

Meet the Teacher

About Me

Welcome to Ms. Trader's kinder class! I am a proud 11th year teacher and true lover of learning. Teaching is truly a passion of mine.

I am a graduate of Jackson State University located in Jackson, Ms where I was born and raised.

In my spare time I like to shop and spend time with my four mini adults. They are my world and I like to treat my students as if they are one of them.

This year will be filled with fun and learning as I strive to bring out the very best in every child.

Ms. Trader
