- We believe that the community has a right to transparent operations across the district in all schools, departments, and divisions.
- We believe that meaningful engagement with the community is important in all major decision-making.

PARENTAL INVOLVEMENT IN DEVELOPING THE POLICY

All school and district activities will promote and encourage parental involvement. The district will offer Parent Consultation Meetings to collaborate with parents and other stakeholders about the policy. Parent Consultation Meetings will consist of volunteers such as parents, guardians, Title I Campus Contacts or other campus staff members, administrators, members of the community and central office staff to update the District Parent and Family Engagement Policy. The goal is to have parent participation in the decision-making process regarding the Title I, Part A program.

SCHOOL-PARENT COMPACTS

A School-Parent Compact is an agreement that outlines how parents, staff, and students will share responsibility for improved academic achievement. Each school must share the responsibility with parents for high student academic performance by developing a School-Parent Compact cooperatively and collaboratively with parents.

Parents will receive the School-Parent Compact from their child's school with a list of responsibilities. Teachers, parents, and students will each have specific responsibilities for helping students achieve their goals. Student responsibilities may vary by grade level. Communication between parents and school personnel must be in the language parents understand.

The School-Parent Compact is strongly encouraged to be discussed at all school events. Per the United States Department of Education (USDE) statute, in elementary schools the School-Parent Compact shall be discussed, at least annually, at parent-teacher conferences as the compact relates to the individual child's achievement.

SCHOOL SUPPORT SERVICES PROVIDED BY THE PARENT AND FAMILY ENGAGEMENT DEPARTMENT

The Houston Independent School District values parents as partners in preparing our students to succeed in college, career, and beyond. The Family and Community Engagement (FACE) Department is dedicated to building intentional partnerships to advance student achievement by promoting a welcoming environment, honoring families, and linking activities to learning. FACE offers many services to help all HISD schools improve their unique engagement programs. The services are designed to give school staff and faculty the tools they need to build relationships with parents, link family events to learning, address differences on their campuses, support parent advocacy, and share power with their communities.

STAFF-PARENT COMMUNICATION

For Title I, Part A campuses, communication with parents is important. To facilitate excellent communication between parent and school personnel, the school may utilize the following strategies: monthly newsletters, written notifications, phone calls, emails, social media engines and podcasts. Communication between parents and school personnel must be in the language parents understand. To better assist campus-parent communication, the district may provide trainings for school personnel on beneficial communication skills with parents.

ANNUAL MEETING FOR TITLE I, PART A PARENTS (TO BE HELD DISTRICTWIDE AND IN EACH SCHOOL)

An Annual Meeting for Title I, Part A parents will be held as a stand-alone campus meeting separate from Open House or any other school/parent meeting. The district will provide trainings for schools on Title I, Part A Section 1116, and best practices in conducting the Title I, Part A Annual Meetings where parents are informed on how funds are used on their child's campus for parental involvement activities. A flexible number of meetings must be offered throughout the school year. The district has mandated at least eight meetings a year. Four meetings in the Fall and four meetings in the Spring. Two of the meetings in the Fall will be the Fall Annual Title I Meeting. Two of the meetings in the Spring will be the Spring Annual Title I Meeting.

EVALUATION

In collaboration with parents, HISD will conduct an Annual Consultation Meeting to review the content and effectiveness of all federal programs, and parents will be asked for their input. The district will evaluate the Title I, Part A Parent and Family Engagement Program by collecting information from parent surveys. The parent survey results will measure any increase in parental involvement and identify any barriers to effective parental participation. Annually, HISD will review and revise, as necessary, the District Parent and Family Engagement Policy based on this annual review.

CONCLUSION

Everything we do as a district must be done alongside the community – from our efforts to transform schools to the way we engage with parents navigating the special education process. We recognize the need to streamline communications and build stronger relationships with parents and the community. We will create clear, easy pathways for parents to contact campus and district staff to gather information and address concerns. We will host listening sessions, build partnerships, and provide leadership development opportunities for parents across the district to ensure their voices inform and influence decision-making. Through our efforts, we will remain laser focused on providing “best-in-class” customer service to our community.
