Adjustment to Office Hours

Beginning Monday, Office Hours will start on the hour but end after 50 minutes. This will allow students and teachers to take a break. How will this work? Office Hours starting at 9:00 will end at 9:50.

1-800-STUCO

Hey Texans! We hope you all are doing well despite the circumstances we are currently under. Although we will not be on campus for the time being, we must continue to practice the health precautions recommended by the CDC to wash hands/sanitize frequently, distance ourselves from others, stay home if we are sick, and cover our coughs. By using these methods, we will slowly but surely stop the spread of the COVID-19 virus. If you have any suggestions about how to keep school spirit alive, please do not hesitate to email us at 1800STUCO@gmail.com! Stay safe!

Let's have a little fun and play Lamar Bingo! Email us at 1800STUCO, tag Mrs. Graves @viewfromthelhsbalcony or STUCO @lamarstudentcouncil on Instagram. Open the following attached to participate: [Lamar bingo.docx](#)

IB Update

Earlier this morning, the Director General of IB sent out a message with some updates for all students in IB course. You can always see the most up-to-date information here: <https://ibo.org/news/news-about-the-ib/covid-19-coronavirus-updates/>

The newest information for students and families is:

How will a student be awarded an IB Diploma or Certificate?

We will award each student a grade for each of their registered subjects using a calculation that takes into account their coursework marks and their predicted grade, as submitted to the IB by their school. For most components we will externally mark work that is usually marked by teachers, instead of taking samples and applying moderation.

Will students be awarded a Diploma, numerical grade for each subject, the core and overall?

We will be awarding Diplomas and Certificates for the May 2020 session. At a subject level, students will be awarded a grade on the normal IB 1-7 scale. Theory of Knowledge (TOK), the Extended Essay and the Career-Related Programme Reflective Project will be awarded a grade on the normal IB A-E scale. The DP core will be awarded on the normal IB 0-3 scale. A total points score will be awarded for the Diploma, out of 45 as normal.

Student Led Conferences

Students, if you have not yet hosted your SLC, you will still do so. Expect an invitation to arrive in your student's HISD email. Your invitation will include the date and time of your SLC.

Parents and students, please remember to check your student's HISD email regularly. Every student enrolled in HISD has an HISD email address. Because this is the most comprehensive communication tool available to us, we will use it regularly, along with several others. Parents, if you do not know your student's HISD email address, please email your neighborhood clerk.

HISD Relaunches Food Distribution

As our district continues to deal with the ongoing COVID-19 pandemic, food distribution sites operated by HISD Nutrition Services will relaunch on Monday, April 6, with a streamlined process that will implement increased safety measures.

HISD Nutrition Services will continue to work with the Houston Food Bank for the initiative and use the Hexser T. Holliday Food Services Support Facility as the central hub for this initiative. Staff will pack food boxes at the facility, which then will be delivered to the distribution sites Monday through Friday. Each site will distribute 500 boxes per day.

As a safety measure, HISD will also employ the [Standard Distribution Method](#) developed by the I Love You Guys Foundation, which will streamline efforts and include social distancing for both staff and families.

As families arrive at the sites, staff members will fill out an Emergency Food Assistance Program Form for them, minimizing interpersonal contact, and place boxes in car trunks. Participants who walk up to the sites must also adhere to social distancing requirements.

Until the distribution sites open, there are options for families in need.

The City of Houston is operating a curbside meal program at [50 community centers](#) around the city Monday through Friday from 1 to 3 p.m. Free meals, including a lunch and a snack, are available for youth ages 1 to 18. Only children who come to the site for pickup can receive the meal. Parents are not allowed to take food for a child that is not present at the time of pickup.

Additionally, families can visit HoustonFoodBank.org to see the 250 open partner sites that are located across greater Houston.

As we work hard to flatten the curve of COVID-19, please stay safe and continue to follow all recommendations for handwashing, social distancing and remaining at home.

Grenita F. Lathan, Ph.D.
HISD Interim Superintendent

Fall Credit Appeal

Students who received an NG for a course in the fall semester will have one additional opportunity to complete the Credit Appeal process. Students who eligible for this process are receiving an email directly from Mrs. Graves with instructions for regaining credit for that course through an online setting. The deadline to complete the credit appeal time is April 15, 2020 at 11:59 p.m. Any student who has not regained credit for a course will be reseated in that course for the Fall semester.

Junior School Day SAT Rescheduled

The SAT School Day administration for all Juniors, originally scheduled for April 28, 2020, has been rescheduled for October 14, 2020. The current Juniors will sit for the SAT, free of charge, in October as Seniors.

Any Juniors who are hoping to meet early action/decision deadlines next fall should consider signing up for the SAT in June or August 2020. Check with the Lamar College Corner for more information.

Special Services and Covid-19

For students receiving special education services in the general education classroom (in-class-support/co-teaching) the Special Education Co-teachers will be holding office hours on Microsoft Teams. The Co-teacher office hours will be scheduled to take place after the content teacher's office hours as much as possible. When your student participates in the live office hours, it is an opportunity to ask questions, get additional direct instruction, and get help from the co-teacher/s. Please reach out to your student's case manager and/or co-teacher/s if you have questions regarding their office hours.
