Futures Academy HCC Graduation

Congratulations to the Futures Class of 2024!!

Westside extends its heartfelt congratulations to the Futures seniors who have achieved a significant milestone by earning their Associate's Degrees concurrently with their high school diplomas. This remarkable accomplishment is a testament to their hard work, dedication, and academic excellence. These students will be presented with their diplomas at the HCC Graduation ceremony on June 13.

This program required dedication and lots of hard work as students had to take classes after school and over the summers, along with during the school year. Through their commitment to learning, they have not only attained their college diplomas but have also gained skills and knowledge that will serve as a strong foundation for their future academic endeavors.

Congratulations to the HCC graduates and the Futures participants!
