Planned Senior Events are yearbook, prom, class trip. As we know these activities are expensive and student have been notified of varied costs

Current Issues

Dress Code – Most students are arriving in dress code. The admin team has started to complete dress code checks daily. Students out of dress code are sent to ISS. They are allowed out if they get in proper dress attire.

Tardy - Students are required to call parents once they enter the building after 8:30am. If we speak to parents' students are allowed to return to class. Principal Contreras states that this does appear to be assisting with tardies.

Ms. Boyd Thompson asked about incentives to keep students motivated. She stated that if students have a voice they may comply more. She stated that they also did attendance contracts at her previous school. She stated that reaching out to local business like the taco shop for gift cards may also be beneficial to the campus. She states that she would also have some discounted rates/items from NASA to also use as an incentive.

Next meeting SDMC members agreed to use TEAMS. Members were notified about sign -in sheet for today's meeting.
