Accolades

Westside High School

has been recognized for the

2023 AP[®] School Honor Roll

for developing an AP program that creates a college-going culture and gives students opportunities to earn college credit and to maximize their college outcomes. Westside High School is also honored with the 2023 AP Access Award for ensuring AP coursework is equally available to students no matter their backgrounds.

Upcoming Testing

PSAT 9 & PSAT/NMSQT on October 11

Audience: All 9th, 10th, and 11th grade students

Parent Information: <https://blog.collegeboard.org/parents-guide-psat-nmsqt>

Students should: arrive at school no later than 7:30

Bring the following items: Photo ID, Calculator, Laptop and charger (the test is all done digitally)

We recommend that phones be left home, but if they must be brought to campus, students should be prepared to turn them in to their proctor before testing.

For security reasons and to prevent disruptions on test day, no visitors are allowed on campus during testing. Please note that we can only accommodate 11th grade homeschooled students at this time.

ASVAB Career Exploration Program at Westside High School - sign-up by 11/3

Westside High School is very excited to announce our partnership with the [ASVAB Career Exploration Program](#), a free career planning tool.

Participation in the ASVAB Career Exploration Program is optional and **open to any WHS student in grades 11 & 12 who are not sure about what they want to do after high school**. Taking the ASVAB test does not commit students to the military in any way.

Click [here](#) to register for the test by November 3rd.

Test Date:	Wednesday, November 15, 2023
Location:	TBD
Time:	7:45 am
Length of Test:	3 hours

To view Frequently Asked Questions about the program, please click [here](#). If you are a student and wish to view more detailed information about the program, please click [here](#).

TSIA2

The Texas Success Initiative Assessment 2.0, better known as the TSIA2, is a series of placement tests for students who plan to enroll in Texas public colleges & universities. These tests help Texas schools determine whether a current high school senior is ready for college-level courses in reading, writing, and math upon their college enrollment.

Students are **not** required to take the TSI if they have met college readiness standards through the SAT or successfully completed a high school college preparatory course. Students are recommended to contact the college they will be attending to see if they need to take the TSI. SAT Score Exemptions are as follows: Evidence-based Reading & Writing: 480 and Math: 530

In the case that a student does not pass one or all parts (reading, writing and math) of the TSI, they will be required to enroll in developmental education classes during their freshman year of college and **must pass** the course before being able to move onto their additional required college-level courses, such as College Algebra and English Composition. These developmental courses are "Credit/No Credit" only, meaning they do not count towards a student's college GPA, and they are also **not** covered by financial aid.

To determine if your student will need to take the TSI, have them log into their [College Board](#) account to view their SAT scores. If a student is unable to login and/or needs to reset their account, contact College Board Customer Service at 866-756-7346. It is highly recommended that students use their personal email addresses for their account as they will lose access to their HISD email following graduation.

News from Athletics

Tennis Districts update from Coach Ambree Christy:

Our tennis team played at districts last week. Through constant rain delays slowing us down, each player showed up and gave their best effort each day. Francisco Fonseca and Sricharan Machavarapu won all of their doubles matches.

We play tomorrow at 3 pm at Memorial HS.

Cross Country Districts Update from Coach Guy:

Last weekend the Boys & Girls Cross Country Team competed in the District Championships.

The Varsity boys placed third as a team and advanced to the Regional Championships, which will be held October 24th at Kate Barr Ross Park in Huntsville TX, starting at 8:00am. The boys were led by Nicolas Hutchinson with a 4th place overall finish. The members of the Varsity Team are Langston Beard, Job Ayala, Gavin McMahon, Talon Coulter, Alexander Medina and Jaden Insaideo. Other members include Ruben Soares, Javier Martinez and Gabriel Hogan.

The JV boys ran a strong race and never quit. Team members include Johnathan Phan, Jacob Zeiter, Ziad Gire Yousef El-Miari and Shamah Amichoh.

The Freshman boys were paced by Joshua Ffrench, who placed **1st overall, beating his nearest competitor by over 2 minutes on the 2 mile course.**

The lady wolves were led by sophomore, Cynthia Lo, who placed 18th overall in the varsity division. The JV girls placed 3rd as a team and the members include Molly Maguire, Karis Chiao, Karla Martinez, Valeria Gomez, Noshin Nawar, Jenna Redwan and Javiera Herrera. Other team members include Amanda Santiago and Daniela Barcenas.

Overall, this was a very successful season for a group of dedicated young men and women who wake up every morning at the crack of dawn to put in hard work, day after day. This was also the very first cross-country season for the majority of the team so we are looking forward to next year.

College Center Announcements for Seniors

Financial aid:

FAFSA - While [FAFSA](#) traditionally becomes available every October, due to major changes to the application and website, the 2024-2025 FAFSA application will not be made available until December 2023. An official release date has not been confirmed but colleges across the U.S. are aware of this change. However, the College Center is recommending students to still submit by the original priority deadline of January 15th to be safe. A major change to keep out for is that what was previously known as the “*Student Aid Report*” will now be shown as “*FAFSA Submission Summary*.”

TASFA – The biggest update to share about [TASFA](#) this year is that it will now available online! Each student and one parent/guardian will create an account and complete the application online and will have the ability to send their completed online TASFA applications to up to 10 schools.

Scholarships:

HISD has provides students with a list of “Hot Scholarships” that are available to them throughout their senior year. The Hot Scholarship list for October-December is accessible through each student Schoolinks account and be found the by following these steps: *Digital Resources > Schoolinks > Finances > Scholarship Matching*

Testing:

SAT for Seniors - There are still several opportunities for seniors to take the SAT and/or ACT this school year! While many schools remain test optional, meaning SAT test scores are not required to be sent as part of the admissions process, a school may still ask for a student’s test scores to determine that they are “college ready.” To meet this criterion, a student must have scored the following: Evidence-based Reading & Writing: 480 and Math: 530

SAT for Juniors - A major change to the SAT is that starting in March 2024, **all** SAT exams given will be **digital**. Click [here](#) to find upcoming test dates for the 2023-2024 academic year. Juniors will take the School Day SAT in March 2024, and are recommended not to test before then as they will not have covered some material yet.

ACT – Click [here](#) to find upcoming test dates for the 2023-2024 academic year.

College and Career Planning:

- College Center Advisors are currently presenting in all Senior English 4 classes to discuss all things related to the college application process and Schoolinks account setup/utilization.
- Open lab in in the college center is as follows:
 - ◆ During lunch
 - ◆ Off campus (7th period)
 - ◆ After school (on occasions if we’re in a classroom presentation throughout the day)
 - ◆ On very few occasions, the college center will be closed due to presentations or trainings.
