## Principal's Corner

Let's finish strong!

We have one grading cycle left in this school year. This is 30% of your final grade and has the potential to bring up or drop your grade. Let's stay focused on the tasks in front of us! Any class delineated with an SL2 or HL2 will have a corresponding IB exam. Please be aware of the schedule provided. Taking an IB exam will allow students to exempt from the course final exam.

I also want to remind the Lamar community that students are not allowed to leave campus during the school day, not even during lunch. We have noticed an uptick in students attempted to leave campus and have had to respond to calls from local merchants about students on their premises during the school day. Students, you know the rules. Please be where you are supposed to be.

PLEASE NOTE THE MESSAGE SENT TO JUNIORS EARLIER THIS WEEK:

Message to our Juniors –

I want to remind you that enrollment in a 5.0 IB course requires you meet the expectations of the course. Course requirements include not only daily assignments, but also Extended Essay, Internal Assessments, Oral Assessments and sitting for the IB Exam. If you fail to meet the expectations of the course, by non-submission of one of these items, you will be removed from the second year of the course and placed in an on-level class for the senior year. Make sure you are taking care of your business by submitting your work on time and attending required assessments.

## IB Fees are Past Due

IB Fees are past due. All students who are currently taking an IB course (SL2 or HL2) have been registered for testing. Current seniors must pay the fee to complete senior check out.

The actual cost of registering students for courses is \$119 per subject. HISD and Lamar HS take on the majority of costs associated with the registration and administration of exams. Students are asked to cover part of the fee. Whether you are taking one exam or are testing in five subjects, we ask that each student pay \$90 for the School year. Students who complete the SocioEconomic form and qualify for additional benefits are asked to pay a reduced fee of \$30 for the school year. Make payments through school pay at <https://www.schoolpay.com/pay/for/IB-Registration-Fees/MdWo>

To avoid convenience fees, payments may be made in the business office by cash, money order or cashier's check. IB Fees are non-refundable.
