✓	Sheridan, Dustin	CMAR-Satterfield & Pontikes
✓	Sullivan, Mark	Gensler Architects
	Walker-Rice, Daniel	Rice & Gardner Consultants, Inc.
	Wright, Kedrick	HISD-Facilities Design

**PURPOSE:** The purpose of this meeting was to discuss development of design including selection of an exterior option.

**AGENDA:**

- Review site plan updates
- Review floor plan updates
- Review front entry revised scheme for approval
- What to expect at the next PAT Meeting

**DISCUSSION:**

1. HISD Project Manager Brian Alling welcomed the participants and introduced Ms. Nina Murrell of Gensler Architects to present the project updates.
2. Ms. Murrell presented the development of the floor plan since the last PAT meeting. Ms. Murrell noted the plans have not changed significantly but that she did want to review the ‘timeline’ graphic in regards to floor plan location. Comments from the PAT included:
  - a. The PAT liked the idea of locating the wall graphic on corridor walls outside the Library but cautioned that the graphic needs to ‘fit’ on the wall length.
  - b. If the graphic timeline does not fit, the PAT agreed the timeline should be located on the corridor wall outside the new Art area.

3. Two options for the exterior facade at the main entrance were presented to the group. Comments included:
  - a. The group preferred the modified design which uses an elevated center column bay and makes the roof over the front door entry taller. This design option was a further developed version of the rough-sketch design shown to the PAT at the previous month's meeting.
  - b. Attendees agreed they liked the location and shape of the cast stone 'W' element on the entry columns flanking the front entry doorway.
4. The PAT was also shown the updated 34<sup>th</sup> Street view of the building additions. Attendees noted they liked the final resolution design of the elevation and agreed additional tree(s) may be added in the grass area between the building and 34<sup>th</sup> Street.

**ACTION ITEMS:**

1. None

**WHAT TO EXPECT AT THE NEXT PAT MEETING:**

1. Attendees will review the developments to the plans.
2. The contractor team will present an update on the construction progress.

**NEXT PAT MEETING:** Monday, September 22, 2013 4:30 pm, Waltrip High School Library  
Please review the meeting minutes and submit any changes or corrections to the author.  
After five (5) days, the minutes will be assumed to be accurate.

Sincerely,

**Brian S. Alling**

Program Manager
