PSAT on October 16

On Wednesday, October 16, 2024, all 9th, 10th, and 11th grade students will take the PSAT/NMSQT (Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test). This test measures for the knowledge and skills that are essential for college readiness and success. The College board is the organization that develops and scores the PSAT/NMSQT tests as well as the Advanced Placement exams and the SAT.

For 9th graders, the score sets a college readiness baseline, and then in 10th grade, the score provides a check on the progress in comparison to that baseline.

For 11th graders, the scores from the test help narrow their college choices. The results can also qualify the student for the National Merit Scholarship competition and open up future college scholarship opportunities.

On test day, students should:

Arrive at school by 7:30 am

Wear their Westside photo ID

Bring their Chromebook AND charger (all testing is done digitally)

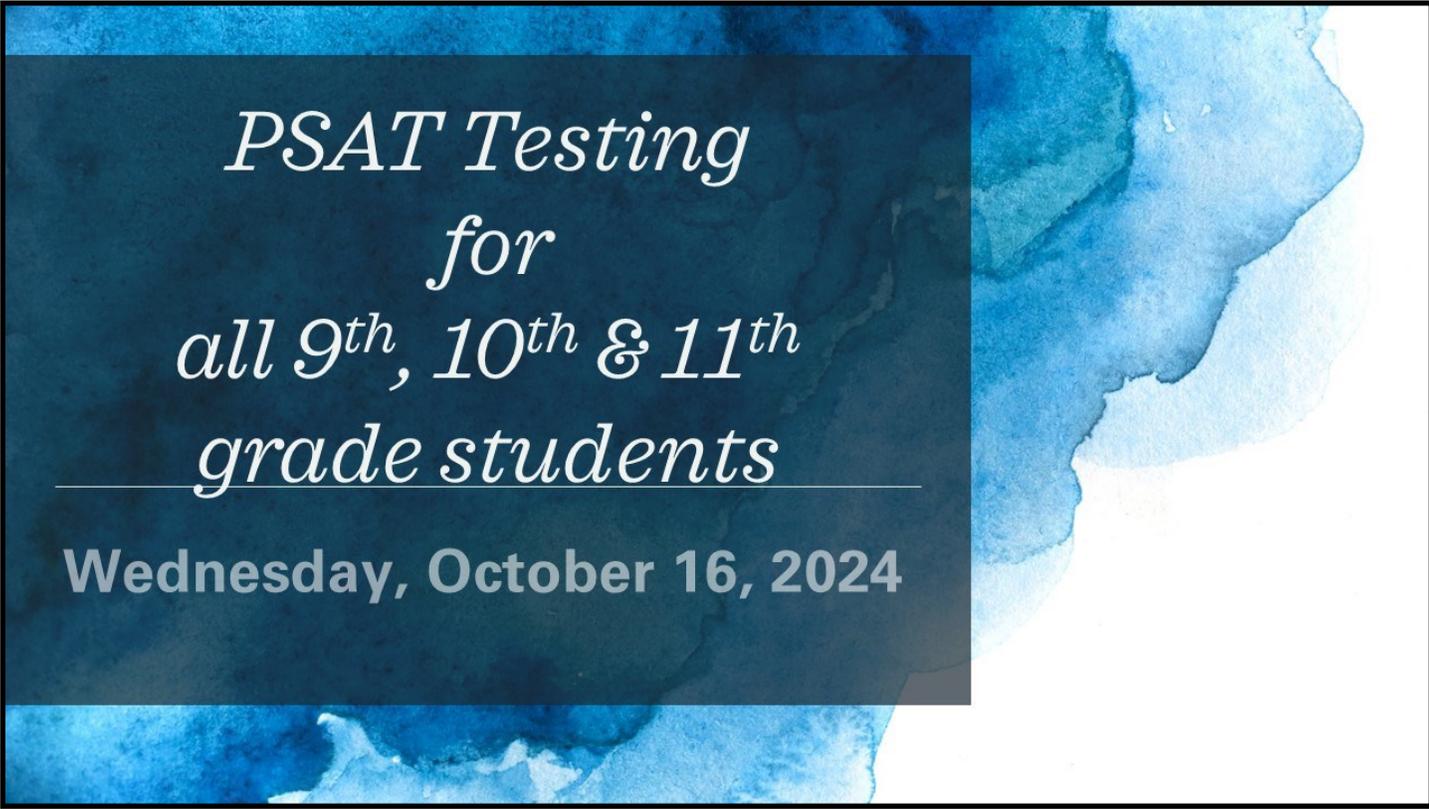

Be prepared to turn in all electronic devices and accessories (they will be secured and returned at the end of testing)

Please note that if a student's electronic device disturbs the testing environment by making a sound, per school policy, the device will be confiscated for two weeks, and the Testing Coordinator will report the irregularity to the College Board. This may result in the test not being scored. Please note that this applies even if the phone is not in the student's possession, for it will still have created a disturbance to the testing environment.

Scores will be available in your student's college board account in November; we no longer receive paper score reports.

Finally, no visitors are permitted on test day.

If you have any questions or concerns, please contact our campus testing coordinator at Schandra.holloway@houstonisd.org
