Principal's Corner

This week we celebrate our administrators during National Assistant Principals' Week. Our Assistant Principals and Academic Deans carry heavy loads and do so with such incredible heart. I absolutely could not do this work without their unwavering support and their dedication to the children of Lamar. Please take just a moment this evening to let them know how much you appreciate them.

Job Fair

We are gearing up for our SECOND Career Kickstart Job Fair on April 23 and we would love for you to join us!

Our goal is to create opportunities for our students to engage with real-world experience related to the career and technical education program (CTE).

CTE is an HISD initiative that allows students to shape their education around their desired career pathway. At Lamar, we offer on-campus courses related to business marketing and finance, agriculture, culinary arts, journalism, engineering, computer sciences, and more!

Your business can get involved with our students' education at Lamar and help shape their futures by bringing your expertise, modeling your leadership, and opening your doors.

At the fair, we'd love for our students to have the opportunity to connect with your business in any of the following ways:

- Shadowing and observation
- Mentorship
- Internship
- Field experiences
- Entry-level positions

If you are interested in participating in the Career Kickstart Job Fair, please reach out to me directly via email at kadee.harper@houstonisd.org.
