PURPOSE: The meeting discussions focused on reviewing gym graphics.

AGENDA:

- Review of Interior Graphics
- Project Status Update
- What to expect at the next PAT meeting

DISCUSSION:

1. Review of Interior Graphics: Marvin Stone, HISD Project Manager opened the PAT meeting before turning over to Luisa Molina of Stantec.
 - a. Ms. Molina presented various options of gymnasium floor graphics for review and discussion by the PAT.
 - b. Principal recommended that an alternative logo be considered so as not to run into copyright issues with one of our state universities. The Sterling administration will provide a pdf of the current logo for use.
 - c. Ms. Molina also showed wall graphic options for the competition gymnasium.. At the south wall, space would be provided for the school logo at the center. On the north wall, the suggestion by the PAT was to have the wording "Raider Nation" or something similar.
 - d. The architect will make the adjustments per the recommendations and forward the revisions to Mr. Stone for review with Principal Fuentes.
 - e. Ms. Molina also present proposed graphics at the main entry and the elevator tower. The PAT liked the wing graphic for the elevator wall, and the proposed graphics at the main entry wall between the corridor and the hangar lab.
 - f. Ms. Molina also advised there was still time to consider graphic ideas for the wall adjacent to the Gym entry at Corridor C102.
2. Project Status Update: The meeting concluded with a tour of the facilities so that PAT members could view the construction progress.

WHAT TO EXPECT AT THE NEXT PAT MEETING:

1. Project status update.

NEXT PAT MEETING: TBD.

Please review the meeting minutes and submit any changes or corrections to Marvin Stone. After five (5) calendar days, the minutes will be assumed to be accurate.

Sincerely,
