Student Achievement, School Progress: Academic Growth, School Progress: Relative Performance, or Closing the Gaps) measured.
- 235 campuses were eligible for Distinction Designations. 142 (60% of those eligible) received at least one, while 24 (10% of those eligible) received all eligible Distinctions.

## HISD Four-Year Longitudinal Graduation Rates by Group: Grades 9-12 with Exclusions: 2011-2018

- From 2011 to 2018, the longitudinal four-year graduation rates with exclusions increased for the African American, Asian, Hispanic, students who were ever coded as English learners in high school (Ever EL in HS), and Students with Disabilities (SWD) student groups and decreased for the All, White, and Economically Disadvantaged student groups.
- From 2017 to 2018, longitudinal four-year graduation rates with exclusions increased for the Asian, Hispanic, Ever EL in HS, and All student groups and decreased for the African American and SWD. The White and Economically Disadvantaged student groups remained the same.

## HISD Four-Year Longitudinal Dropout Rates by Group: Grades 9-12 with Exclusions: 2011-2018

- From 2011 to 2018, the longitudinal four-year dropout rates with exclusions increased for All students, and each of the groups presented.
- From 2017 to 2018, the longitudinal four-year dropout rates with exclusions decreased for the Asian and Economically Disadvantaged student groups. They increased for the All, African American, Hispanic, White, Ever EL in HS, and SWD student groups.

## HISD Annual Dropout Rates by Group: Grades 7–8 with Exclusions: 2011–2018

- From 2011 to 2018, the annual dropout rates with exclusions increased for all student groups.
- From 2017 to 2018, the annual dropout rates with exclusions increased for all student groups.

### Reasons for Excluded Records as Defined by the Texas Education Agency

According to TEA, starting 2010-2011, a student who meets one or more of the following criteria is **excluded from** campus and district completion rate calculations used for accountability purposes:

- A student who is ordered by the court to attend a high school equivalency certificate program but has not earned a high school equivalency certificate;
- A student previously reported to the state as a dropout;
- A student in attendance but who is not in membership for purposes of average daily attendance (i.e., students for whom districts are not receiving state Foundation School Program (FSP) funds);
- A student whose initial enrollment in a school in the United States in Grades 7-12 was as an unschooled or asylee as defined by TEC §39.054(f) and TEC §39.055); and,
- A student who is incarcerated in a state jail or federal penitentiary as an adult or as a person certified to stand trial as an adult.

According to TEA, starting in 2010-2011, a student reported to have left school for any of the following reasons is **NOT** considered a dropout for accountability reasons:

- A student who **graduated**;
- A student who died while enrolled in school or during the summer break after completing the prior school year;
- A student who withdrew from/left school to return to the family's home country;
- A student who withdrew for/left school to enter college and is working towards an Associate's or Bachelor's degree;
- A student who withdrew from/left school for homeschooling;
- A student who was removed by Child Protective Services (CPS) and the district has not been informed of the student's current status or enrollment;
- A student was **expelled** under the provisions of TEC §37.007 and cannot return to school;
- A student who withdrew from/left school to enroll in a private school in Texas;
- A student who withdrew from/left school to enroll in a public or private school outside of Texas;
- A student was withdrawn from school by the district when the district discovered that the student was not a resident at the time of enrollment or had
  falsified enrollment information, proof of identification was not provided, or immunization records were not provided;
- A student who graduated outside of Texas returned to school and left again; or
- A student who received a **GED outside Texas**, returned to school to work toward the completion of a high school diploma, and then left; or student earned GED outside Texas after leaving Texas public schools.

### **Safety and Environment**

The Houston Independent School District (HISD) has established as one of its primary goals the provision of a high-quality educational program for each student in a safe school environment free of disruptions that interfere with the educational process. HISD does not discriminate on the basis of age, race, color, ancestry, national origin, sex, handicap or disability, marital status, religion, veteran status, political affiliation, sexual orientation, gender identity and/or gender expression, or physical/personal appearance. This policy includes a prohibition on racial harassment and a hostile environment, as this type of harassment denies students the right to an education free of discrimination. HISD's expectation is that all campuses develop with all members of the school community an effective School-Based Discipline Management System that promotes and maintains the support of good student behavior is conducive to the academic and social/emotional growth of all students and supports safe and respectful teaching and learning environment.

**Goal:** The District, through districtwide and campus-specific training, will build the capacity of all campuses to develop effective campus-specific discipline management systems that will promote the social and emotional development of all students and that will include methodologies to address safety concerns, bullying and harassment violations, and any other violations that may jeopardize the health and safety of the campus community.

### **Improvement Strategies:**

- Mandatory safety and bullying awareness training for all employees through OneSource that addresses the types of bullying, preemptive strategies to curtail bullying incidents, and response techniques that expediently addresses any bullying violation, including communication procedures that address the needs of all stakeholders;
- Districtwide face to face or virtual training for all campus administrators on the Texas Educational Code Chapter 37, HISD Code of Student Conduct, and other student discipline related District policies and procedures;
- Classroom management and classroom culture (development items I–9 and I–10) video exemplars and effective practices designed to provide teachers with an opportunity to watch highly effective teachers in action, paired with guidance on how to implement these practices;
- Ongoing job-embedded support provided by Teacher Development Specialists at the campus level;
- New Teacher Academy (new teachers);
- New Leadership Academy
- The Department of Social and Emotional Learning supports campuses in HISD by providing training that focus on creating environments that are safe and effective for all students. Training provides skills and framework needed for staff to create environments conducive to student growth and safety, supporting I-9 and I-10 (Classroom Management and Classroom Climate)
  - o Crisis Prevention Institute
  - De-Escalation
  - Restorative Practices
  - Culturally Responsive Classrooms
  - Coaching
  - Mindfulness
  - Sanford Harmony
  - o Positive and Proactive Classroom Management (CHAMPS and STOIC)
  - The Tough Kid training
  - Sandy Hook Promise

### State Compensatory Education (SCE)

The goal of the SCE program is to provide additional resources to reduce any disparity in performance on assessment instruments or disparity in the rate of high school completion between educationally disadvantaged students, at-risk students, and all other students.

The purpose of the SCE program is to increase academic achievement and reduce the dropout rate for these students by providing supplemental programs and services. The legislature passed Senate Bill 1746, which added a 14<sup>th</sup> state criterion to the original 13 state criteria. The additional criterion includes a student who has been incarcerated or has a parent or guardian who has been incarcerated, within the lifetime of the student, in a penal institution as defined by Section 1.07, Penal Code.

### **Demographic Characteristics: At-Risk Students**

- Of the 209, 772 students enrolled in HISD at the fall snapshot for the 2018-2019 school year, 136,849 students (65.2 percent) were identified as being at-risk according to SCE criteria.
- In 2018-2019, a larger proportion of males than females enrolled in HISD (68.0 and 62.4 percent, respectively) were identified as at-risk.
- Hispanic students accounted for the largest total number of at-risk students (95,849) and constituted 70.0 percent of all at-risk students. African Americans made up the next largest group of at-risk students at 30,981, or 22.6 percent of all at-risk students.
- While only 33.3 percent of those who were categorized as not-economically disadvantaged were identified as at-risk, 73.3 percent of those categorized as economically disadvantaged were identified as at-risk.

### **Key Findings:**

- Of the 209,772 students who attended HISD during the 2018-2019 academic year, 136,849 students (65.2 percent) were identified as being at-risk according to SCE criteria. More males than females were identified as at-risk (68.0 percent of males in the district were identified as at-risk and 62.4 percent of females were).
- Relative to students in other grades, a higher proportion of pre-kindergarteners (90.9.8 percent) were identified as at-risk.
- The ethnic composition of at-risk students was 73.6 percent Hispanic, followed by 63.2 percent African American, 30.0 percent white, 38.4 percent Asian/Pacific Islander, and 61.1 percent American Indian and 31.4 mixed-race. Exactly 73.3 percent of at-risk students were economically disadvantaged. Majorities of African American, Hispanic, Asian/Pacific Islander, American Indian, and mixed-race students, as well as those who were economically disadvantaged, were deemed at-risk.
- Districtwide, on the 2019 English language STAAR, the gaps in the percentage of students who achieved the Approaches Grade Level Performance Standard between not-at-risk and at-risk students were 33 percentage points in reading, 27 percentage points in mathematics, 38 percentage points in writing, 34 percentage points in science, and 40 percentage points in social studies. The gaps increased in all subjects from the 2017-2018 to 2018-2019 academic years.
- Districtwide, on the 2019 Spanish language STAAR, the gaps in the percentage of students who achieved the Approaches Grade Level Performance Standard between not-at-risk and at-risk students were 20 percentage points in reading, 22 percentage points in mathematics, 20 percentage points in writing, and 31 percentage points in science. The gaps decreased in all subjects except mathematics from 2017-2018 to 2018-2019.
- Districtwide, on the 2019 STAAR EOC, the gaps in the percent of not-at-risk and at-risk students who achieved the Approaches Grade Level Performance Standard ranged from 13 percentage points in U.S. History to 37 percentage points in English II. The gaps in performance between not-at-risk and at-risk high school students decreased slightly from 2018 to 2019 in all subjects except Biology, for which the gap increased slightly.

• For the class of 2018, 84.6 percent of not-at-risk students and 79.3 percent of at-risk students graduated from HISD. The completion rate (which includes graduates, continuers, and GED recipients) for not-at-risk students was 87.9 percent and for at-risk students was 87.1 percent.

#### STAAR Performance Grades 3-8

- Overall, on the 2019 English language STAAR, the gap in the percentage of students who achieved the Approaches Grade Level Performance Standard between not-at-risk students and at-risk students was 23 points at the low end (grade 3 math) and 41 points at the high end (grade 6 reading) across all tests and at all grade levels. The range for the previous year was 5 to 37.
- Taking all grades combined, not-at-risk students outperformed at-risk students on each subtest of the English language STAAR: the gap was 33 percentage points for reading, 27 percentage points for mathematics, 38 percentage points for writing, 34 percentage points for science, and 40 percentage points for social studies.
- From the 2017-2018 to the 2018-2019 academic years, the gaps in the percentage of students who achieved the Approaches Grade Level Performance Standard between not-at risk students and at-risk students increased on each of the English-language STAAR tests.
- On the 2019 Spanish language STAAR, not-at-risk students performed better than at-risk students on all subtests at all grade levels. The gap was 20 percentage points for reading, 22 percentage points for mathematics, 20 percentage points for writing, and 31 percentage points for.
- From 2017-2018 to 2018–2019, gaps decreased on the Spanish-language STAAR reading, mathematics, and writing tests, but increased on the Spanish-language STAAR science test.

#### STAAR End-of-Course Performance

- In 2018, the districtwide difference between at-risk and not-at-risk students who achieved the Approaches Grade Level Performance Standard was 36 percentage points on the English I test, 37 percentage points on the English II test, 13 percentage points on the Algebra I test, 18 percentage points on the Biology test, and 13 percentage points on the U.S. History test.
- The gap in performance between not-at-risk and at-risk students decreased by one percentage point on the STAAR EOC English I and Algebra I tests, and three percentage points on the STAAR EOC Biology and US History tests from the 2016–2017 to the 2017–2018 academic years. The gap in performance between not-at-risk and at-risk students on the STAAR EOC English II test remained the same over the same period. The three-year trend, however, shows a closing gap on all STAAR EOC tests.

**Goal:** Provide program support districtwide and for campuses to reduce the disparity between educationally disadvantaged students, at-risk students, and all other students in order to increase academic achievement and reduce the dropout rate for these students by providing supplemental services.

## Improvement Strategies:

- SCE direct costs will be spent on direct services for educationally disadvantaged and students who meet one of the 14 state criteria.
- Campuses will support their at-risk students by providing supplemental programs and services with their at-risk funds in their campus budgets.
- Disciplinary Alternative Education Program (DAEP) funds will provide services to students who are referred to those programs.
- Provide Pregnancy-Related services to students who are pregnant or parenting.
- Support the Pre-kindergarten program with ½ day teachers to complete the full-day program.
- Provide supplemental support with Wraparound Services, Family and Community Engagement, and the Achieve 180 program.

## **Budget Information:**

Total Full-Time Equivalents (FTES) - \$1,115.74

 Campus - Total Dollar Amount \$ 123,316,792.56

 District - Total Dollar Amount \$ 41,347,821.24

 Grand Total \$ 164,664,613.80

**Responsible Staff:** District Employees and Campus Principals are responsible for ensuring funds are being spent on supplemental programs and services according to the law.

# **Houston Independent School District – District Improvement Plan 2020-2021**

**Department Name:** Elementary Curriculum and Development

Data/ Needs Assessment (include your problem statement and root cause based on your data): Elementary Curriculum and Development recognizes gains in grades 3-5 mathematics, grades 3-5 reading, and grade 5 science student achievement; however, much more work needs to be done around early literacy, grades 3–5 reading and writing to increase student achievement and to close the achievement gap.

**Department Goal 1:** The percentage of 3rd grade students reading at or above grade level as measured by the Meets Grade Level Standard on STARR will increase 8 percentage points from 42% in spring 2019 to 50% in spring 2024.

# Strategic Priority:

- 1. Ensuring Student Health, Safety and Well-Being
- 2. Transforming Academic Outcomes
- 3. Increasing Organizational Efficiency
- 4. Cultivating Team HISD Talent

# List the Strategic Priority(ies) this Goal Addresses:

• Transforming Academic Outcomes

## Summative Evaluation (Year-End): 2020 STAAR Reading and Writing

Measurable Performance Objectives	Strategy	Timeline	Resources Including Funding Sources and Dollar Amounts	Title of Person(s) Responsible	Formative Evaluation	Check Point: Results (Outcomes/ Data)	Progress: 1. No Progress 2. Some Progress 3. Significant Progress 4. On Track to Meet Goal	Next Steps
By June 2021, the percent of students reading at or above grade level for grades three through five will increase by at least three percentage points as measured by STAAR and monitored by the district-wide universal screener.	Implement a phonics manual for kindergarten to 3rd grade teachers that systematize phonics instruction across the district and aligns to HB3 requirements. Will provide suggested TEKS, Vocabulary, word study block,	August 2020 – May 2021	HISD Curriculum, lead4ward, Title II - Teacher Development and GF - Curriculum Specialists	Elementary Curriculum Officer and Elementary Literacy Manager	Benchmark Running Records and Universal Screener			

	Provide Reading Academy training for Kinder, Special Education, Principals, and Teacher Development Specialist	August 2020 – May 2021	TEA Reading Academies Modules and Cohort Leaders	Elementary Curriculum Officer and Early Literacy Reading Specialist Manager	Benchmark Running Records, Universal Screener		
	Provide district wide professional development to address the New Reading Texas Essential Knowledge and Skills and process standards. Systematic	August 2020 – May 2021	HISD Curriculum, Scholastic leveled library, and Reading Specialist	Elementary Curriculum Officer and Early Literacy Reading Specialist Manager			
	Literacy by 3 Reboot Continue training and monitoring of the implementation of strategies to help improve early literacy. SG with a specific TEK to teach	August 2020 - May 2021	Principal, Tier 2, Staff development by area, Lead Teacher	Elementary Curriculum Officer and Early Literacy Reading Specialist Manager			
By June 2021, the percent of students writing at or above grade level for grades three through five will increase by at least three percentage points as measured by STAAR and monitored by the district-wide universal screener	Provide a structured writing plan supported by curriculum documents with a focus on effective writing strategies at every grade level (K-5).  Provide principals and administrators resources and support through weekly walkthrough documents	August 2020 – May 2021	HISD Curriculum, Scholastic leveled library, Reading Specialist, HMH - \$831,000.00-Reg. GF1 funds	HISD Curriculum, and Lead4Ward			

**Department Goal 2:** The percentage of 3<sup>rd</sup> grade students performing at or above a grade level in math as measuring by the Meets Grade Level Standard on STAAR will increase 4 percentage points from 46% in spring 2019 to 50% in spring 2024.

# Strategic Priority:

- 1. Ensuring Student Health, Safety and Well-Being

# **Houston Independent School District – District Improvement Plan 2020-2021**

**Department Name:** Secondary Curriculum and Development

Data/ Needs Assessment (include your problem statement and root cause based on your data): The Secondary Curriculum and Development department celebrated STAAR gains in the 2018-2019 school year (due to COVID 19, we do not have STAAR data for the 2019-2020 school year), including gains in student writing scores and gains by all student groups. To ensure that progress is sustained and all achievement gaps continue to narrow, the department proposes a plan that focuses on the needs of all student groups and continues the prioritization of literacy efforts across all secondary content areas, with a special emphasis for writing across the curriculum.

**Problem Statement 1:** HISD scores, while improved, still are below the state's in many areas.

**Root Cause 1:** Further development and expansion of literacy practices in tier one instruction, across all content areas, are needed to ensure sustainability of a district literacy culture that advances student proficiency for all student groups.

**Department Goal 1:** The percentage of students who are economically disadvantaged reading at or above grade level as measured by the Meets Grade Level Standard on the STAAR 3-8 Reading and STAAR EOC English I and II assessments will increase 4 percentage points from 36% in spring 2019 to 40% in spring 2024.

### **Strategic Priority:**

- 1. Ensuring Student Health, Safety and Well-Being
- 2. Transforming Academic Outcomes
- 3. Increasing Organizational Efficiency
- 4. Cultivating Team HISD Talent

# **Houston Independent School District – District Improvement Plan 2020-2021**

Department Name: Coordinated School Health/ Secondary Health and Physical Education Curriculum and Development

# Data/ Needs Assessment (include your problem statement and root cause based on your data):

### **Problem Statement:**

The coordinated school health initiative has emerged in response to the state of children's health and education. It is an organized set of policies, procedures, and activities designed to protect and promote the health and wellbeing of students and school staff. CSH consists of eight health-related areas covering all aspects of the school health education and services for the benefit and well-being of students in establishing healthy behaviors designed to last their lifetime. HISD will utilize the ASCD Model of Whole School, Whole Community Whole Child, Model a collaborative approach to learning and health. All Texas schools are required by law to implement a coordinated school health program in grades K-8. HISD School Health Advisory Council (SHAC) is requesting for all campuses to have a health and wellness teams. Our district's Communicable Disease Plan (CDP) requires all schools and facilities to have a health and wellness team.

Root Cause: School and district leadership are not fully aware of the Whole School, Whole Community Whole Child Model in order to implement a Coordinated School Health Program that will focus on the whole child.

- Youth Risk Behavior Survey (YRBS)
- FitnessGram Data
- School Health Profiles (SHP)
- School Health Policies and Programs Study (SHPPS)
- School Health Index (SHI)

**Department Goal 1:** PK- 12 campuses will implement a Coordinated School Health Program (CSHP) and Wellness Team as mandated by state law.

### **Strategic Priority:**

- 1. Ensuring Student Health, Safety and Well-Being
- 2. Transforming Academic Outcomes
- 3. Increasing Organizational Efficiency
- 4. Cultivating Team HISD Talent

## List the Strategic Priority(ies) this Goal Addresses:

# **Houston Independent School District – District Improvement Plan 2020-2021**

**Department Name:** Intervention Office

**Data/ Needs Assessment (include your problem statement and root cause based on your data):** The Interventions Office, reporting to the Office of Special Populations, oversees academic interventions, behavior interventions, dyslexia services and Section 504. The Interventions Office directly impacts improving student performance through building effective Intervention Assistance Teams (IATs) on campuses that create systems for foundational literacy, math, and behavioral interventions, addressing the needs of students with dyslexia and students being served underneath Section 504. The Interventions Office will continue to implement processes and procedures to effectively identify students needing interventions support and implement a systemic approach to effectively monitoring student progress. Students skills and deficits will be identified based on the Interventions Office tiering report, REN 360, Dyslexia Starting Protocol Document (students with dyslexia) to provide individually support for students receiving intervention services.

**Department Goal 1:** Implement systems and processes to closing academic learning gaps and increase student achievement in the area of reading and mathematics for students identified as tier 2 and tier 3 learners.

- **a.** Increase number of campuses effectively implementing Rtl processes and academic interventions, while providing appropriate small group instruction based on tier 2 and tier 3 students skill deficits.
- **b.** Implement a systemic approach to capture tier 2 and tier 3 students progress monitoring data by incorporating an interventions office monitoring tool for RtI students and HISD Connect monitoring tool to capture student data moving through the IAT process.

### **Strategic Priority:**

- 1. Ensuring Student Health, Safety and Well-Being
- 2. Transforming Academic Outcomes
- 3. Increasing Organizational Efficiency
- 4. Cultivating Team HISD Talent

### List the Strategic Priority(ies) this Goal Addresses:

### Data/ Needs Assessment (include your problem statement and root cause based on your data):

- 1. African American students are 11.16% of the HISD GT population. This equates to underrepresentation based on equity guidelines.
- **2.** Economically Disadvantaged students are 50.76% of the HISD GT population. Based on district enrollment, this equates to underrepresentation per equity guidelines.
- **3.** Ongoing improvements for student performance are an expectation. Current averages of DLA/December STAAR/EOC Release are:
  - a. 12.6% DID NOT MEET
  - b. 87.4% APPROACHES
  - c. **66.8% MEETS**
  - d. 34.9% MASTERS

**Department Goal 1:** Close the equity identification gap for gifted learners as evidenced by an **increase from 11.16 % to 15% of African American** students identified as gifted learners by June 2021.

# **Strategic Priority:**

- 1. Ensuring Student Health, Safety and Well-Being
- 2. Transforming Academic Outcomes
- 3. Increasing Organizational Efficiency
- 4. Cultivating Team HISD Talent

**Department Name:** Social and Emotional Learning

Data/ Needs Assessment (include your problem statement and root cause based on your data): The district shall create a safe environment conducive to learning for all students and provide safety and security measures at district schools and facilities, and while attending district-related events. The district Disciplinary Actions Report indicate significant disparities among race, disability status, and socio-economic status in how students are disciplined.

**Department Goal 1**: Establish and support Multi-Tiered Systems of Support (MTSS) models through Positive Behavior Interventions Supports (PBIS) by integrating Social/Emotional practices into academics, including Restorative Discipline Practices (RDP) and Culturally Responsive Teaching (CRT) to address inequities in discipline and behavior.

### **Strategic Priority:**

- 1. Expanding Educational Opportunities
- 2. Ensuring Student Health, Safety and Well-Being
- 3. Transforming Academic Outcomes
- 4. Increasing Organizational Efficiency
- 5. Cultivating Team HISD Talent

### List the Strategic Priority(ies) this Goal Addresses:

• Ensuring Student Health, Safety and Well-Being

**Department Name:** Equity and Outreach Department – Wraparound Services

### Data/ Needs Assessment (include your problem statement and root cause based on your data):

Problem Statement: Inequities in the areas of basic needs, mental health services, and stable housing frequently lead to students' academic achievement being adversely impacted, which can have cascading effects on their health, wellness, and long-term success.

Academics, Behavior, & Attendance Data extracted from PowerSchool; Health Needs Survey (Rice University) 2019 and 2020 data results, Board Policy (Regulations & Constraints), Boston Consulting Group (BCG) Report, Achieve 180 Board Monitoring Reports and Purple Data Results (2019 and 2020)

Root Causes: Lack of student basic needs, mental health services and stable housing; Lack of non-academic services and opportunities provided to our students; Lack of Service Providers and Community Partnerships

**Department Goal 1:** By the end of the 2020-2021 school year, Wraparound Resource Specialists will **increase their attendance support** from at least 3 meaningful strategies per campus to at least 5 meaningful strategies per campus. Attendance support strategies include...

- Student-at-the-Center Meetings
- Student Check-Ins
- Attendance Incentives
- Graduation Support Meeting Participation
- Home Visits
- Student Assistance Form (SAF) Campaigns
- Virtual Parent "Attendance Matters" Meetings
- Collaborating w/ Campus Leadership to Develop an Attendance Plan

Strategic Priority:	List the Strategic Priority(ies) this Goal Addresses:				
Expanding Educational Opportunities	<ul> <li>Ensuring Student Health, Safety and Well-Being</li> </ul>				
2. Ensuring Student Health, Safety and Well-Being	Transforming Academic Outcomes				
3. Transforming Academic Outcomes					
4. Increasing Organizational Efficiency					
5. Cultivating Team HISD Talent					

**Summative Evaluation (Year-End):** By the end of the 2020-2021 school year, student *attendance* will increase by at least 1% on every campus that a Wraparound Resource Specialist serves.

Measurable Performance Objectives	Strategy	Timeline	Resources Including Funding Sources and Dollar Amounts	Title of Person(s) Responsible	Formative Evaluation	Check Point: Results (Outcomes/ Data)	Progress: 1. No Progress 2. Some Progress 3. Significant Progress 4. On Track to Meet Goal	Next Steps
Increase attendance by reducing absenteeism.	Implement at least 5 of 7 strategies to increase attendance support: -Student-at-the-Center Meetings -Student Check-Ins -Attendance Incentives -Graduation Support Meeting Participation -Home Visits -SAF Campaigns -Virtual Parent "Attendance Matters" Meetings Collaborating with Campus Leadership to Develop and Attendance Plan	August 2020- June 2021	Title IV, Community Partners and Non-Profit Organizations	Executive Director, Director, Senior Managers, Managers and Wraparound Resource Specialists	Weekly review of student attendance through data tracking tool and the number of times the WRS signs in to use the system.			
Frequently and Collaboratively meet with each campus' Student Support Team	Increase school collaboration of non-academic supports through weekly and bi-weekly meetings to problem solve barriers that impedes attendance	August 2020- June 2021	Title IV, Community Partners, Non- Profit Organizations, Communities in Schools and the Student Assistance Department	Managers and Wraparound Resource Specialists, Counselors, Nurses, Social Workers, Outreach Workers, and Communities in Schools Staff, Campus	Meeting agenda, minutes and sign-in sheets.			

				Administrators			
Analyze attendance rates using the data tracking tool.	Utilize the data tracking system to monitor and identify frequently absent students in order to connect them to resources.	August 2020- June 2021	Title IV, Community Partners, Non- Profit Organizations, ProUnitas, and the Student Assistance Department	Senior Managers, Managers, Wraparound Resource Specialists and HISD Outreach Workers	Baseline of attendance progression and color trends identified using the data tracking tool.		
Implement the Wraparound Resource Specialist to complete home visit to locate and remediate student's absenteeism.	Utilize the protocol and established form to document students which are found, missing, or enrolled in another educational institution.	August 2020- June 2021	Title IV, Community Partners, Non- Profit Organizations, ProUnitas, and the Student Assistance Department, Campus Faculty and Staff	Executive Director, Director, Senior Managers, Managers, Wraparound Resource Specialists and HISD Outreach Workers	Color trends identified using the data tracking tool, student location documentations from the Student Assistance Department.		
Employ the Wraparound Resource Specialist to implement the Students- Within- Reach Campaign and the No Show Contact Outreach initiated by the district to locate missing students which may have been displaced by the Coronavirus Pandemic.	Utilize district department protocols to locate, resolve and remediate missing students' circumstances to reengage them and their families to the educational setting.	August 2020-June 2021	Title IV, Community Partners, Non- Profit Organizations, ProUnitas, and the Student Assistance Department, Campus Faculty and Staff	District Senior Level management, Community Partners, Non- Profit Organizations, ProUnitas, and the Student Assistance Department, Executive Director, Director, Senior Managers, Managers, and Wraparound Resource Specialists.	Color trends identified using the data tracking tool, student location documentations from the Student Assistance Department, returned letters from the Wraparound Service Department		

**Department Goal 2:** By the end of 2020-2021 school year, the *well-being* of HISD students will improve by the WRS connecting resources to students and families by 10% from 628,753 in 2020 to 691,628:

- a) Increasing the number of student and family interventions
- b) Decreasing the number of high-risk students through targeted intervention.
- c) Increasing the number of student assistance referrals by *all* stakeholders

Strategi	c Priority:	List the Strategic Priority(ies) this Goal Addresses:
1.	Expanding Educational Opportunities	<ul> <li>Expanding Educational Opportunities</li> </ul>
2.	Ensuring Student Health, Safety and Well-Being	
3.	Transforming Academic Outcomes	
4.	Increasing Organizational Efficiency	
5.	Cultivating Team HISD Talent	

**Summative Evaluation (Year-End):** By the end of 2020-2021 school year, the *well-being* of HISD students will improve by a 25% increase of students linked to services in the data tracking tool.

Measurable Performance Objectives	Strategy	Timeline	Resources Including Funding Sources and Dollar Amounts	Title of Person(s) Responsible	Formative Evaluation	(Outcomes /Data)	Progress: 1. No Progress 2. Some Progress 3. Significant Progress 4. On Track to Meet Goal	Next Steps
Connecting students and families to non- academic resources to Enhance academic outcomes.	Increase the number of student and family interventions.	August 2020- June 2021	Title IV, Community Partners, Non- Profit Organizations, ProUnitas, and the Student Assistance Department	Managers and Wraparound Resource Specialists, Counselors, Social Workers, Outreach Workers, ProUnitas Impact Managers and Communities in Schools Staff	Baseline of providers identified through the data tracking tool. Use of Service Provider Review Form to track student impact and well-being			
Targeted interventions	Decrease the number of high-	August 2020-	Title IV, Community Partners, Non- Profit	Managers and Wraparound	Number of interventions			

are given and tracked using the data tracking tool.	risk students through targeted interventions.  Create relationships with families and have meaningful conversations to determine suitable non-academic needs to combat educational barriers.	June 2021	Organizations, ProUnitas, and the Student Assistance Department	Resource Specialists, Counselors, Social Workers, Outreach Workers, ProUnitas Impact Managers and Communities in Schools Staff	entered in the data tracking tool.		
SAF referrals increase due to frequent campus presentations given by the WRS.	Increase the number of student assistance referrals by all stakeholders.	August 2020- May 2021	Title IV, Community Partners, Non-Profit Organizations and ProUnitas	Managers and Wraparound Resource Specialists, Counselors, Social Workers, Outreach Workers, Communities in Schools Staff and Every School Personnel (All Staff)	Number of Students serviced through the Student Assistance Form (SAF)		

**Department Goal 3:** By the end of the 2020-2021 school year, the Community School Standards will allow the WRS to increase the number of approved service providers and programs by 10% from 170 in 2020 to 187 by creating and maintaining partnerships as well as building a strong feeder community collaborative to share resources and best practices.

Strategic Priority:	List the Strategic Priority(ies) this Goal Addresses:
Expanding Educational Opportunities	<ul> <li>Expanding Educational Opportunities</li> </ul>
2. Ensuring Student Health, Safety and Well-Being	<ul> <li>Ensuring Student Health, Safety and Well-Being</li> </ul>

**Department Name:** Multilingual Department

### Data/ Needs Assessment (include your problem statement and root cause based on your data):

Based on the 2019 STAAR results, 52% (reading), 48% (writing), 18% (English I), 17% (English II) percent of English Learners (ELs) met the passing standard as a result of inconsistent implementation of the district's systematic sheltered instructional plan for ELs.

Based on the 2019 TELPAS results, 39% of ELs grew one proficiency level as a result of multiple factors which include the state's new online listening and speaking portions of the assessment, knowing how to effectively monitor language proficiency, and limited use of the English Language Development assessment created to assist campuses progress monitor second language development.

#### **Root Causes**

A shortage of bilingual teachers and the need for so many ESL certified teachers continue be a great need for the district resulting in the need for more professional development and coaching of campus personnel. This root cause impacts not only campus teams but district leadership teams looking to recruit experienced bilingual and ESL certified staff to support campuses.

- Shortage of bilingual teachers and a need for more teachers to become ESL certified to serve the district's EL populations
  - Multilingual will collaborate with Human Resources to account for all certified staff, and the Multilingual staff in collaboration with Curriculum will provide professional development and coach teachers on waivers and other teachers of ELs to implement the district's systematic instructional plan for ELs.
- Shortage of experienced bilingual and ESL certified staff for our Multilingual and Curriculum teams to support campuses
  - Collaborate with Human Resources to recruit experienced bilingual and ESL certified personnel to support the departments to secure these individuals.
- Limited monitoring of second language development for ELs
  - Multilingual in collaboration with Curriculum will continue to support campuses to implement systems to monitor English language proficiency
    for ELs which includes communicating the effectiveness of utilizing Imagine Learning to provide students opportunities to close language
    proficiency gaps as well as monitor the use the online resource to practice listening and speaking using headphones equipped with microphones
    as they will experience on the actual TELPAS assessment.
- Limited use of the optional English Language Development assessment created by Multilingual Programs Department to progress monitor language development
  - Multilingual will work in collaboration with Area Office teams to ensure that campuses take advantage of the assessment provided to assist teachers and administrators in progress monitoring second language development for ELs.

**Department Goal 1:** The percentage of identified English Learners (ELs) reading and writing at or above grade level on STAAR for grades 3 through 8 will increase by three percentage points –52% to 55% Reading & 48% to 51% Writing.

### **Strategic Priority:**

- 1. Ensuring Student Health, Safety and Well-Being
- 2. Transforming Academic Outcomes
- 3. Increasing Organizational Efficiency
- 4. Cultivating Team HISD Talent

# Priority for Service (PFS) Action Plan Migrant Education Program, Title I, Part C

As part of the Every Student Succeeds Act (ESSA), the Priority for Service (PFS) Action Plan is a required program activity for the Migrant Education Program (MEP). In providing services with funds received under this part, each recipient of such funds shall give priority to migratory children who have made a qualifying move within the previous 1-year period and who are failing, or most at risk of failing, to meet the challenging State academic standards; or have dropped out of school. [§1304 [20 U.S.C. 6394](d)].

The Priority for Service Report on NGS must be used to determine who to serve first and foremost with MEP funds. Students are identified as PFS if they meet the following criteria:

	Priority for Service Criteria
Grades 3-12,	Who have made a qualifying move within the previous 1-year period;  AND
Ungraded (UG) or	<ul> <li>Have a received grade level of "approaches or not meet" on the state assessments (STAAR), were Absent, Not Tested* or were not enrolled in a Texas school during the state assessment testing period for their grade level.</li> </ul>
Out of School (OS)	
Grades K-3	Who have made a qualifying move within the previous 1-year period;  AND
	<ul> <li>Have been designated LEP in the Student Designation section of the New Generation System (NGS) Supplemental Program Component; or</li> </ul>
	<ul> <li>For students in grades K-2, who have been retained, or are overage for their current grade level.</li> </ul>

The following document is provided by TEA for districts to help document efforts that are being conducted on behalf of Priority for Service students. It contains all of the required components as described in Part 4 of the ESSA Application in the Provisions and Assurances, but also allows room for districts to add additional activities. Each district's plan must clearly articulate criteria for defining student success, including timelines for achieving stated goals and objectives.

**NOTE:** This document can be obtained electronically in MS Word format from the regional ESC MEP Coordinator.

\*The State of Texas Assessments of Academic Readiness (STAAR®) were not being administered during the spring or summer of the 2019–2020 school year.

School District: Houston ISD	Priority for Service (PFS) Action Plan	Filled Out By: Houston ISD MEP Staff
Region: 4		Date: 09/01/2020
	School Year: 2020 - 2021	

**Note:** Title I, Part C Coordinator or MEP staff will include the PFS Action Plan in the district improvement plan as a separate section appropriately labeled or identified (e.g., "Migrant PFS Action Plan Section"), rather than integrating the action plan elements with other DIP sections that focus on other student population groups (e.g., Bilingual, ESL, economically disadvantage).

<b>Goal(s)</b> : To implement the required strategies of the Priority for Service (PFS) Action
Plan in order to advance the academic growth of the students as determined by the
Priority for Service criteria.

### Objective(s):

- The progress of the student will be monitored by the MEP staff in coordination with hourly lecturers who tutor PFS students. Progress will be determined at the end of each grading cycle and will be monitored using the PFS Student Progress Review document.
- The services and/or resources provided to the PFS will be aligned with the identified academic needs of the student in order to meet the requirements of the curricula implemented in the state of Texas.
- The progress and determined needs of the PFS will be disseminated to appropriate personnel identified in the Action Plan in order to support academic success.

Required Strategies	Timeline	Person(s) Responsible	Documentation
<b>Monitor</b> the progress of MEP students who are on PFS.			
<ul> <li>Monthly, run NGS Priority for Service (PFS) reports to identify migrant children and youth who require priority access to MEP services.</li> </ul>	09/2020-08/2021	Irasema Gonzalez, NGS	PFS Monthly Report
<ul> <li>Before the first day of school, develop a PFS Action Plan for serving PFS students. The plan must clearly articulate criteria for defining student success, including timelines for achieving stated goals and objectives.</li> </ul>	09/01/2020	Magda Galindo, Manager	Priority for Service Action Plan Document, PFS Student Progress Review document
Additional Activities			
<ul> <li>At the end of each grading cycle, MEP staff reviews PFS students' report card grades and parents are informed of their child's academic progress.</li> </ul>	Each grading cycle	Irasema Gonzalez, NGS Isela Anaya, Recruiter Elizabeth Rodriguez, Recruiter	Report Cards and Phone Logs, PFS

			Student Progress Review document

**Department Name:** External Funding – Title I

Data/Needs Assessment (include your problem statement and root cause based on your data): Outcome gaps between African American and Hispanic students and White and Asian students are significant and occur across grade levels, subject areas, and student achievement measures (STAAR, Ren360, CCMR). The gaps are related to a combination of economic disadvantage and other factors. District efforts to mitigate the impacts of poverty on learning are critical to closing these gaps. Efforts must also address the range of student needs that arise from their varying backgrounds.

**Department Goal 1:** To provide low-performing students an opportunity to obtain a high-quality education, increase academic achievement and perform proficiently on state academic assessments.

### **Strategic Priority:**

- 1. Ensuring Student Health, Safety and Well-Being
- 2. Transforming Academic Outcomes
- 3. Increasing Organizational Efficiency
- 4. Cultivating Team HISD Talent

### List the Strategic Priority(ies) this Goal Addresses:

Transforming Academic Outcomes

Retain effective critical shortage teachers.	Provide 2YR recruitment/ retention incentives for teachers in critical shortage content areas.	July 2019 – August 2020	Stipends for remaining at the district in critical shortage areas;	Talent Acquisition	Review teacher retention rate.			

**Department Name:** Leadership Development

Data/ Needs Assessment (include your problem statement and root cause based on your data): Based on qualitative data there is a need for aspiring and current school leaders to focus on addressing the needs of students in multiple demographic student populations, including special education, English language learners, and economically disadvantaged. Additionally, there is a need to increase the number of internal eligible candidates who have the knowledge, skills, and disposition to become school leaders in the District as well as expand ongoing training opportunities and targeted support for Tier II leaders in their current roles. Growing these leaders' instructional leadership capacity in the areas of instructional planning, data-driven decisions, and observation and feedback will improve student outcomes.

- There are 29 first year principals hired to fill campus vacancies for the 2020-2021 school year
- There were 32 PCDO participants in the 2019-2020 cohort; there are 38 PCDO participants in the 2020-2021 cohort

A greater number of PCDO participants with the knowledge, skills and disposition to become a school leader need to be selected for principal vacancies. Leadership Development needs to increase collaboration with Schools Office on programing and development of PCDO participants.

Leadership Development needs to enhance collaboration with Schools Office to provide ongoing training opportunities to support Principals and Tier II leaders in instructional planning, data-driven decisions, and observation and feedback to improve the outcomes for students in HISD, particularly special education, English language learners and economically disadvantaged students.

**Department Goal 1:** 30% of 2020-2021 Principal Candidate Development Opportunity (PCDO) participants will be promoted to fill principal vacancies for the 2021-2022 school year.

#### **Strategic Priority:**

- 1. Ensuring Student Health, Safety and Well-Being
- 2. Transforming Academic Outcomes
- 3. Increasing Organizational Efficiency
- 4. Cultivating Team HISD Talent

## List the Strategic Priority(ies) this Goal Addresses:

- Cultivating team HISD Talent
- Transforming Academic Outcomes
- Increasing Organizational Efficiency

## Summative Evaluation (Year-End): 2021-2022 School Year Leadership Hiring Report

**Department Name:** Teacher Career Development

Data/ Needs Assessment (include your problem statement and root cause based on your data): Teachers and teacher leaders do not have as much instructional capacity as they should resulting in an impact of student achievement. And, with so many diverse campuses, the central office is not equipped to meet their development needs alone. Teachers need job-embedded, timely guidance from instructionally sound support systems who can diagnose, model, plan and coach that is provided by peers with a proven record of improving student outcomes, outside of the formal appraisal process. High performing teachers need opportunities to increase their sphere of influence and accelerate the instructional development of their peers. High performing teachers should be retained in the district.

Beginning Teacher Needs Assessment, Career Pathways Teacher Leader Self Inventory, Retention and Performance Data of participating teachers; BOY/EOY

**Department Goal 1:** Improve instructional capacity of teacher/teacher leaders by providing differentiated, choice-based professional learning opportunities facilitated by practitioners.

## **Strategic Priority:**

- 1. Expanding Educational Opportunities
- 2. Ensuring Student Health, Safety and Well-Being
- 3. Transforming Academic Outcomes
- 4. Increasing Organizational Efficiency
- 5. Cultivating Team HISD Talent

## List the Strategic Priority(ies) this Goal Addresses:

- Cultivating Team HISD Talent
- Transforming Academic Outcomes

**Summative Evaluation (Year-End):** TADS Teacher performance data; OneSource attendance data at professional development opportunities; post PD evaluation data; Mentor of Instruction for New Teachers (MINT) Teacher Leader survey/feedback

Measurable Performance Objectives	Strategy	Timeline	Resources Including Funding Sources and Dollar Amounts	Title of Person(s) Responsible	Formative Evaluation	Check Point: Results (Outcomes/ Data)	Progress: 1. No Progress 2. Some Progress 3. Significant Progress 4. On Track to Meet Goal	Next Steps
Ninety (90%) of teachers participating in any Teacher Career Development program (beginning teachers, teacher leaders) complete their requirements at a 75% completion rate or better.	Conduct a needs assessment; prioritize support for effective virtual learning, literacy and EL student success	By October 2020		Academic Program Managers	Alignment of professional learning opportunities to needs identified in the need's assessment			

Offer differentiated, choice-based professional learning opportunities	Through April 2021	Stipends for attending PD/TSL grant; Time tracking tools provided by the district	Team Leads, Academic Program Managers, Teacher Leaders	Review number of participants attending PD learning opportunities		
Utilize HISD teacher leaders as facilitators to ensure context alignment	Through April 2021	Stipends for teacher leaders who facilitate learning opportunities	Team Leads, Academic Program Managers, Mentor of Instruction for New Teachers (MINT) Teacher Leaders	Review and confirm that majority of learning opportunities are taught by HISD teachers		

## Department Goal 2: Increase the number of effective and highly effective classroom teachers in high-need schools

## **Strategic Priority:**

- 1. Expanding Educational Opportunities
- 2. Ensuring Student Health, Safety and Well-Being
- 3. Transforming Academic Outcomes
- 4. Increasing Organizational Efficiency
- 5. Cultivating Team HISD Talent

## **List the Strategic Priority(ies) this Goal Addresses:**

- Cultivating Team HISD Talent
- Transforming Academic Outcomes

## Summative Evaluation (Year-End): HR data, Research and accountability data; TADS performance data

Measurable Performance Objectives	Strategy	Timeline	Resources Including Funding Sources and Dollar Amounts	Title of Person(s) Responsible	Formative Evaluation	Check Point: Results (Outcomes /Data)	Progress: 1. No Progress 2. Some Progress 3. Significant Progress 4. On Track to Meet Goal	Next Steps
Seventy-five (75%) of Teacher Leaders and supported teachers at Teacher and School Leader grant campuses will improve or maintain their TADS ratings of "Effective" or "Highly Effective".	Identify exemplary teacher leaders on high needs campuses and enroll them in leadership roles	May of 2021	Data identifying established and expert teachers provided by Research and Accountability department	Research and Accountability department	Review the latest accountability ratings of teachers at identified schools and			

	Increase HISD teacher leaders' sphere of influence via peer coaching and support	May of 2021	Coaching models provided by partnerships with New Teacher Center, SIBME/TSL grant; EIR grant	All TCD team members	cross reference with leadership positions filled Review timetracking data, review teacher leader e-Portfolio, quarterly check ins with school leaders and monthly check ins with teacher leaders		
	Targeting support to teachers who are receptive and room for professional growth and offering just in time, tailored support	October of 2020	AIMS portal linkage of teacher leaders and supported teachers submitted by school leader/TSL grant	All TCD team members	Review the TADS data for pre-identified supported teachers; identifying and prioritizing novice teachers		
Seventy-five (75%) of Teacher Leaders will earn performance- based compensation based on Career Pathways program leadership activities during the 2019-2020 school year.	Incentivizing teacher leaders by offering performance bonuses based on improving TADS scores of supported teacher(s) and campus	November of 2021	Performance bonuses for effective Career Pathways teachers/TSL grant	Team Leads, Research Analyst, TSL grant team	Quarterly review of teacher leader support		

# Department Goal 3: Retain effective and highly effective teachers in high-need schools

Strategic Priority:	List the Strategic Priority(ies) this Goal Addresses:
1. Expanding Educational Opportunities	Cultivating Team HISD Talent
2. Ensuring Student Health, Safety and Well-Being	Transforming Academic Outcomes
3. Transforming Academic Outcomes	
4. Increasing Organizational Efficiency	
5. Cultivating Team HISD Talent	

Summative Evaluation (Year-End): Calculating the number of effective and highly effective teachers who remain on their campuses/district

Measurable Performance Objectives	Strategy	Timeline	Resources Including Funding Sources and Dollar Amounts	Title of Person(s) Responsible	Formative Evaluation	Check Point: Results (Outcomes /Data)	Progress: 1. No Progress 2. Some Progress 3. Significant Progress 4. On Track to Meet Goal	Next Steps
Sixty (60%) of effective/highly effective teachers supported by Teacher Career Development team and their supported teacher cohorts (beginning teachers, teacher leaders, supported teachers) will remain at their campus/in the district for the 2020-21 school year.	Execute the Career Pathways Teacher Leader Program to leverage highly effective teachers to support their peers	May 2021	Stipends for teacher leaders, differentiated professional development options/TSL grant	School Support Managers	Monthly review of School Support Manager logs; Teacher Leader time tracking			
	Create support systems that meet the needs of teachers first and is differentiated to their campus context — including Teacher Leader Campus Collaboratives	May of 2021	School leader with distributive leadership mindset	Career Pathways Teacher Leaders and School Support Mangers	Teacher Leader time tracking; BOY, MOY and EOY surveys of teacher leaders and their supported teachers			
	Work with school leaders to provide positive working environments	May of 2021	Face to face check ins with school leaders	Support School Mangers and TCD Team leads	Monthly review of School Support Manager logs' BOY, MOY and EOY surveys			

**Department Name:** Fine Arts Department

## Data/ Needs Assessment (include your problem statement and root cause based on your data):

The Fine Arts Department has identified seventy-six campuses across HISD where only one certified fine art teachers exist and seven campuses with no certified fine arts teacher to provide quality TEKS based instruction to students. TAC 74 and 112 mandate that every elementary that enrolls K-5 students provides TEKS-based instruction by a certified teacher in music, visual art, and theatre.

Social and Emotional Learning (SEL) Competencies are a major part of the development of the whole student/person. SEL competencies are an integral part of the Enrichment Core (Fine Arts; Health & PE) curriculum and learning. These competencies are lacking in many of our HISD students as based on teacher feedback, student surveys and community feedback. Many enrichment core teachers utilize instructional strategies that impact SEL competencies, but the district has not implemented a consistent language through the curriculum regarding the SEL competencies or had a set way to measure the student understanding and skill development of the competencies.

**Department Goal 1:** Fine arts classes taught by Certified Fine Arts Teachers at every HISD campus to establish strong community school feeder patterns and bring all campuses into total compliance with TAC 74 and 112.

Strategic Priority:	List the Strategic Priority(ies) this Goal Addresses:
1. Ensuring Student Health, Safety and Well-Being	2.Transforming Academic Outcomes
2.Transforming Academic Outcomes	
3.Increasing Organizational Efficiency	
4.Cultivating Team HISD Talent	

**Summative Evaluation (Year-End):** Compare the number of FTE Certified Fine Arts Positions on October 1, 2020, to June 30, 2021, number of FTE Fine Arts Positions for a measurable increase.

Measurable Performance Objectives	Strategy	Timeline	Resources Including Funding Sources and Dollar Amounts	Title of Person(s) Responsible	Formative Evaluation	Check Point: Results (Outcomes /Data)	Progress: 1. No Progress 2. Some Progress 3. Significant Progress 4. On Track to Meet Goal	Next Steps

Measurable Performance Objectives	Strategy	Timeline	Resources Including Funding Sources and Dollar Amounts	Title of Person(s) Responsible	Formative Evaluation	Check Point: Results (Outcomes/ Data)	Progress: 1. No Progress 2. Some Progress 3. Significant Progress 4. On Track to Meet Goal	Next Steps
Personnel will be certified in areas that promote student and bus driver safety	Systematic approach to certifying transportation personnel within the school year	2020-2021 School Year	\$100,00.00	General Manager, Transportation	Create database to track personnel certifications and trainings			

**Department Name:** Office of Special Education Services (OSES)

#### Data/ Needs Assessment (include your problem statement and root cause based on your data):

**Problem Statement (Goal One):** Based on Results Driven Accountability (RDA) Data, HISD has received a rating of Significant Disproportionate in the Discipline Indicator 13. African American students with disabilities received disciplinary consequences of being suspended out-of-school or expelled at a rate that is 3.2 times greater than any other racial group for more than 10 school days.

#### **Root Causes:**

- Lack systems for shaping behaviors of students with disabilities.
- Lack options for alternatives to suspensions and expulsions.
- Lack consistent implementation of students' Behavior Support Intervention Plans and the Student Code of Conduct.
- Lack targeted professional development to adequately address challenging discipline behaviors of African American students with disabilities.

**Problem Statement (Goal Two):** Based on STAAR 3-8, 39.3% of students with disabilities met the minimum level of satisfactory performance in Reading; 36.9% of students with disabilities met the minimum level of satisfactory performance in Science; 32.3% of students with disabilities met the minimum level of satisfactory performance in Social Studies; and 31.1% of students with disabilities met the minimum level of satisfactory performance in Writing.

#### **Root Causes:**

- Lack targeted professional development to support the delivery of specially designed instruction from general and special education teachers.
- Lack strategic and deliberate scheduling practices that align with students' instructional services in their IEP.
- Lack of centralized and campus-based systems to effectively monitor IEP implementation.

**Problem Statement (Goal Three):** Based on End of Course (EOC) - ELA, 27.8% of students with disabilities met the minimum level of satisfactory performance in STAAR EOC English Language Arts.

#### **Root Causes:**

- Lack targeted professional development to support the delivery of specially designed instruction from general and special education teachers.
- Lack strategic, deliberate, and priority-based Master Scheduling practices for students with disabilities.
- Lack consistent monitoring of IEP implementation.

**Department Goal 1:** By October 2021, the risk ratio of suspending and expelling African American students with disabilities at a greater rate than other racial and ethnic groups will be reduced from a risk ratio of 3.2 to 2.4.

Strategic Priority:	List the Strategic Priority(ies) this Goal Addresses:

**Department Name:** Innovation & Postsecondary Programming

#### Data/ Needs Assessment (include your problem statement and root cause based on your data):

The district provides direct support to campuses to offer postsecondary programs, which include: Advanced Placement, International Baccalaureate, Dual Enrollment, and Dual Credit. The district centrally supports campuses by providing professional/teacher development, Advanced Placement exams, IB exams, TSIA exams, and Dual Credit textbooks at no cost to campuses, students, and families. There are opportunities for students to leverage these postsecondary programming options to earn college credit while in high school. To increase student success, there is a need to provide more direct teacher training and support, vertical alignment between middle school and high school postsecondary opportunities, family and stakeholder awareness of postsecondary programming opportunities, and to strategically use data to inform personalized graduation plans and postsecondary program offerings across the district.

**Department Goal 1:** Improve student success in postsecondary programs across Houston Independent School District.

## **Strategic Priority:**

- 1. Expanding Educational Opportunities
- 2. Ensuring Student Health, Safety and Well-Being
- 3. Transforming Academic Outcomes
- 4. Increasing Organizational Efficiency
- 5. Cultivating Team HISD Talent

## List the Strategic Priority(ies) this Goal Addresses:

- Expanding Educational Opportunities
- Transforming Academic Outcomes

**Department Name:** College Readiness

## Data/ Needs Assessment (include your problem statement and root cause based on your data):

The College Readiness Department relies on a variety of external systems for its data analysis needs. The below data supports the strategies we have included in our plan to increase student achievement, specifically in the number of students demonstrating college readiness, enrolling in postsecondary education, and receiving financial aid and scholarship offers.

## **College Applications, Submissions and College Enrollment**

- The persistence rate (i.e., the percentage of students who enroll in college and return for a second year) for HISD graduates in the Class of 2017 was 82 percent—a higher rate than other low-income, high minority, urban schools across the nation.
- Fifty-five percent of seniors who graduated in 2019 enrolled in college during the next school year (32% to 4-year and 23% to 2-year institutions).
- For the Class of 2020, 74% of seniors applied to college (53% to a 4 year-program and 46% to 2 year-program).
- College Advisors advised 62% of 2019 seniors. Of these, 90% applied to a college (65% to a 4-year program and 60% to a 2-year program).
- More HISD graduates enrolled in postsecondary institutions in the year after high school in the Class of 2019 (6,179) than the Class of 2018 (6,175). However, the rate of enrollment has dropped slightly. HISD graduates enrolled in postsecondary institutions at 55% in 2019 and 56% in 2018. The drop in enrollment percentage correlates to an increase in the graduating class from 11,025 in 2018 to 11,245 in 2019.
- Compared to the Class of 2015 (before the district advising initiative), 16 HISD high schools had increases in college enrollment and 20 high schools improved the enrollment rate to four-year colleges and universities.
- 571 SPED seniors were advised by a College Readiness Advisor. Of those, 336 applied to college and 233 submitted a FAFSA.

## Scholarship and Financial Aid Offers and FAFSA/TASFA Completion\*

- Total increase from 2015 to 2019 for number of recorded scholarship and financial aid dollars was \$191,901,269. A 72% increase.
- African Americans increase from 2015 to 2019 for number of recorded scholarship and financial aid dollars was \$34,970,164. A 41% increase.
- Hispanic increase from 2015 to 2019 for number of recorded scholarship and financial aid dollars was \$113,433,661. A 108% increase.
- Asian increase from 2015 to 2019 for number of recorded scholarship and financial aid dollars was \$16,206,616. A 61% increase.
- White increase from 2015 to 2019 for number of recorded scholarship and financial aid dollars was \$25,725,803. A 63% increase.
- Other increase from 2015 to 2019 for number of recorded scholarship and financial aid dollars was \$1,565,025. A 22% increase.

\*COVID-19 school closures made it extremely hard for College Advisors to collect 2020 award letters. A department decision was made not to require advisors to collect 'virtually' award letters and to direct their focus to assisting senior complete their FAFSA/TASFA applications.

FAFSA/TASFA completion increased from 50% in 2016 to 59% for 2020.

Students who were advised by the College Readiness team completed their FAFSA/TASFA at a 73% rate.

**Department Goal 1:** Leverage technology and summer bridge programs to increase the number of HISD graduate who enroll in and persist once in college.

## **Strategic Priority:**

- 1. Expanding Educational Opportunities
- 2. Ensuring Student Health, Safety and Well-Being
- 3. Transforming Academic Outcomes
- 4. Increasing Organizational Efficiency
- 5. Cultivating Team HISD Talent

## List the Strategic Priority(ies) this Goal Addresses:

- Increasing Organizational Efficiency
- Expanding Educational Opportunities

**Summative Evaluation (Year-End):** Run weekly, monthly, and semester reports on usage; sign in sheets for trainings; monitor attendance in summer bridge program and track enrollment in fall.

Measurable Performance Objectives	Strategy	Timeline	Resources Including Funding Sources and Dollar Amounts	Title of Person(s) Responsible	Formative Evaluation	Check Point: Results (Outcomes/ Data)	Progress: 1. No Progress 2. Some Progress 3. Significant Progress 4. On Track to Meet Goal	Next Steps
Double the number of HISD graduates participating in HCCS summer bridge programs from 75 in 2019 to 150 in 2021. No data for 2020 since Bridge Programs were canceled b/c of COVID-19.	Using historical data, identify students most likely to benefit from transition programs. Actively recruit starting in the fall and follow up with phone calls, class visits, and text messages.	Fall 2020 through Summer 2021	\$250,000 for CoPilot Funding Source: Houston Endowment Grant. \$330,000 for Naviance: Funding Source: CTE centralized funds.	Director, Senior Manager, Managers, and Advisors.	Student Surveys given at end of bridge programs; National Student Clearing House Data.			
The percent of HISD graduates who return to a second year of college after enrolling will increase from 82% to 85%.	Will assign 5 advisors to work with students at high enrollment college and universities; deploying former graduates to act as mentors.	Spring & Summer 2019. **Department Name:** Career & Technical Education

#### Data/ Needs Assessment (include your problem statement and root cause based on your data):

The Career and Technical Education department primarily works with educators who have come directly from industry and thus need pedagogical supports to effectively deliver instruction in the classroom.

**Department Goal 1:** The CTE department will provide individualized instruction for new and experienced teachers on pedagogy and best instructional practices based on classroom observations and campus requests by May 2021 to address academic and workforce skill development in students in at least 5 high need campuses.

## **Strategic Priority:**

- 1. Expanding Educational Opportunities
- 2. Ensuring Student Health, Safety and Well-Being
- 3. Transforming Academic Outcomes
- 4. Increasing Organizational Efficiency
- 5. Cultivating Team HISD Talent

## List the Strategic Priority(ies) this Goal Addresses:

- Expanding Educational Opportunities
- Transforming Academic Outcomes
- Cultivating Team HISD Talent

**Summative Evaluation (Year-End):** The Career and Technical Education department will collect data via survey from instructors and administrators regarding services received and its impact on instruction.
