2. Project Timeline
 - a. January: **PAT Meeting, Thursday January 21, 2016 at 5:30 pm.**
3. Presentation
 - i. PAT – Questions number of temporary parking
 - a. Moody Nolan – There are 128 temporary parking spots
 - ii. PAT- Questions the materiality of the gymnasium screen divider and its mechanics.
 - a. Moody Nolan – Explained the gym layout and the divider's location which bisects the Gym.
The divider is made of a vinyl material and retracts into the wall
 - iii. PAT – Questions the visibility of the court striping
 - a. Moody Nolan – All of the necessary lines for each sport will be distinguishable. This will be done through the use of different colors and the orientation of the striping.
 - iv. The PAT would like the Project Team to explore the cost of adding brick and provide a cost differential between brick and tilt wall
4. Upcoming Meetings
