How to Access STAAR Results

To view a student's STAAR results, parents can visit: www.texasassessment.gov and enter the requested information.

If you do not know your student's access code, select the second link ("How do I look up my access code?") and enter student information (Social Security Number, Date of Birth, and First Name). The access code will populate, and you can click on "Go to Login", re-enter the Date of Birth and Student Name and click "LOGIN". Score report will populate.

Also, students will receive access information via their school email account, (Subject: Portal Access Code) which will include the students' Unique Student Access Code and allows them to access the score report.

Congratulations Westside Music Department

While many of us were celebrating Memorial Day weekend with BBQ gatherings, our music students were in Austin competing in Solo and Ensemble at the state level. We are so proud of their efforts and their results.

Many received Superior ratings, Gold medals, and Excellent ratings, Silver medals. In particular, we have two students that received not only Superior ratings but also the

OUTSTANDING PERFORMANCE AWARD, which is extremely difficult. Out of 20,000 students competing, only 282 students received the Outstanding Performance award. Congratulations to Kai Mahone (trumpet) and Brigham Smith (piano).

Congratulations to Our Class of 2024 Graduates!
