# SAT Scores

## SAT Score Reports Now Available!

Dear Parents & Guardians,

SAT score reports for your student are now available! Students can view their scores by logging into their **College Board account**.

## Why SAT Scores Matter

SAT scores are used by colleges and universities to assess a student's readiness for college-level coursework. The SAT also helps identify areas where students are excelling or may need additional support.

The College Board has established **College Readiness Benchmarks** that indicate whether a student is on track for success in college:

- **480 in Evidence-Based Reading and Writing (ERW)**

### 530 in Math

Students who meet or exceed these benchmarks are more likely to succeed in credit-bearing college courses without the need for remediation.

Encourage your student to review their scores carefully and use this information to help plan for the future—whether that means additional practice, retaking the SAT, or exploring college options.

---

If your student already has an account, they can log in here:

🔗 [www.collegeboard.org](https://www.collegeboard.org)

If your student has an account but forgot their login information, they can click "Forgot Username or Password" on the [College Board login page](#).

---

If they do **not** have an account yet, they can create one by following these steps:

### How to Create a College Board Account:

Go to [www.collegeboard.org](https://www.collegeboard.org)

1. **Click** "Sign Up" (left side of the homepage)
2. **Select** "I am a Student"
3. **Create** a unique username and password
4. **Enter** your full name, email address, and date of birth
5. **Provide** your high school name and graduation year
6. **Review** and confirm your information
7. **Choose** a security question and answer
8. **Accept** the terms and conditions

**Complete** the process and you're done!

Scan the QR Code to visit College Board:

Encourage your student to review their scores and use this opportunity to plan their next steps toward college and career readiness.

### FAQ:

**-What do I do if my student graduated and needs to get their book?** Parents/graduated students can call the school and schedule a time to come get their book at any time during the day. You can also have a sibling pickup your book for you.

**-What do I do if I am on the Waitlist?** Waitlisted students will be contacted during Make Up Days to come complete their purchase. We will go in the order Waitlist orders were placed. All waitlisted students may not be able to receive a book. This is quantity dependent.

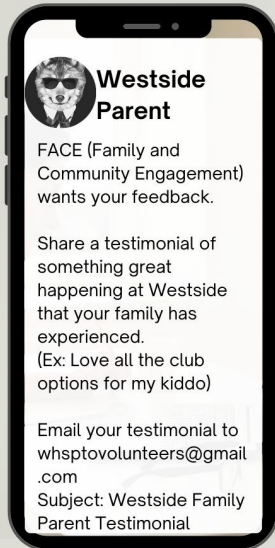

**-What do I do if I forget/am absent during all pick up and make up days?** You will need to come by E230 to speak to me about receiving your book.

**-Will you sell off books that do not get picked up during Pick Up and Make Up days?** No. Abandoned books will not be sold until the following school year. You are free to contact the Yearbook Sponsor in the fall of 2025 regarding extra book sales.

**-Will you have extra books to sell during the 24-25 school year?** No. As it stands, we will not have any extra books for anybody outside of the waitlist. If this changes, an email will be sent out.
