

## Summer Assignment 2024 AP Chemistry

### Assignment #1 – Welcome!

**DUE: ASAP :)**

You'll join the Khan Academy for AP Chem.

Please follow the instructions below:

- Go to Teams and join the class using this code: **343shio**
- Go to [khanacademy.org](https://khanacademy.org)
- Activate your account using your **school email address**. You can click the option to log in via google and then type in your student account email address.
- Use this code to join the class: **6UYNKQJJ**. It's titled "AP Chemistry Summer Assignment."
  - Or just click this link: <https://www.khanacademy.org/join/6UYNKQJJ>

### Assignment #2 – Chemistry Introduction

**DUE: August 12, 2024, by 8:30am**

You will do a bit of preparation to understand our first unit of the course.

Please complete the following:

- Complete the assignments listed in the Khan Academy class that you joined in Assignment #1.
- You are only completing Unit 1 for the summer assignment. If you are taking a gap year, I suggest you do more. Do whatever unit(s) you think you need. I will give extra credit for the more that you do.
- You will have a Quiz over this material on the second day of school. NO late assignments will be accepted.

### Assignment #3 – Supply List

**DUE: August 12, 2024, by 8:30am**

Supplies

- Box of tissues.
- Box of disposable gloves.
- **Scientific calculator**- It is highly encouraged and will help you be more successful. You can use it on the AP Chemistry Exam. You can program whatever you want into your calculator!!

Need help completing the assignment?

If you want to look ahead or practice some chemistry, try this amazing resource:
