Comprehensive Needs Assessment

Revised/Approved: June 14, 2022

Demographics

Demographics Summary

Seguin's community of students is represented by the following: 63% English Language Learners, 97.7% At-risk, 2.6% GT and 13% Special Ed. We have approximately 30 staff on campus that includes the following: Principal, 2 Assistant Principals, Counselor, Wraparound Specialist, Fine Arts Teacher, Classroom Teachers, and Paraprofessionals.

Seguin is a part of the Houston Independent School District RISE (Redesign. Innovate. Support. Empower). As part of the RISE program, Seguin receives additional high quality materials, financial incentives for teachers and school leaders, high quality coaching for teachers, after-school enrichment program and additional staffing allocations.

HISD is the largest public school system in Texas, and the eighth-largest in the United States. Houston ISD serves as a community school district for most of the city of Houston and several nearby and insular municipalities in addition to some unincorporated areas.

Seguin is in the Southeast side of Houston, Texas. The area is composed of a small family community where parents are involved in their children's education.

Demographics Strengths

Our school is in close proximity to the University of Houston, Houston Community College, multiple libraries, the zoo, the museum district, and many culturally-rich venues.

Language and resources support systems are in place to support our students, parents, and community.

Seguin teachers, the wraparound specialist, our nurse, and our counselor are trained in conducting wellness checks, submitting SAFs, and ensuring the wellbeing of our students.

The performance of our EL students superceded that of All students in ELA/Reading with approximately 56% of our students at the approaches level, 28% at the meets level, and 11% at the masters level on the 2022 STAAR. The performance of our EL students superceded that of ALL students in Math with approximately 57% of our students at the approaches level, 36% at the meets level, and 16% at the masters level on the 2022 STAAR.

Problems of Practice Identifying Demographics Needs

Problem of Practice 1 (Prioritized): Seguin Elementary will identify students in all subpopulations and monitor student growth. **Root Cause:** We currently have unidentified Special Education students, G/T students, Dyslexia Students, At-Risk Students, and Economically Disadvantaged Students. Unidentified students don't receive accommodations, resources, and programs needed.

Student Learning

Student Learning Summary

STAAR RESULTS

Grade Level	# Tested	Approaches	Meets	Masters	
3rd Grade Reading English	28	61%	25%	7%	
3rd Grade Reading Spanish	16	75%	56%	25%	
3rd Grade Rdg. Combined	44	66%	27%	14%

3rd, 4th , and 5th Grade Math Combined	166	72%	43%	14%	4th & 5th Grade Math Growth = 85%
5th Grade Science English	66	62%	26%	9%	
5th Grade Science Spanish	3	33%	0%	0%	
5th Grade Science Combined	69	61%	25%	9%	

Student Learning Strengths

On the Reading STAAR in grades 3-5, our scores increased from 51% to 70% at the approaches level from 2021 to 2022. At the meets level, our scores increased from 23% to 38% and at the masters level, our scores increased from 9% to 18% from 2021 to 2022.

On the Math STAAR in grades 3-5, our scores increased from 53% to 74% at the approaches level from 2021 to 2022. At the meets level, our scores increased from 29% to 45% and at the masters level, our scores increased from 14% to 16% from 2021 to 2022.

In reading, 81% of our students made growth and in math, 85% of our students made growth.

Problems of Practice Identifying Student Learning Needs

Problem of Practice 1 (Prioritized): Seguin Elementary will focus heavily on the delivery of effective first instruction. Classroom teachers will continue to receive professional development centered around the implementation of high-quality first instruction that incorporates the gradual release method of instruction. **Root Cause:** Seguin Elementary has a need for continuous improvement through weekly grade and subject level planning.

School Processes & Programs

School Processes & Programs Summary

The students at Seguin ES have an opportunity to participate in the following after school clubs: 21st Century Robotics, Communities in Schools (CIS), Coding, Cheer, Soccer, Track, Name that Book, and Eco-Club. Seguin Elementary School offers the following special education classes: Structured Learning Class (SLC) and Preschoolers Achieving Life Skills (PALS).

In addition to these programs, we provide support to all our scholars. Students at-risk, considered in urgent intervention receive additional intervention

opportunities in the form of pull-outs, after school tutorials, dyslexia pull-outs, Academic Boot Camps, and summer school.

Our students receive instruction in technology and have access to Imagine Math, Imagine Literacy, and lessons in CANVAS. The classrooms have been

outfitted with Cleverboards and have the most up-to-date technology. Additionally, students interact with lessons on HMH, Nearpod, Renaissance 360,

Reading A to Z and other Clever Apps.

Teachers and staff members receive continuous professional development through PLCs. During these trainings, teachers have the opportunity to analyze and track student data, plan for instruction, have opportunities for AT-Bats, and plan vertically and horizontally. Just as we train our teachers, our instructional leaders receive continuous training. They attend district PD and there are weekly leadership team meetings that focus on building their capacity and preparing them for roles as future principals. The principal receives continuous professional development as well.

School Processes & Programs Strengths

There are multiple programs from various student interest for students to choose from.

We are a part of the Century 21 and the Communities in Schools Program. We are looking forward to bringing many after school programs

to our school.

Our Wraparound Specialist provides our families with basic needs, support, and community resources. We have formed partnerships with the Faulk Foundation and Fair Deal Auto Sales.

We have a Theater Arts position this school year and are going to be participating in several One Act plays and other productions in addition to musical presentations and oratorical contests.

Problems of Practice Identifying School Processes & Programs Needs

Problem of Practice 1 (Prioritized): Seguin will continue to focus heavily on ensuring that our students make progress in reading across all grade levels. All classroom teachers and support staff will receive the appropriate professional development centered around first instruction to ensure an optimal learning environment for all students. **Root Cause:** Seguin ES students have learning gaps due to the pandemic. Continuous development and improvement is needed to ensure alignment through weekly grade and subject level planning using multiple sources of data and carefully planned interventions.

Perceptions

Perceptions Summary

Juan Seguin Elementary has many reasons to celebrate this year. It has received the scores on the 2022 STAAR test that allowed it to lose the Improvement Required rating which it earned in the year 2018-2019 school year prior to its change in leadership.

Leadership was changed in the year 2019-2020. New systems and procedures were introduced. The emphasis was shifted to ensure that data was being collected, tracked, and analyzed in addition to ensuring that PLCs focused on teacher development. Teachers receive support in the form of resources and tools provided by the leadership team, Teacher Development Specialists, and Data Driven Instructional Specialists. Because we were a part of Achieve 180, our teachers also received extended opportunities for professional development on selected Wednesdays. We also participate in weekly PLC. Additionally our teachers receive frequent coaching and feedback, co-teaching, and co-planning opportunities. New reading interventionists have also been added to our professional staff members. Students receive intervention in the form of pull-outs, after school tutorials, and Summer School. In the year 2021-2022, students also attended additional school days for CAMP SPARK. Our students are very lucky to be served by a counselor that provides them with classroom guidance lessons.

We communicate with parents frequently via Class Dojo, notes sent home, progress reports, report cards, the school website, and call outs. We also host Title I Meetings, Pan Dulce with the Principal, Meet the Teacher, Open House, Family Math Nights, Family Literacy Nights, and musical/theater performances.

Seguin Elementary has achieved a Platinum rating as a Family Friendly school for three years in a row. There is a positive campus culture that is built on community and customer service.

Perceptions Strengths

Seguin is a proud Platinum awarded school for the campus for being Family Friendly. Students and families that are actively involved in the school feel valued. We continuously seek to involve the parents and community.

We are active on social media, mainly Twitter and Facebook.

Problems of Practice Identifying Perceptions Needs

Problem of Practice 1 (Prioritized): Seguin will focus on improving the knowledge base for parenting life-long learners. **Root Cause:** The lack of parental awareness of the importance of attendance, understanding real world math, and foundational reading skills that are necessary to build life-long learners.

Priority Problems of Practice

Problem of Practice 1: Seguin Elementary will focus heavily on the delivery of effective first instruction. Classroom teachers will continue to receive professional development centered around the implementation of high-quality first instruction that incorporates the gradual release method of instruction.

Root Cause 1: Seguin Elementary has a need for continuous improvement through weekly grade and subject level planning.

Problem of Practice 1 Areas: Student Learning

Problem of Practice 2: Seguin will continue to focus heavily on ensuring that our students make progress in reading across all grade levels. All classroom teachers and support staff will receive the appropriate professional development centered around first instruction to ensure an optimal learning environment for all students.

Root Cause 2: Seguin ES students have learning gaps due to the pandemic. Continuous development and improvement is needed to ensure alignment through weekly grade and subject level planning using multiple sources of data and carefully planned interventions.

Problem of Practice 2 Areas: School Processes & Programs

Problem of Practice 3: Seguin Elementary will identify students in all subpopulations and monitor student growth.

Root Cause 3: We currently have unidentified Special Education students, G/T students, Dyslexia Students, At-Risk Students, and Economically Disadvantaged Students. Unidentified students don't receive accommodations, resources, and programs needed.

Problem of Practice 3 Areas: Demographics

Problem of Practice 4: Seguin will focus on improving the knowledge base for parenting life-long learners.

Root Cause 4: The lack of parental awareness of the importance of attendance, understanding real world math, and foundational reading skills that are necessary to build life-long learners.

Problem of Practice 4 Areas: Perceptions

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- HB3 Reading and math goals for PreK-3
- HB3 CCMR goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Covid-19 Factors and/or waivers for Assessment, Accountability, ESSA, Missed School Days, Educator Appraisals, etc.
- Planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations
- RDA data
- Alternative Education Accountability (AEA) data
- Local Accountability Systems (LAS) data

Student Data: Assessments

- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR released test questions
- STAAR Emergent Bilingual (EB) progress measure data
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Student Success Initiative (SSI) data for Grades 5 and 8
- Local benchmark or common assessments data
- Running Records results
- Observation Survey results
- Texas approved PreK - 2nd grade assessment data

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group

- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Violence and/or violence prevention records
- Tobacco, alcohol, and other drug-use data
- Student surveys and/or other feedback
- Class size averages by grade and subject
- School safety data
- Enrollment trends

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact

Parent/Community Data

- Parent surveys and/or other feedback
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Capacity and resources data
- Budgets/entitlements and expenditures data
- Study of best practices
- Action research results

Board Goals

Board Goal 1: The percentage of 3rd-grade students performing at or above grade level in reading as measured by the Meets Grade Level Standard on STAAR will increase.

Goal 1: The percent of 3rd grade students performing at or above grade level in reading as measured at the meets grade level standard on STAAR will increase from 27% to 35% in the Spring of 2023.

Strategic Priorities:

Expanding Educational Opportunities, Cultivating Team HISD Talent

Measurable Objective 1: By the end of the 2022-2023 school year the percentage of students meeting the Approaches Level on the STAAR Reading test will increase from the 70% to 75%, Meets Level will increase from 38% to 43%, and Masters from 18% to 23% as measured by STAAR.

Evaluation Data Sources: Curriculum Based Assessments, District Pre-Approved Assessments, Running Records, Mock STAAR, High Frequency Words

Strategy 1 Details	Reviews			
<p>Strategy 1: Teachers will implement effective first instruction strategies.</p> <p>Strategy's Expected Result/Impact: We will see an increase of at least 5% in every level of the STAAR assessment.</p> <p>Staff Responsible for Monitoring: Teachers, staff, administration.</p> <p>Action Steps: 1. Implement all steps of the gradual release method. 2. Implement HMH curriculum with fidelity. 3.. Participate in PLCs to learn more about effective strategies. 4. Integrate Really Great Reading component in language arts classroom. 5. Use lead4ward and planning guides to plan effective lessons, 6. Use Exit Tickets to track student data. 7. Provide targeted, small group interventions. 8. Provide Accelerated Instruction as necessary. 9. Implement Eureka math with fidelity.</p>	Formative			Summative
	Nov	Jan	Mar	June
	 <p>45%</p>	 <p>50%</p>	 <p>70%</p>	

Strategy 2 Details	Reviews			
<p>Strategy 2: By the end of the 2022-2023, school year, 90% of students in grades 1 and 2 will pass the High Frequency Word Assessment.</p> <p>Strategy's Expected Result/Impact: We will see 90% of the students passing their HFW assessments.</p> <p>Staff Responsible for Monitoring: Teachers, staff administration.</p> <p>Action Steps:</p> <ol style="list-style-type: none"> 1. Targeted professional development on A4E, OnTrack, and HUB, HFW Teaching Strategies 2. Data reports/conferences with teachers, PLCs 3. Provide Teachers with HFW word lists 4 Provide teachers with standardized data trackers/binders and ensure teachers are correctly and consistently updating the trackers. 5. Provide teachers with training for creating centers for HFW word instruction 6. Teachers will identify students who are not showing growth or are digressing and target them for interventions 7. Targeted professional development 8. Individual data conferences with teachers 9. Students will receive individualized HFW on a ring 	Formative			Summative
	Nov	Jan	Mar	June
				
Strategy 3 Details	Reviews			
<p>Strategy 3: By the end of the 2022-2023 school year, 100% of all teachers will be using data to make adjustments to instruction, provide small group interventions, identify at-risk students, provided Accelerated Learning Instruction, lead student conferences, and targeted supports.</p>	Formative			Summative
	Nov	Jan	Mar	June

Strategy's Expected Result/Impact: Students will improve their reading level by at least 2 levels, students will be identified for IAT, SpEd., and GT, the average of student scores will improve by at least 10% as a whole on Snapshots, Release Tests, and District Assessments in 2022-2023.

Staff Responsible for Monitoring: Teachers, staff, admin.

Action Steps: 1. Targeted professional development on A4E, OnTrack, and CANVAS

2. Data reports/conferences with teachers, PLCs
3. Provide Snapshot blueprints to teachers in advance to ensure teachers review and keep pace with the blueprints
4. Train teachers on how to populate, manipulate, and filter their data to ensure they can review and analyze it.
5. Provide teachers with standardized data trackers/binders and ensure teachers are correctly and consistently updating the trackers.
6. Teachers will identify students who are not showing growth or are digressing and target them for interventions
7. Targeted professional development
8. Accelerated learning plans and accelerated learning opportunities for students that are struggling
9. Individual data conferences with teachers
10. Provide teachers with a snapshot data analysis template
11. Provide Accelerated Learning Instruction as necessary
12. Provide tutorial services from approved vendor

TEA Priorities:

Build a foundation of reading and math

No Progress

Accomplished

Continue/Modify

Discontinue

Measurable Objective 1 Problems of Practice:

Demographics

Problem of Practice 1: Seguin Elementary will identify students in all subpopulations and monitor student growth. **Root Cause:** We currently have unidentified Special Education students, G/T students, Dyslexia Students, At-Risk Students, and Economically Disadvantaged Students. Unidentified students don't receive accommodations, resources, and programs needed.

Student Learning

Problem of Practice 1: Seguin Elementary will focus heavily on the delivery of effective first instruction. Classroom teachers will continue to receive professional development centered around the implementation of high-quality first instruction that incorporates the gradual release method of instruction. **Root Cause:** Seguin Elementary has a need for continuous improvement through weekly grade and subject level planning.

School Processes & Programs

Problem of Practice 1: Seguin will continue to focus heavily on ensuring that our students make progress in reading across all grade levels. All classroom teachers and support staff will receive the appropriate professional development centered around first instruction to ensure an optimal learning environment for all students. **Root Cause:** Seguin ES students have learning gaps due to the pandemic. Continuous development and improvement is needed to ensure alignment through weekly grade and subject level planning using multiple sources of data and carefully planned interventions.

Board Goal 2: The percentage of 3rd-grade students performing at or above grade level in math as measured by the Meets Grade Level Standard on STAAR will increase.

Goal 1: The percent of 3rd grade students performing at or above grade level in math as measured at the meets grade level standard on STAAR will increase from 45% to 50% in the Spring of 2023.

Strategic Priorities:

Expanding Educational Opportunities, Cultivating Team HISD Talent

Measurable Objective 1: By the end of the 2022-2023 school year, third through fifth grade students performing at the approaches level on STAAR math test will increase from 72% to 77%, the percent of students performing at the meets level standard on the STAAR math test will increase from 45% to 50% and the percent of students performing at the masters level will increase from 16% to 20% as compared to the 2021-2022 school year.

Evaluation Data Sources: STAAR, Math fluency tests, Imagine Math, District Pre-Approved Assessments

Root Cause: We currently have unidentified Special Education students, G/T students, Dyslexia Students, At-Risk Students, and Economically Disadvantaged Students. Unidentified students don't receive accommodations, resources, and programs needed.</p>

Board Goal 4: The percentage of students receiving special education services reading at or above grade level as measured by the Meets Grade Level Standard on the STAAR 3-8 Reading and STAAR EOC English I and II assessments will increase.

Goal 1: CLOSING THE GAPS By the end of the 2022-2023 school year, the percentage of special education students meeting their STAAR Reading and Math progress measure will increase by 20 %.

Strategic Priorities:

Expanding Educational Opportunities

Measurable Objective 1: By the end of the 2022-2023 school year, the percentage of special education students meeting their STAAR Reading and Math progress measure by 20% in math and reading in grades 3-5.

Evaluation Data Sources: Data from Benchmarks, Renaissance 360

Progress Monitoring and weekly exit ticket trackers

Administrators/District: Coaching, Walkthroughs, Observations Feedback

HB3 Board Goal

Strategy 1 Details	Reviews			
<p>Strategy 1: Provide general and special education teachers with professional development and opportunities to collaborate to ensure students' IEP accommodations are implemented early and consistently.</p> <p>Strategy's Expected Result/Impact: By the end of the 2021-2022 school year, the percentage of special education students meeting their STAAR Reading and Math progress measure by 20% in math and reading in grades 3-5.</p> <p>Staff Responsible for Monitoring: Program Specialist, Administration, Teachers, Resource Teacher and Special Ed Department Chair</p> <p>Action Steps: 1. Identify all campus SPED students 2. Ensure all teachers have their student's IEP's and understand implementation 3. Resource teacher will coordinate, schedule, and distribute pullout schedule by 9/3/2021 4. Provide specific training to identify students who may be dyslexic 5. Provide Accelerated Learning Instruction and Intervention to those students that may have failed the STAAR.</p> <p>Funding Sources: District Software, District Resources, Scholastic Reading Kits - 1991010007 - General Fund - Special Education - 6300 - Supplies and Materials - \$2,500</p>	Formative			Summative

Demographics
<p>Problem of Practice 1: Seguin Elementary will identify students in all subpopulations and monitor student growth. Root Cause: We currently have unidentified Special Education students, G/T students, Dyslexia Students, At-Risk Students, and Economically Disadvantaged Students. Unidentified students don't receive accommodations, resources, and programs needed.</p>
Perceptions
<p>Problem of Practice 1: Seguin will focus on improving the knowledge base for parenting life-long learners. Root Cause: The lack of parental awareness of the importance of attendance, understanding real world math, and foundational reading skills that are necessary to build life-long learners.</p>

State Compensatory

Budget for 373 Seguin Elementary School

Total SCE Funds: \$85,849.04

Total FTEs Funded by SCE: 2.04

Brief Description of SCE Services and/or Programs

State compensatory funds will be used to pay for general supplies, substitute salaries, and substitute support.

<u>Name</u>	<u>Position</u>	<u>FTE</u>
Bernardez, Nelda	Teaching Assistant - 10M	1
Garza, Alma	Tchr, Bilingual	0.4
Rodriguez, Selena	Teacher, 4th Grade	0.64

Title I

1. Comprehensive Needs Assessment (CNA)

1.1: Comprehensive Needs Assessment

Multiple sources of data are analyzed and used for our needs assessment. It is derived directly from the results of our STAAR test, TELPAS results, HFWE, Circle Data, Running Records, Renaissance 360, District Assessments as well as TEA Accountability tables, HISD's Comparative Growth Measures, data from PEIMS, and HISD's PowerSchool. Our planning process framework can be found in the HISD Continuous School Improvement Planning Guide. All of the work is grounded in the concepts of professional development learning.

Data analysis:

Gains have been noted in reading from 2021 until 2022. 3rd Grade Reading STAAR scores showed an increase of 9% at the approaches level. 4th Grade Reading STAAR scores showed an increase across all levels - an 18% increase at the approaches level, 23% increase at the meets level, and a 21% increase at the masters level. 5Th Grade Reading scores showed an increase at the approaches and meets level, a 25% increase at the approaches level, and a 17% percent at the meets level.

Gains have been noted in math from 2021 until 2022 as well. 3rd Grade Math STAAR scores showed an increase of 3% at the approaches level and 14% at the meets level. 4th Grade Math STAAR scores showed an increase across all levels - a 36% increase at the approaches level, 29% increase at the meets level, and a 10% increase at the masters level. 5Th Grade Math scores showed an increase at the approaches and meets level, a 16% increase at the approaches level, and a 2% percent at the meets level.

Science scores demonstrated gains too. There was a 15% increase at the approaches level and a 1% increase at the meets level.

While all of the subjects our students learn are important, the focus for this school year will continue to be math and reading.

2. Campus Improvement Plan

2.1: Campus Improvement Plan developed with appropriate stakeholders

The SIP is developed with the involvement of parents and other members of the community to be served and individuals who will carry out the plan, including teachers, principals, other school leaders, paraprofessionals present in the school, and other stakeholders. Stakeholders were involved with the development of this plan in the following ways:

*Campus-based specific plan based on student needs

*Data-driven schoolwide strategies will provide opportunities for all students to meet the advanced and proficient levels of student achievement

*Strategies are based on evidence-based research to increase achievement for each subgroup on district and state tests.

2.2: Regular monitoring and revision

Our SIP is a living, breathing document. It gets updated with data at least quarterly if not more frequently or as adjustments are needed.

2.3: Available to parents and community in an understandable format and language

The SIP is available to parents in the following locations:

The SIP was made available to parents by:

*Campus Website

*On campus, in the library

We provide the SIP to parents in the following languages:

English
Spanish

2.4: Opportunities for all children to meet State standards

Opportunities for all students to meet the TEKS include these schoolwide reform strategies:

- Coaching, Observation and Feedback
- Continuing to implement Data-Driven Instruction
- Maintaining positive School Culture at faculty meetings, and at grade and subject level PLC planning meetings
- Weekly grade and subject level planning based on the data analysis by teachers and administrators
- Staff Development
- At-Bat Opportunities
- Enhance first instruction, intervention and enrichment practices to ensure an optimal learning environment for all students
- Literacy by 3
- Structured Interventions
- Guided Reading

- Guided Math
- PK-2 interventions and enrichment will be provided during the regular school day
- After school tutoring will be provided for grades Kinder -5
- Professional Tutors
- Hourly employees may be used to supplement instruction in needed areas PK-3
- Professional development of school-wide initiatives, including improving and strengthening our writing program, refining our ESL instruction with fidelity, ensuring IEPs and accommodations are implemented and monitored through bi-weekly checkpoints
- Lay a solid science foundation in the lower grades
- Administering common assessments
- Writing across the curriculum
- Ensuring all our students are receiving a strong foundation in the lower grades

2.5: Increased learning time and well-rounded education

Ways that we increase learning time and a well-rounded education for our students include:

*ensure students safety, health and well being

*build and foster better communication and interactions among staff and students on campus

*restorative discipline practices

*classroom guidance lessons

*enrichment practices to ensure an optimal learning environment for all students

*lay a solid science foundation in the lower grades

*field trip opportunities to acquire exposure to the world

*opportunities for G/T projects

2.6: Address needs of all students, particularly at-risk

An important campus focus is on schoolwide reform strategies that provide opportunities for all students, particularly those students who are at risk of not meeting the challenging

State academic standards at advanced and proficient levels of student achievement. The strategies provided are based on evidence-based research to increase achievement for each student group on state tests and other assessments. Examples include the following:

Building teacher capacity in their content areas and instructional areas

Proficient Tier 1 explicit instruction taking place in all content areas

Bi-weekly AT BATs

Small Group Instruction based on student data needs

3. Annual Evaluation

3.1: Annually evaluate the schoolwide plan

The School Improvement Plan will be visited and evaluated at least quarterly to make adjustments as needed and to see if we are nearing mastery of achieving our goals.

4. Parent and Family Engagement (PFE)

4.1: Develop and distribute Parent and Family Engagement Policy

The following individuals, including roles (parents, teachers, admin, etc.) assisted with the development of the Parent and Family Engagement Policy:

- *Parent - Yetzamani Peña

The PFE was distributed

- *On the campus website

- *Parent Meetings

- *Campus

The languages in which the PFE was distributed include

- *English

- *Spanish

Five strategies to increase Parent and Family Engagement include:

- 1) Provide multiple opportunities for parents to engage in school wide initiatives such as (parent conferences, health and wellness screenings, etc).
- 2) School Leadership and staff fosters an environment that welcomes all stakeholders by providing excellent customer service
- 3) Provide frequent communication to stakeholders such (newsletters, phone calls, weekly folders, etc.)
- 4) Provide PAC meetings and community led partnerships to educate and connect parents with needed resources
- 5) Provide school based events such as: Family Nights (STEAM nights, Family Math Nights, Family Reading Night, Fall and Spring Festivals)

4.2: Offer flexible number of parent involvement meetings

The campus will provide four Title I Parent Meetings and each meeting had an alternate time/date to accommodate parents' schedules. The meeting dates are listed below:

Meeting #1 - Thursday, September 22 from 4:00-5:00 p.m.

Meeting #1 Alternate - Friday, September 23 from 10:00-11:00 a.m.

Meeting #2 - Thursday, November 10th from 4:00-5:00 p.m.

Meeting #2 Alternate - Friday, November 11th from 10:00 -11:00 a.m.

Meeting #3 - Thursday, February 16th from 4:00-5:00 p.m.

Meeting #3 Alternate - Friday, February 17th from 10:00-11:00 a.m.

Meeting #4 - Thursday, April 13th from 4:00-5:00 p.m.

Meeting #4 Alternate -- Friday, April 14th from 10:00-11:00 a.m.

5. Targeted Assistance Schools Only

SIP APPROVAL 2022-2023

School Name and Campus #:

Seguin Elementary

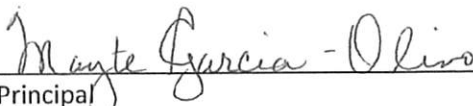

Principal Name:

Mayte Garcia-Olivo

School Office: RISE

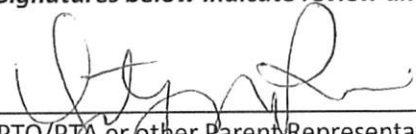

Please print this document and complete.

This School Improvement Plan (SIP) was developed according to the procedures described in this document. The final draft of the plan will be submitted to the Shared Decision-Making Committee (SDMC) on September 12, 2022 as evidenced by the SDMC agenda. Through the SDMC, the SIP was reviewed with parents, community members, and the school's professional staff. In addition, the plan will be presented to the professional staff for a vote.
