## Principal's Corner

I want to thank our students for carrying themselves with dignity and respect today. Some students chose to participate in a walk out and moment of silence, and others chose not to participate. Both choices were honored and respected.

As I noted last week and again this morning, backpacks should not be brought to campus through the end of the year. We ask that students leave the backpacks at home and bring a smaller bag with only the things they need for the school day. We will confiscate any backpacks again tomorrow.

## Highlighted Events:

- **Thu. May 26th- Wed. Jun. 1st-** Senior Finals

IB Fees are past due. All students who are currently taking an IB course (SL2 or HL2) have been registered for testing. Current seniors must pay the fee to complete senior check out.

The actual cost of registering students for courses is \$119 per subject. HISD and Lamar HS take on the majority of costs associated with the registration and administration of exams. Students are asked to cover part of the fee. Whether you are taking one exam or are testing in five subjects, we ask that each student pay \$90 for the School year. Students who complete the SocioEconomic form and qualify for additional benefits are asked to pay a reduced fee of \$30 for the school year. Make payments through school pay at <https://www.schoolpay.com/pay/for/IB-Registration-Fees/MdWo>

To avoid convenience fees, payments may be made in the business office by cash, money order or cashier's check. IB Fees are non-refundable.

## The 2021–2022 Title I, Part A Parent and Family Engagement Survey

**The 2021–2022 Title I, Part A Parent and Family Engagement Survey will be open from Monday April 25, 2022, through Friday May 27, 2022.** The purpose of this survey is to obtain parents', guardians', and adult family members' perceptions about how well schools are involving them in the educational activities related to their children. To complete this effort, we need your assistance to notify parents and guardians about the survey. According to P.L. 114-95, Section 1116(a)(2)(D), school districts are required to conduct an annual survey to evaluate parent and family engagement efforts related to Title I funding.

The Research and Accountability Department provided the number of responses to the Title I 2021-2022 Parent and Family Engagement Survey as of May 10, 2022. Unfortunately, the participation rate is very low. As of today, we have received 2,078 responses (1,371 from the English version, 706 from the Spanish version, and 1 from the Vietnamese version).

The Department of External Funding is requesting all Title I campuses to promote participation in the 2021 – 2022 Title I Parent and Family Engagement Survey through various methods of communication with families. Promotion methods include, but are not limited to, parent/teacher meetings, end of year graduations/activities, virtual trainings, ClassDojo, PTA/PTO meetings, Morning Message, Weekly Wrap, or other weekly campus communications, newsletters, or updates. If you have a more efficient way of completing this task, please do so.
