## Principal's Corner

As we wrap up March, we need to start planning for end of year assessments. It is critical for our students to understand the calendar and expectations for STAAR exams, AP exams, IB exams and course final exams.

### IB Exams

Students who are currently enrolled in an IB course with the SL2 or HL2 designation are required to take the IB assessment. Students do not have the ability to “opt out” of the assessment. The upside to this is that an IB exam for a course will allow the student to be exempt from the course final exam with a score of 85 or better as a course average. [Courses designated at SL1 or HL1 do not qualify for this exemption.]

### AP Exams

Students who are currently enrolled in an AP course are required to take the AP exam. Students do not have the ability to “opt out” of the assessment. The upside to this is that an AP exam for a course will allow the student to be exempt from the course final exam with a score of 85 or better as a course average.

### STAAR Exams

All students enrolled in a STAAR tested course are required to take the STAAR Exam for the course. This is a graduation requirement. Additionally, students who did not earn a passing score on the exam when seated in the course must earn a passing score to meet graduation requirements.

## Final Exams

You will see below that there are two sets of dates for final exams. Seniors will take final exams earlier than students designated as grades 9-11 to ensure all students meet graduation requirements prior to June 7, 2022.

### REVISED FINAL EXAM SCHEDULE

**Seniors will take their exams during their regularly scheduled classes. Seniors are expected to attend all classes on these days.**

May 26 B-Day Periods 5 & 7

May 27 A-Day Periods 1 & 3

May 31 B-Day Periods 6 & 8

June 1 A-Day Periods 2 & 4

**Grades 9-11 will take their exams during the designated time periods and will be dismissed after the second exam period. Students must attend all exam sessions, even if they are exempt, to maintain attendance credit. The first exam time will be 8:30-10:40 each day and the second exam time will be from 10:50-12:50 each day. Lunch will be available at 12:50 for students as they leave campus.**

June 2 Periods 2 & 1

June 3 Periods 6 & 5

June 6 Periods 3 & 4

June 7 Periods 7 & 8
